Verse 1:

Fmaj7 **G6**

Now there you go again you say you want your
freedom

Well who am I to keep you down

It's only right that you should play the way you feel
it

but listen carefully to the sound

of your loneliness like a heartbeat drives you mad

In the stillness of remembering what you had

and what you lost

and what you had

and what you lost

Chorus:

F **G**

Oh thunder only happens when it's raining

Players only love you when they're playing

Say women they will come and they will go

When the rain washes you clean you'll know

you'll know

Verse 2:

G6

Now here I go again I see the crystal visions
I keep my visions to myself
It's only me who wants to wrap around your
dreams
and have you any dreams you'd like to sell
Dreams of loneliness like a heartbeat drives you
mad
In the stillness of remembering what you had
and what you lost
and what you had
and what you lost

Chorus:

Players only love you when they're playing
Women they will come and they will go
