

HOW TO FUND YOUR WALLET

Version 1

IMPORTANT

It is important to follow these steps when Funding your Wallet to ensure your deposit reaches your Celbux Wallet in the shortest time possible.

Riaan van Niekerk

How to Load Funds into Your Celbux Wallet

1. EFT Transfer

- ✓ Open your personal banking app.
- ✓ Create a **New Beneficiary**: Call it Celbux Wallet *(or anything else you prefer)*

- **Payment to: NEDBANK CELBUX**

Bank	Type	Branch Code	Account Number
Nedbank	Current	198765	1321 141 300

IMPORTANT

Use the Correct **BENEFICIARY / RECIPIENT REFERENCE** Format: 

➤ Your **Mobile Number** is used as the **BENEFICIARY REFERENCE / THEIR REFERENCE / RECIPIENT REFERENCE**:

- Ex: 0831112222  No spaces!
- Ex: 27831112222 *(this will also work)*  No spaces!

PLEASE

Double-check your details before confirming the payment!

2. Cash Deposit at a Bank

- ✔ Deposit cash at **Nedbank**.
- ✔ Use Celbux Nedbank Banking Details.
- ✔ Use your Mobile Number as **Beneficiary / Recipient Reference Number** format:
 - ◆ Example: 0831112222 (your mobile number)

✘ Do **NOT** do **cash deposits at ATM over weekends**. It *might* only clear on Monday / Tuesday.

Quick Reminders:

- ✔ Always use **IMMEDIATE Payment** (non-Nedbank clients) if you want your funds to show ASAP in your Celbux wallet.
- ✔ Always double-check your **Beneficiary Reference Number**.
- ✔ Always keep your **Proof of Payment**.
