

MONEY
HUSTLE MINDSET

Open a High-Yield Savings (10-Minute Quick Guide)

Direct, calm, no hype—plain-English money talk that respects people’s real-life constraints.

What you’ll need (2 min)

Government ID

Your checking
account + online login

10–15 minutes

How to pick a HYSA (3 min)

Search

“high-yield savings FDIC
insured no monthly fees”

Compare

“high-yield savings FDIC
insured no monthly fees”

Avoid tie-ins (you don’t need other products)

Set it up (5 min)

1. Apply online → verify identity.
2. Link your checking (instant login or micro-deposits).
3. Create one recurring transfer (e.g., \$15 every Friday) to match your Friday Reset.
4. Keep HYSA at a different bank for a bit of friction (protects your wins).
5. Label the account “Emergency & Goals.”

Target

1. Mini-buffer: \$500–\$1,000
2. Core emergency fund: 1–3 months of essential bills
