Houseplant Care Guide

Light and watering for five common houseplants, on one page you can pin up at home.

Light and water

Five common houseplants

Plant	Light	Water
Snake plant	Bright or low light	When the soil is dry all the way down
Pothos	Bright, indirect light	When the top few centimetres are dry
Peace lily	Medium light, no direct sun	When the leaves start to droop a little
Spider plant	Bright, indirect light	When the top of the soil is dry
Monstera	Bright, indirect light	When the top third of the soil is dry

Before you water

Push a finger into the soil. If it feels damp, wait a few days and check again.
