

Word Search Interior Structure Guide

The SD Creator Hub

Purpose of This Guide

Create a clean, consistent, and scalable Word Search book interior ready for Amazon KDP.

1. Intro Page

- 1 What the book is about
- 2 Who it's for
- 3 What to expect

2. How to Use This Book

- 1 Find words horizontally, vertically, diagonally
- 2 Words can be forward or backward
- 3 Mark or circle words once found

3. Puzzle Pages

- 1 Title (theme)
- 2 Puzzle grid
- 3 Word list

Puzzle Guidelines

- 1 15–20 words per puzzle
- 2 Grid size: 10x10 to 15x15
- 3 Consistent layout
- 4 Audience-based difficulty

Number of Puzzles

20–30 puzzles per book

Solutions Section

Include solutions at the end with highlighted answers

Formatting Guidelines

- 1 Readable fonts
- 2 Consistent spacing
- 3 Black & white interiors
- 4 KDP-safe margins

Page Count

Target 100–120 pages

What to Avoid

- 1 Over-design
- 2 Inconsistent layouts
- 3 Random words
- 4 Cramped grids

Repeatable System

Reuse structure. Change theme and word lists.

Pro Tip

Done > perfect. Publish and iterate.
