

Shipping & Delivery Policy

Last Updated: October 2025

Thank you for purchasing from **The Insight Lab (Anmol World)**.

This Shipping & Delivery Policy outlines how we deliver our **digital products** (such as eBooks, guides, or online programs) to our customers.

1. Nature of Products

All products available on **www.anmolworld.com** are **digital** in nature.

We do **not** ship any physical goods.

Upon successful payment, customers instantly receive access to the purchased product via **email or direct download link**.

2. Delivery Method

Once your payment is confirmed through **Razorpay** or other secure gateways:

- You will receive an **email confirmation** containing the download link or access details within a few minutes.
- If you've purchased a course, program, or private link, the access credentials or materials will also be sent via email.

Please ensure you provide a **valid and accessible email address** during checkout.

3. Delivery Timeline

 **Instant Delivery:** For most purchases, delivery is immediate upon successful payment.

 In rare cases (e.g., server delays, email bounce, or payment verification issues), delivery may take up to **1–2 hours**.

If you do not receive your product within this time, please contact us at **support@anmolworld.com** with your **payment ID** and **registered email address**.

4. Failed or Delayed Deliveries

Delivery may be delayed due to:

- Incorrect or incomplete email address provided by the customer
- Internet connectivity or spam filter issues
- Payment gateway confirmation delays

If you suspect a delay, please check your **Spam/Junk folder** first.

If still not received, reach out to us immediately — we'll verify and resend your digital access within **24 hours**.

5. No Physical Shipping

We do **not** engage in courier or postal shipping.

As all products are digital, there are no shipping charges, delivery addresses, or logistics involved.
