

With Love, 

MOTHER

You Are 
Cherished

From the moment I was born,
your love has been my light.
A constant hug, a gentle word,
that made everything right.

You've taught me by your wisdom,
shown me strength in every way.
With faith that moved mountains,
you've guided me each day.

You've sacrificed so much for me,
without a second thought.
Your hands have built, protected,
and all my dreams have taught.

Your nurturing spirit lifts me up
when life is hard to face.
Your love is my foundation,
my safe and sacred place.

Today and every single day,
I celebrate you, Mom.
With all my heart, I thank you
for the love you've always shown.
