

Elf Applications

So You Want to Be an Elf?

Every toy made, every letter read, every candy cane wrapped, elves are the heartbeat of the North Pole. Becoming one isn't just about working hard, it's about spreading joy and keeping the spirit of Christmas alive.

An Elf's Duties Might Include:

- Wrapping gifts with perfect bows
- Feeding the reindeer their magic oats
- Sorting Santa's letters
- Testing toys (the fun part!)
- Spreading kindness wherever you go

Elf Tip:

Elves don't just work at the North Pole, they bring magic everywhere they go. If you want to be an elf, you must be ready to laugh often, help others, and keep the sparkle of Christmas alive all year long.

Now it's your turn!

you'd be!**

The Elf Pledge

Before you can become one of Santa's helpers, you must take the Elf Pledge. Read it aloud, sign your name, and let the Magic Candy Cane seal your promise.

I promise to:

- Spread kindness every day.
- Keep the spirit of Christmas alive in my heart.
- Help others whenever I can.
- Laugh often and share joy with everyone I meet.
- Use my imagination to bring magic into the world.
