

Pinocchio and The Broken iPad

One sunny morning, Pinocchio sat on the couch. He opened his shiny iPad. "I will play just one game," said Pinocchio.

BOING! BOING!

BOING!

**He tapped.
He swiped.
He giggled.**

The game went "boing! boing! boing!"

Pinocchio jumped with joy. He jumped too high.

BOING! BOING!

oh no!

CRASH!

The iPad slipped and fell to the floor. The screen broke!

**Pinocchio looked left.
Pinocchio looked right.**

Oh dear. Papa
will be so sad.

Maybe... maybe it wasn't me!
Maybe my bird did it!

**Papa! Papa!
The bird broke
my iPad!**

The bird flew in the window-
flap, flap, flap!
It landed on my iPad-tap, tap,
tap!
Then it pecked the screen-
peck, peck, peck!

and it broke!

**FLAP!
PECK! TAP TAP!**

Pinocchio's nose grew a little.

Uh oh.

Hmm
That's strange

FLAP!
PECK!
TAP TAP!

Pinocchio's nose grew a little.

The cat jumped on the couch-
pounce, pounce, pounce!
It chased a bug-swish, swish,
swish
Its tail hit the iPad-whack,
whack, whack.
And it broke!

Wait, Papa!
Maybe it wasn't the
bird
Maybe..... the cat
did it!

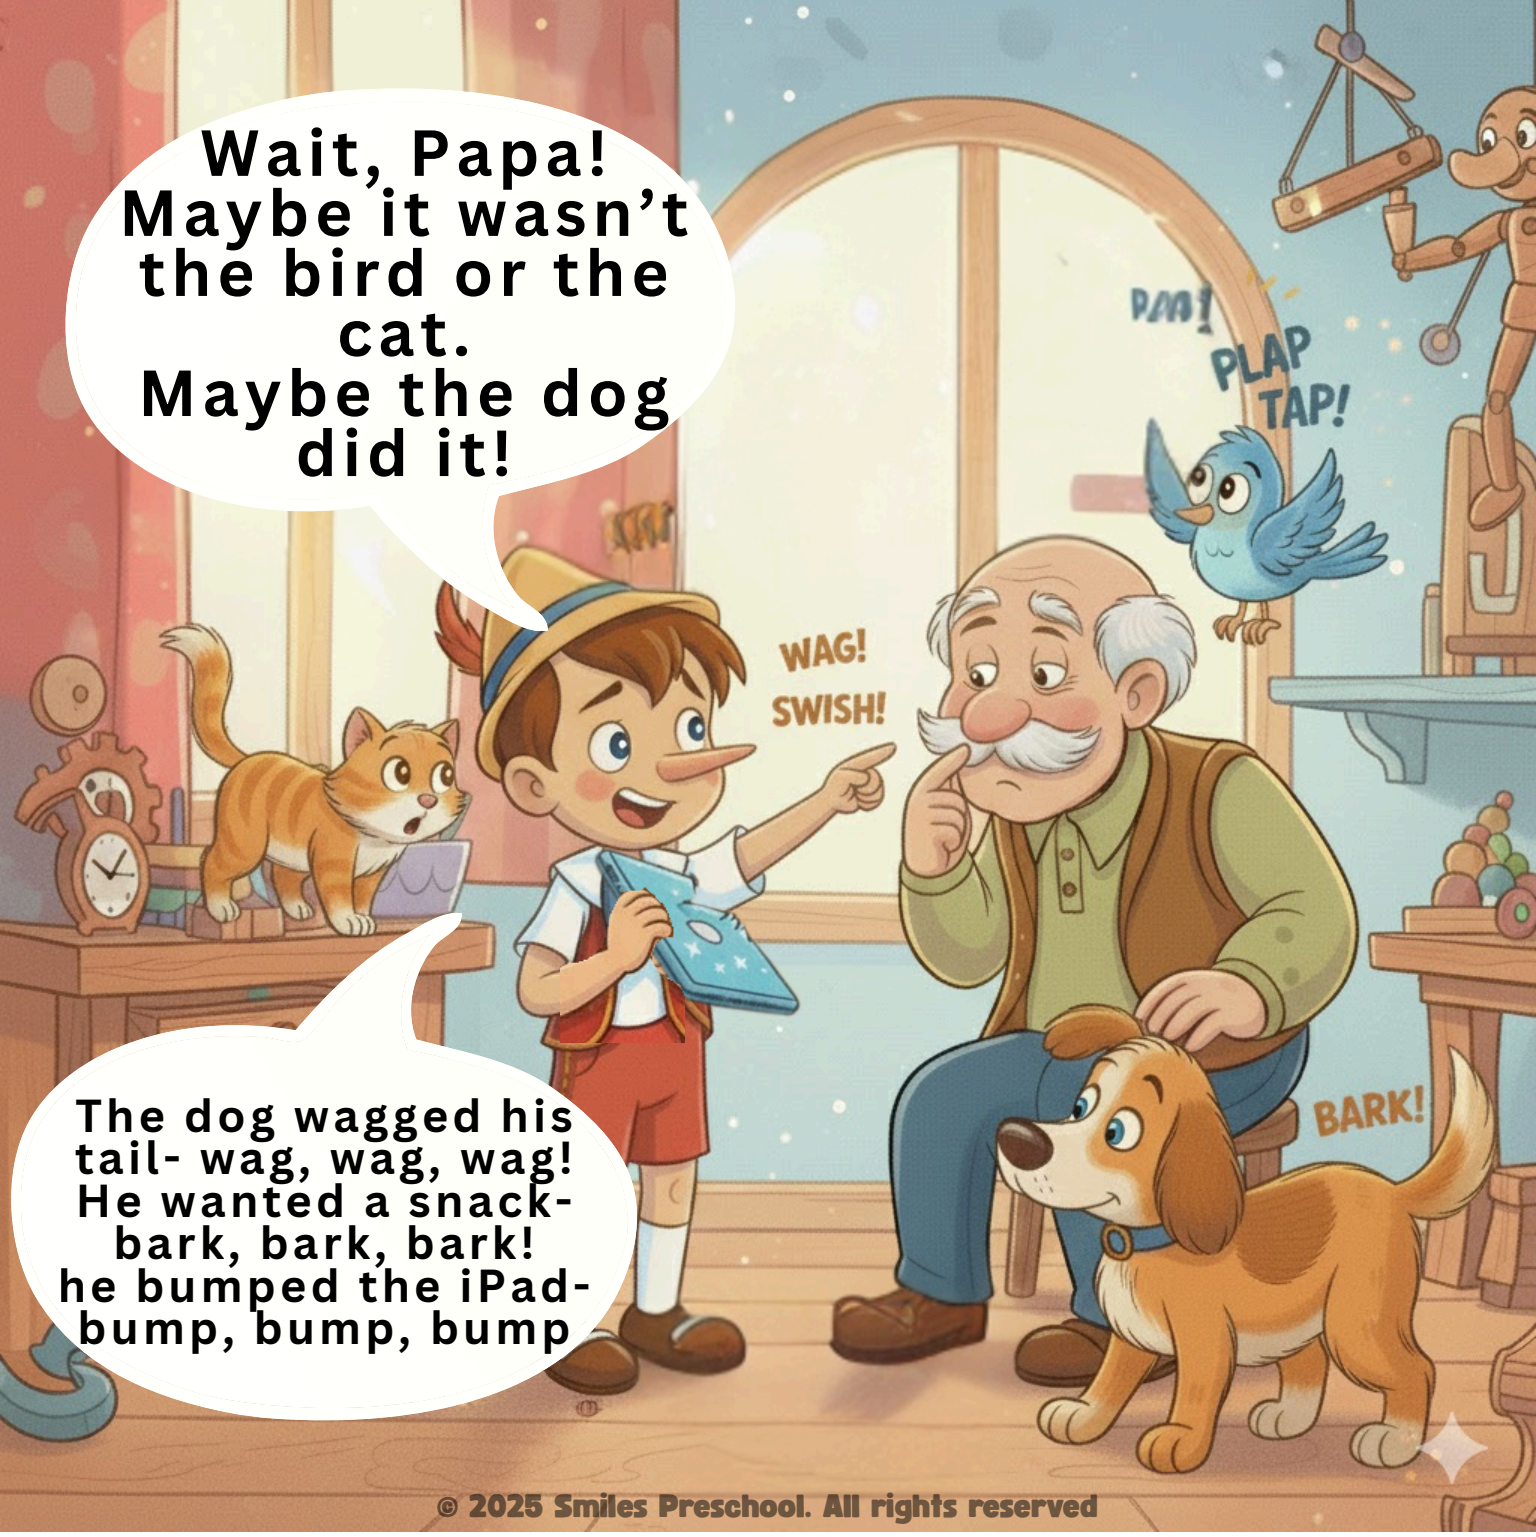

Oh dear!

Really, Pinocchio?

WAG!
SWISH!

PLAP
TAP!

BARK!

**Wait, Papa!
Maybe it wasn't
the bird or the
cat.
Maybe the dog
did it!**

**The dog wagged his
tail- wag, wag, wag!
He wanted a snack-
bark, bark, bark!
he bumped the iPad-
bump, bump, bump**

Pinocchio's nose grew longer and longer!

Oh no!
My nose
tells the
truth.

Son, are
you sure?

Papa, it wasn't
the bird.
It wasn't the cat.
It wasn't the dog.
It was me. I broke
the iPad while
playing.
I'm so sorry!

WAG!
SWISH!

PLOP!
PLAP
TAP!

BARK!

Papa hugged Pinocchio and said...

Thank you for telling the truth. We can fix it together
