By accessing the website <https://www.onlineafricanetworking.com/diasporaafrikastrategyconsultancy> and booking a session, you agree to be bound by these Terms of Service. These terms apply to all visitors, users, and clients of Online Africa Network.

### 2. Description of Services

Online Africa Network provides Business and Strategy Consulting specifically focused on Africa Opportunity Strategy. Our primary service is a 60-minute private strategy session designed to provide clarity on business, relocation, and investment decisions within the African continent.

#### 2A. Strategy Consultations (Scope and Format)

- **What you get:** A focused, research-driven strategy consultation tailored to your goals (business, relocation, or investment) across Africa.
- **Session length:** 60 minutes per booked session.
- **Format:** Delivered remotely (e.g., video/phone) or as otherwise agreed at the time of booking.
- **Not a managed service:** Unless explicitly agreed in writing, the session does not include implementation, representation, negotiations, ongoing project management, or continuous support beyond the booked time.

### 3. Professional Disclaimer

The insights and guidance provided during consultations are based on research, experience, and our trusted network. However, Online Africa Network does not provide legal, financial, or tax advice. All decisions made by the client following a session are the sole responsibility of the client. We do not guarantee specific outcomes, profits, or the success of any business or relocation venture.

#### 3A. No Legal or Financial Advice

Our Strategy Consultations are provided for general information and consulting purposes only. Nothing in the session (or any follow-up materials) constitutes legal advice, financial advice, investment advice, tax advice, or any other regulated professional advice. You should seek independent professional advice appropriate to your circumstances before acting on any guidance.

### 4. Booking and Payments

- **Fees:** The current fee for a 60-minute strategy session is £70 (GBP), unless otherwise stated.

- **Payment:** Payment must be made in full at the time of booking to secure the session.
- **Cancellations and Rescheduling:** Clients may reschedule a session with at least 24 hours' notice. Cancellations made with less than 24 hours' notice may be subject to a forfeiture of the fee.

#### **4A. Cancellation, Late Arrival, and No-Show Policy**

- **Client cancellations/reschedules (24+ hours):** If you give at least 24 hours' notice, you may reschedule without penalty (subject to availability).
- **Client cancellations/reschedules (under 24 hours):** If you cancel or request to reschedule with less than 24 hours' notice, the session fee may be forfeited and a new booking/fee may be required.
- **No-shows:** If you do not attend the session at the scheduled time, the session will be treated as a no-show and the fee will be forfeited.
- **Late arrival:** If you arrive late, we may still need to end at the originally scheduled end time to respect other bookings. Late arrival does not entitle you to an extension or refund.
- **Our cancellation/reschedule:** If Online Africa Network needs to reschedule for any reason, we will offer a rescheduled time or, if rescheduling is not possible, a refund of the session fee.

#### **5. Client Obligations**

Clients are expected to provide accurate information regarding their goals and current situation to ensure the consultation is effective. The service is intended for entrepreneurs, professionals, returnees, and investors who are ready to take tangible steps toward their objectives in Africa.

#### **6. Intellectual Property**

All materials, frameworks, and strategic insights shared during the consultation remain the intellectual property of Online Africa Network. These materials are for the client's personal or internal business use only and may not be redistributed or sold without express written consent.

#### **6A. Shared Research and Documents**
