

**Sunny and the Rainbow
Adventure
by April Sanchez**

**Sunny the little bunny loved to hop
through the meadow every morning.
He always looked for new adventures.**

A vibrant, cartoon-style illustration of a bright day. A large, multi-colored rainbow arches across a clear blue sky. To the right, a bright yellow sun with rays is partially obscured by a white, fluffy cloud. Another white cloud is on the left. In the foreground, a brown rabbit with long ears sits on a patch of green grass, looking towards the rainbow. The overall scene is cheerful and bright.

**One morning, Sunny saw
something sparkling in the sky.
It was a rainbow stretching far
across the clouds!**

**I wonder where the rainbow
begins,” Sunny thought.
He decided to follow it and find
out.**

**Along the way, he met a bluebird
singing in a tree.
“Can I come with you?” asked the
bird.**

**Sunny and the bluebird hopped and
flew together.
Soon they met a turtle by the pond.**

**I may be slow, but I love rainbows too,” said the turtle.
So, the turtle joined the adventure.**

**The rainbow seemed closer now, glowing
with many colors.
The friends hurried, feeling happy together.**

**At last, they reached the rainbow's
end.**

**But instead of treasure, they found
something better—friendship!**

**Rainbows are magic because they bring friends
together,” said Sunny.
Everyone smiled and agreed.**

**From that day on, Sunny, the bluebird,
and the turtle explored together.
And every rainbow reminded them of
their special bond.**
