

# Terms of Service

Welcome to the *Gross or Goofy?* world! By using this website or downloading our free activity pack, you agree to the following fun and fair rules:

---

## 1. For Laughs Only

Our activities, coloring pages, and goofy experiments are made just for fun. They're designed for kids and families to enjoy — not for serious science (unless slime is your specialty).

---

## 2. What You Can Do

- Download and print the activity pack for personal use
  - Share it with friends, teachers, or your own kids
  - Laugh, learn, and shout “EW!” responsibly
- 

## 3. What You Can't Do

- Sell or resell this content
  - Claim it as your own work
  - Upload it to other websites without permission
- 

## 4. Copyright

All content in this activity pack and on this site (drawings, text, characters like Dr. Mucky Fumble, etc.) is copyrighted and owned by us. Please don't reuse it for commercial stuff without asking.

---

## 5. External Links

Sometimes we may share links to Amazon or other sites. We aren't responsible for what happens on those third-party websites — but we always try to share fun and safe content.

---

## 6. Changes

We might update these terms once in a while. If we do, we'll post the changes here.

---
