God Creates the World

Genesis 1-2

Read the story with the pictures.

In the beginning, God created the heavens and the earth. At first, everything was dark, but then God said, "Let there be light!" and made a big blue sky with a fluffy cloud floating by. He gathered the water together to make oceans and let dry land appear.

Then, God filled the world with plants. Every kind of tree and flower started to grow. God put light in the sky to make the days and nights. He made the bright sun for the day and the glowing moon and twinkling stars for the night.

Next, God filled the waters with every kind of fish and the sky with every kind of bird. The world was getting busy! Then God made animals to walk on the land, from the tiny mouse to the mighty lion.

Finally, God did something very special. He took some dirt from the ground and formed a man and a woman. He breathed life into them. God looked at everything He had made, and it was very good. Then, on the seventh day, God rested.
