# CONTENT TOOLS

## CLASSIC TRIPOD

Sturdy, reliable and compact. A creators staple! I love this one because it opens and extends easily + the remote!

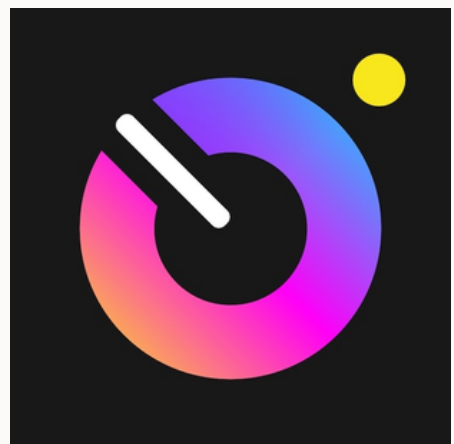

## PHONE CAR MOUNT

Great for attaching to glass walls or mirrors. Definitely used this alot and comes in handy when travelling or taking quick content!

## LENSE BUDDY APP

10/10 Highly recommend!  
Can't live without her.  
An app that takes photos of you using a rapid timer.

# EDITING TOOLS #1

## CRSL

Super fun and new. Great for getting creative with carousels and instagram stories. Love the stylish templates!

## CUT STORY

Takes my 2-5 minute videos and cuts it down perfectly for Instagram Stories. No weird gaps.

## SPARK CAMERA

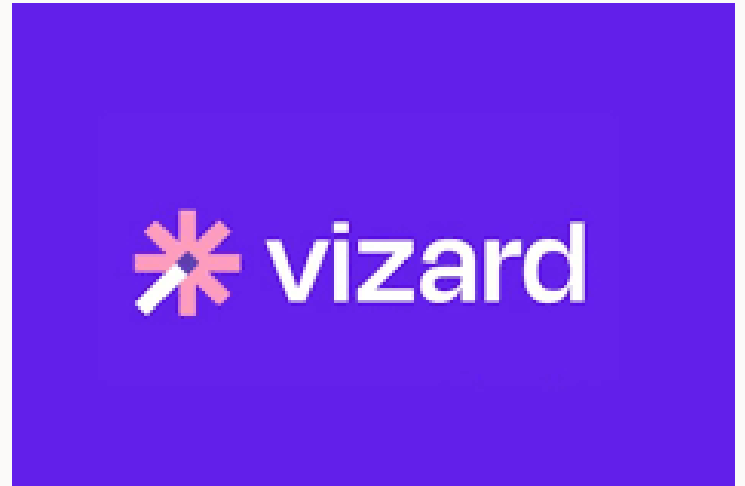

Genius app! Perfect for Vlogging your day. Records everything under one roof for fail-proof editing!  
Just try it and see.

# EDITING TOOLS #2

## VIZARD AI

I record my 20-30 minute Youtube videos then upload into Vizard and it cuts them into 25 SEO-rich reels, ready to go!

## INSHOT APP

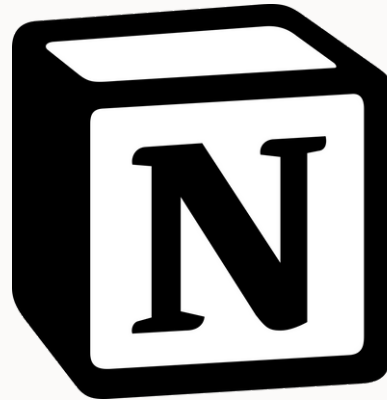

Super easy and user friendly. My longtime favourite video editing app!

# ORGANIZATION

## NOTION

Great for brain dumping and to-do lists! Love all the possibilities and seamless integration!

## CHAT GPT

She knows me better than I know myself. Enough said. Use it for clarity and simple strategy.

## GOOGLE CAL.

Attached to your gmail email. As a former receptionist, Google Cal is my ride or die forever! Color-coded, *of course*.

# BACK-END SYSTEM #1

## SYSTEME.IO

Simple, user-friendly and cost-effective. Landing & sales pages + all email marketing. Really love it!

## STRIPE

For all payments over \$100 and my extended payment plans, I use Stripe. Simple and user-friendly.

## GUMROAD

For all payments under \$100, I use Gumroad. Great for selling PDFs or one-off items, tickets, etc.

# BACKEND SYSTEM #2

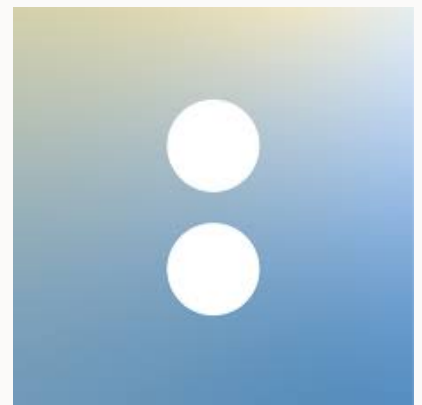

## SKOOL

Skool is great, can't lie. Straight forward and integrates well with everything, I've tried many others and this has the best price. I host my DREAM Academy inside it.

## ACUITY

Scheduling all coaching calls. Super easy and serves as a great client database!

# TRAVEL TOOLS

## BOOKING.COM | HOTELS

I love the points system and it's very secure and up-to-date. Never been scammed. My go-to for hotels & accomodation!

## PANGIA | BEST E-SIM

Adore this e-sim for all my travels! Best bang for your buck and so damn reliable!

## WISE | FINANCES

My go-to for transfers, payments for personal things and making money management easy while abroad. It has a great financial tracker also!

## FITNESS | WORLD WIDE

I lovee ClassPass! Find amazing yoga/pilates/fitness classes and spas for cheap wherever you go. Its a points system and there's so many options. I prefer this over a gym membership!
