Kit loved playing his drum.

He banged it loudly every morning.

BANG

His friends wanted to try the drum too.

Kit said, "It's only mine."
His friends walked away looking sad.

Playing alone didn't feel as fun anymore.
Kit remembered how really, really happy he felt
when others shared with him.

He ran to his friends and said,
“Do you want a turn?”

Everyone took turns drumming
and laughed together.

Kit learned that sharing
makes playtime happier.

THE END.
