# Christmas Eve Traditions

Christmas Eve is a night filled with gentle magic, soft lights, warm memories, and the excitement of what's to come.

Use this page to choose the traditions your family wants to carry forward each year.

Some are simple. Some are cozy. All of them help create the feeling of Christmas Eve that children remember forever.

- Read *The Magic Candy Cane* together
- Share one thing you loved most from the 12 Days
- Hang your Magic Candy Cane in its special spot
- Take a photo in front of the tree
- Choose the cookies for Santa
- Set out water or carrots for the reindeer
- Turn off all lights except the tree and soak in the glow

# Thank You for Sharing the Magic

**Thank you for being part of the Magic Candy Cane family.**

For twelve days, you colored, crafted, baked, played, explored, and created memories that will stay with your family long after the season fades.

You brought joy into your home.

You built moments of wonder.

You kept the spirit of Christmas alive in the way that matters most, by doing it together.

We're so grateful you chose to make the Magic Candy Cane part of your traditions this year.

From our family to yours...  
**Merry Christmas.**

May your days be cozy,  
your hearts be full, and  
your Magic Candy Cane  
shine bright on your tree  
tonight.
