

# AI LIFE LEVERAGE SYSTEM™ 2.0

## Digital Product Generator + 30-Day Automation Challenge

Turn any idea into a sellable offer — and build momentum in 30 days.

### Digital Product Generator

#### Step 1: Find Your Market

List 3 groups struggling with [topic] and their #1 pain.

---

---

---

---

---

---

#### Step 2: Define the Pain

Describe the emotional pain and the desired outcome.

---

---

---

---

---

---

#### Step 3: Build Your Offer

Create a 15-minute product: name, format, 3 core results.

---

---

---

---

---

---

#### Step 4: Sales Copy

Write a short, emotional paragraph that sells to [audience].

---

#### Step 5: Package & Price

3 pricing options (\$17-\$97) and how to position each.

---

#### Step 6: Launch Strategy

7-day mini launch: posts, short videos, one email.

---

### 30-Day Automation Challenge (Summary)

- Days 1-7: audit → 1 task automated → reflect

- Days 8-14: morning system → a work task automated → weekly plan
- Days 15-21: inbox filters → share a win → track hours saved
- Days 22-30: second automation → declutter → review → celebrate
