- Practical explanation

- An actionable step you can implement

TODAY

Let's build your Kingdom Business together.

PRINCIPLE 1: STEWARDSHIP OVER OWNERSHIP

SCRIPTURE FOUNDATION

"The earth is the Lord's, and everything in it, the world, and all who live in it." Psalm 24:1

THE PRINCIPLE

You don't own your business, you manage it for God. This shift in perspective changes everything. When you see yourself as a steward rather than an owner, you make decisions differently. You ask: *"What would honor God?"* instead of *"What maximizes MY profit?"*

Stewardship means recognizing that your skills, capital, opportunities, and even your customers are gifts from God. Your role is to multiply these gifts wisely, just like the servants in the Parable of the Talents (Matthew 25:14-30).

PRACTICAL APPLICATION

Make decisions by asking: "Am I stewarding this resource wisely?"

- View profits as resources to be reinvested in God's kingdom
- Remember: success is measured by faithfulness, not just numbers
- Treat employees, customers, and vendors as God's precious creations

ACTION STEP

Write this question on a card and place it where you work:

"Am I managing this business as if God is my CEO?"
Refer to it before major decisions this week.

PRINCIPLE 2: INTEGRITY IN ALL DEALINGS

SCRIPTURE FOUNDATION

"The Lord detests dishonest scales, but accurate weights find favor with him." Proverbs 11:1

THE PRINCIPLE

In a world where *"everyone cuts corners,"* integrity sets you apart. Biblical integrity isn't just about avoiding fraud, it's about radical honesty in pricing, marketing, product quality, and customer service.

When you operate with integrity, you build something more valuable than quick profits: you build TRUST. And trust is the foundation of every lasting business relationship. God blesses honest businesses because they reflect His character of truth.

Integrity means: delivering what you promise, charging fair prices, being transparent about limitations, admitting mistakes quickly, and treating all customers equally whether they're big or small clients.

PRACTICAL APPLICATION

- Never exaggerate in marketing, let your results speak
- If you make a mistake, own it immediately and make it right
- Price fairly, even when you could charge more
- Keep your word, even when it costs you
- Be the same person in private as you are in public

ACTION STEP

Audit one area of your business this week: Are your marketing claims 100% truthful?

Is your pricing fair?

Fix anything that doesn't pass the *"integrity test."*

PRINCIPLE 3: SERVANT LEADERSHIP

SCRIPTURE FOUNDATION

"Whoever wants to become great among you must be your servant, and whoever wants to be first must be slave of all." Mark 10:43-44

THE PRINCIPLE

Jesus revolutionized leadership. In His kingdom, leaders serve, not dominate. This applies directly to your business. Your role isn't to be served by customers and employees, it's to serve THEM.

Servant leadership means asking: "How can I solve my customer's deepest problem?" not "How can I extract maximum money?" It means creating products that genuinely transform lives. It means treating employees as partners in your mission, not as expendable resources.

When you lead by serving, something supernatural happens: people become loyal advocates. They don't just buy, they believe in your mission and spread your message.

PRACTICAL APPLICATION

- Design products that solve real problems, not just trendy wants

Ask customers: "How can I serve you better?"

- Invest in employee growth and well-being
- Give more value than you charge for
- Measure success by lives changed, not just revenue

ACTION STEP

Contact 3 customers this week and ask: *"How can I better serve you?"*

Listen deeply.

Implement at least one suggestion within 7 days.

PRINCIPLE 4: EXCELLENCE AS WORSHIP

SCRIPTURE FOUNDATION

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters." Colossians 3:23

THE PRINCIPLE

Your business is an act of worship. Every product you create, every email you send, every customer interaction, it's all an offering to God. This means mediocrity is not an option. Excellence isn't about perfectionism, it's about doing your absolute best with what God has given you.

When you work *"as unto the Lord,"* you bring your A-game every single day. You don't cut corners when no one's watching. You polish that presentation even when you're tired. You go the extra mile because you're ultimately serving an audience of One God Himself.

Excellence attracts. People recognize quality, and quality businesses naturally grow because they stand out in a sea of "good enough."

PRACTICAL APPLICATION

- Review your products: Are they truly your best work?
- Improve one small detail every week
- Treat every customer interaction as if serving Jesus directly
- Don't release anything you're not proud of
- Invest in skills, tools, and systems that elevate quality

ACTION STEP

Identify ONE thing in your business that's merely "good enough.

" Commit to making it EXCELLENT this month. Schedule time on your calendar now to work on it.

PRINCIPLE 5: GENEROSITY & TITHING

SCRIPTURE FOUNDATION

"Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap." Luke 6:38

THE PRINCIPLE

Kingdom businesses operate on a supernatural economy: the more you give, the more you receive. This defies worldly logic, but it's God's design. Tithing (giving 10% back to God through your church or ministry) acknowledges that He's the source of all your provision.

But generosity goes beyond tithing. It's a lifestyle. It means being generous with your time, knowledge, encouragement, and resources. Generous businesses create generous cultures. And generous cultures attract abundant blessings often in unexpected ways.

When you give freely, you break the spirit of poverty and scarcity. You declare: "My God supplies ALL my needs. I trust Him, not my bank account."

PRACTICAL APPLICATION

- Tithe faithfully from gross business income (10% minimum)
- Build giving into your business model (percentage to charity/mission)
- Offer free value: guides, consultations, resources
- Support other Christian entrepreneurs
- Give to employees: bonuses, time off, growth opportunities

ACTION STEP

Decide TODAY: What percentage of revenue will you commit to giving?

Set up automatic giving if possible. Then create one free resource you can give away this month to serve others.

PRINCIPLE 6: WISDOM THROUGH COUNSEL

SCRIPTURE FOUNDATION

"Plans fail for lack of counsel, but with many advisers they succeed." Proverbs 15:22

THE PRINCIPLE

You don't have to figure it all out alone. God designed you to thrive in community. Seeking wise counsel isn't a sign of weakness, it's a sign of wisdom. The most successful Christian entrepreneurs surround themselves with mentors, advisors, and accountability partners.

Counsel provides perspective you can't see alone. It prevents costly mistakes. It accelerates growth. And it keeps you humble. Pride says, *"I've got this."* Wisdom says, *"I need godly input."*

This means investing in coaches, joining mastermind groups, consulting with experienced believers, and most importantly seeking God's wisdom through prayer and Scripture before major decisions.

PRACTICAL APPLICATION

- Identify 2-3 successful Christian entrepreneurs as potential mentors
- Join or create a business accountability group
- Never make major decisions in isolation
- Read business books by Christian authors
- Pray and seek God's wisdom daily through Scripture
- Consider hiring a Christian business coach

ACTION STEP

Reach out to ONE person this week who's 5-10 years ahead of you in business.

Ask if they'd be willing to have a 30-minute coffee chat for advice.

Be specific about what you need help with.

PRINCIPLE 7: FAITH OVER FEAR

SCRIPTURE FOUNDATION

"Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9

THE PRINCIPLE

Entrepreneurship requires courage. You'll face uncertainty, setbacks, criticism, and moments when quitting seems easier than continuing. But God didn't give you a spirit of fear. He gave you POWER, LOVE, and a SOUND MIND (2 Timothy 1:7).

Faith means taking action despite fear. It means launching before you feel "ready." It means trusting God's provision when the bank account is low. It means believing that the same God who called you to this business will equip you to succeed.

Fear asks: "What if I fail?" Faith declares: "God is with me. I cannot fail if I'm obedient to His call." Your job is to be faithful and obedient. God's job is to bring the results.

PRACTICAL APPLICATION

- Identify your biggest business fear, name it specifically
- Write out Scripture promises that combat that fear

Take one "faith step" weekly, do something that scares you

- Celebrate small wins to build courage momentum
- Remember: God hasn't brought you this far to abandon you

ACTION STEP

What's ONE action you've been avoiding because of fear? (Raising prices? Launching that product?

Reaching out to that potential partner?)

Schedule it for THIS WEEK. Do it afraid.

Watch God show up.
