

Module 2 Lesson 4

Becoming Like Christ

KEY IDEA

Our differences as Standard and Relational Processors are part of God's design, and our shared calling is to become more like Christ, who is full of grace and truth.

KEY SCRIPTURES

- Romans 8:29 — “For those God foreknew he also predestined to be conformed to the image of his Son.”
- John 1:14 — “We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.”
- Colossians 1:15 — “The Son is the image of the invisible God, the firstborn over all creation.”

LESSON & NOTES

1. God is using our _____ to form us into Christlikeness.

“God has united you, a sinful person, with a sinful spouse, to become like Christ, who is without sin.”

2. We often look horizontally in our marriages, but God wants us to look

3. If we are going to become more like Christ, we need to be filled with both
_____ and _____.

4. The Standard Processor's journey to become like Jesus will involve more
_____.

The Relational Processor's journey to become like Jesus will involve more
_____.

5. Let _____ guide your growth.

KEY POINTS

- Marriage is one of God's primary tools to shape us into Christlikeness
- Standard Processors naturally reflect God's truth; Relational Processors naturally reflect His grace
- Growth means becoming like Jesus, who is full of both grace and truth
- Humility is essential for transformation
- The more like Christ you become, the better spouse you will be
