The Level Up Wrap™

The Comfort Upgrade for People
Who Live at Their Desk

A glow-in-the-dark, chair-mounted wrap that keeps you warm and focused—without slipping, bunching, or constant adjustments.

THE PROBLEM

If you've ever worked or gamed for hours, you know the struggle—blankets slide off, hoodies bunch up, and you're constantly adjusting instead of staying focused.

It seems small... but it breaks your flow every single time.

The Level Up Wrap™

The Comfort Upgrade for People
Who Live at Their Desk

THE SOLUTION

The Level Up Wrap attaches directly to your chair, creating a hands-free, fully wrapped comfort system that stays in place no matter how long you sit.

KEY BENEFITS

- ✓ Stays in place — no slipping or adjusting
- ✓ Full-body warmth without overheating
- ✓ Hood + wrap combo for complete coverage
- ✓ Designed for gaming, work, and long sessions
- ✓ Glow-in-the-dark design for a unique setup aesthetic
