

BAD FOR ME DAMIAN VAN DAM

Hold me tight and keep me warm
Take me right back from the stars

Never thought it would that hard
Never thought I could be so lonely
For you I would fight a thousand wars

It feels like I'm falling apart
But I know that these habits that own me
Are bad for me
Bad for me

But I am what you want
And I am what you need - you need
'Cause I am what you love
And everything you need - you need
Is bad for me

Mhm Mhm Mhm
Ooh ooh ooh
Is bad for me

Mhm Mhm Mhm
Ooh ooh ooh
Is bad for me

Am I right or am I wrong?
Is this place where I belong?

Never thought it would be that hard
Never thought I could be so lonely
I know I need a fresh start once more
I have it deep in my heart

That this feeling inside me that owns me
Is bad for me
Bad for me

But I am what you want
And I am what you need - you need
'Cause I am what you love
And everything you need - you need
Is bad for me

Mhm Mhm Mhm
Ooh ooh ooh
Is bad for me

Mhm Mhm Mhm
Ooh ooh ooh
Is bad for me

Thanks for the support
