

# Post-Session Protection Checklist

**Before you leave the studio, confirm:**

# Essential Checkpoints

All session files are saved and labeled

You received (or scheduled delivery of) raw stems

You received a rough mix bounce

You confirmed mixing timeline (if applicable)

You confirmed revision policy

You clarified mastering plan

You backed up files twice

You know the next step in the process

If you cannot check at least 6 of these boxes — pause before walking out.

# Share Your Experience

We'd love to hear about your studio booking experience! Did this template help? What surprised you during your session? What would you do differently next time? Share your story with us at [contact@academyeffect.com](mailto:contact@academyeffect.com), your insights could help other musicians navigate their first recording session.
