HOW TO EARN FROM CANVA
(EASY STEP-BY-STEP PROCESS)

Updated Version

Hi, Future Enrollee!

Gusto mong kumita online pero hindi sure how to start?

Perfect! This free guide will lead you from zero to your first sale with simple steps you can do using just your phone or laptop.

Bakit digital products?

- *Walang stock, walang shipping.*
- *Gumawa ka once, sell mo forever.*
- *Mababang puhunan, malaking possibility.*

Step 1 : Pick a product and niche

Mga easy starter ideas:

Canva templates

(IG carousels, planners)

Printable Planners

Ebooks

Social Media Captions bundles Presets

Checklists

PLR bundles

Step 2 : Design on Canva

1. *Mag-open ng Canva → choose your template size (IG post, A4, etc.).*
2. *Change fonts, colors, and images para unique sa brand mo.*
3. *Gumawa ng 3-5 preview images/screenshots (mockups, inside pages).*
4. *I-export bilang PDF / PNG – high quality pero maliit na file size.*

Step 3 : Create a product listing

Example platforms you can use

RAKET

For product listing

For marketing

1. *Title: Short + searchable (e.g., "Canva IG Carousel Templates – Business Starter Pack").*
2. *Description: What are the benefits of your digiprod?*
3. *What's included: Inclusions/files + formats + how to use.*
4. *Preview images: Upload mockups/screenshots.*
5. *Price: Start low para makakuha ng unang buyers; offer a limited-time discount.*
6. *Delivery: Set up instant download (Gumroad/RaketPH/Shop platforms usually have this feature).*

Step 4: Set up payments and delivery

- *Gumroad: built-in checkout + instant delivery.*
- *RaketPH: upload product + automatic delivery (label as “digital”).*
- *For website: use PayPal/Paymaya/Stripe + auto-download link or email autoresponder.*

Step 5: Promote your product (simple + consistent)

1. *Post 3-5 times a week – mix of product previews, behind-the-scenes, and testimonials.*
2. *Use short video demos (Reels / Tiktok) showing how the product saves time.*
3. *Make a FREE sample or mini-tutorial to capture emails – offer as lead magnet.*
4. *Ask first customers for reviews and repost them.*

Step 6 : Scale & repeat

- *Improve designs based on feedback.*
- *Bundle products for higher value.*
- *Run small promos or collabs with micro-influencers.*
