Considerations

- Age of child / children
- Friends / family using room
- Can the room / furniture age with your child
- Storage room to rotate toys
- How can you involve your child / children in decision making and / or helping create
- Will this be a Bedroom or Playroom or both

What Room?

- Size
- Layout
- Furniture I can reuse
- Furniture I need to make, buy or thrift

The Dinosaur Den

Define your scale.

What furniture do you currently have?

Example:
Bed 5 ft x 4 ft

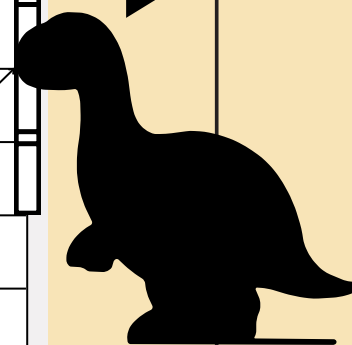

Graph out room size

What furniture would you like to have in your area?

Consider the sizes of the furniture in scaling your drawings.

Graph out windows & doors & closets

Can I come in?
