

# *7 Questions To* Help You Shine

AND ATTRACT YOUR  
IDEAL CLIENTS WITH EASE

KASIA RUTKOWIAK

My Dear Friend,

The fact that you are reading these words means that you are ready for more. You want to stop hiding and wish to become more visible so that you can grow your business, serve more people, and make (much!) more money in the process. That makes me very happy!

In case we haven't met yet, I wanted to quickly introduce myself.

**My name is Kasia Rutkowiak, and I am The Confidence Magician.**

I help female online entrepreneurs learn how to powerfully attract their best clients, create much **more fulfilling, profitable, and good-feeling businesses**, sell with ease, and help more people by doing what they genuinely love. And all that *without* having to work harder (just the opposite)!

I wholeheartedly believe that putting more success and money in the hands of women by empowering them to share their gifts from a place of feeling **confident, worthy, and more than good enough**, will make this world a better place.

I know that you have SO MUCH to give and that if you allow yourself to fully own who you are and what you do, you will be able to help **many more people**.

I am here to support you in growing your impact on the world (and the income that comes with it!) in a way that feels fully authentic, completely natural, and absolutely limitless.

I know that deep down YOU KNOW that you came here to do great things even though you have not figured it all out just yet. And that's ok - it's exactly why I am here!

Privately, I am a mom of 3 and a bonus mom to 3 more amazing humans, a double Frenchie owner, and a Scandinavian design lover fueled by black coffee and good vibes.

If we are not connected on Instagram just yet, make sure to say hi! I am there for you daily.

Where am I hiding, playing small or safe?

People who need my help, what price are *they* paying for my hiding?

## Was this helpful?

Have these questions made you realize things you haven't considered before (or enough)? If so, then I am celebrating you right now!

I believe that becoming aware of our limitations calls for a celebration. Always!

Now you finally know the issue and can do something about it. That, my Friend, is absolutely amazing!

That being said, the realization is just the first step that requires *action* to change what's not working.

The good thing is - that you are here, reading these words, and this is proof enough that **you are ready for MORE.**

More impact, more satisfaction, and genuine fulfillment.

Waking up every morning to messages from ideal clients who want your help.

You desire to help more people and create an amazing, easy-feeling business that supports the best life for yourself and your loved ones.

I specialize in reprogramming stubborn limiting beliefs in a way that they go away FOR GOOD. At the same time, we replace them with those that make showing up and **owning your unique skills** in a way that makes you **stand out**.

This is what I help amazing women like you with, every single day - showing up, owning who they are and what they do so that they become the absolute best choice for the people who need them.

If you want to finally feel like business is **fun, exciting**, and **EASY**, having your best **clients queueing to work with you like there was no tomorrow**, send me an email to [kasia\(at\)theconfidencemagician.com](mailto:kasia@theconfidencemagician.com) titled **“READY”**, and let’s talk!
