

Bod-Ease

Soothing Products for Aching Muscles & Inflamed Joints

If you're dealing with arthritis, muscle aches or joint pain AND you're conscientious about what you put in or on your body, consider some of these balms, gels, oils, and creams to keep you movin' & groovin' in your healthy life!

Oregon TILTH Certified Organic

Sacred Earth Botanicals Organic Muscle Rub comes in a no mess applicator to deliver powerful essential oil goodness to soothe your body.

Organic

Certified organic and fair trade ingredients, along with no synthetic ingredients, really make this soothing balm stand out as a staple for healthy living!

Organic Essential Oils

Made with certified organic essential oils, the hallmark of doTERRA, in a silky, smooth rub that is great for soothing muscles and opening airways.

Essential Oils

Originally available as an oil, Tei-Fu cream, with its spicy, uplifting essential oils profile, glides on silky smooth for quick and easy absorption.

Powerful Oils

White Flower is no longer an ancient Chinese secret. The power of this oil is obvious from the first drop. Soothe muscles and joints. Open airways and breathe easy.

Plant Extracts

A therapist and athlete favorite, Biofreeze seems to have taken over the sports arena. This warming gel is loaded with menthol and beneficial plant extracts to keep you moving!
