

# PETER PAN AND THE LOST WI-FI!

**In the skies of Neverland, Peter Pan zoomed past clouds while watching his favorite flying video!**

**“Hey, Tink! My video stopped!” Peter shouted.  
“The Wi-Fi’s gone!”**

**All over Neverland, everyone's screens froze. "Oh no!" cried Wendy.**

**Even Captain Hook couldn't play his pirate music playlist!**

**Peter called a team meeting.  
“Lost Kids, we’ve got a signal to  
find!”**

**They searched near  
Mermaid Lagoon, but only  
found fish selfies.**

**Next, they checked Skull Rock, but  
the signal just said, "Try again  
later."**

**Tinkerbell waved her wand — sparkles turned into glowing Wi-Fi bars!**

**But poof! It vanished! "We need stronger imagination power," said Tink.**

**Meanwhile, Captain Hook grumbled. "No Wi-Fi? No weather updates for sailing!"**

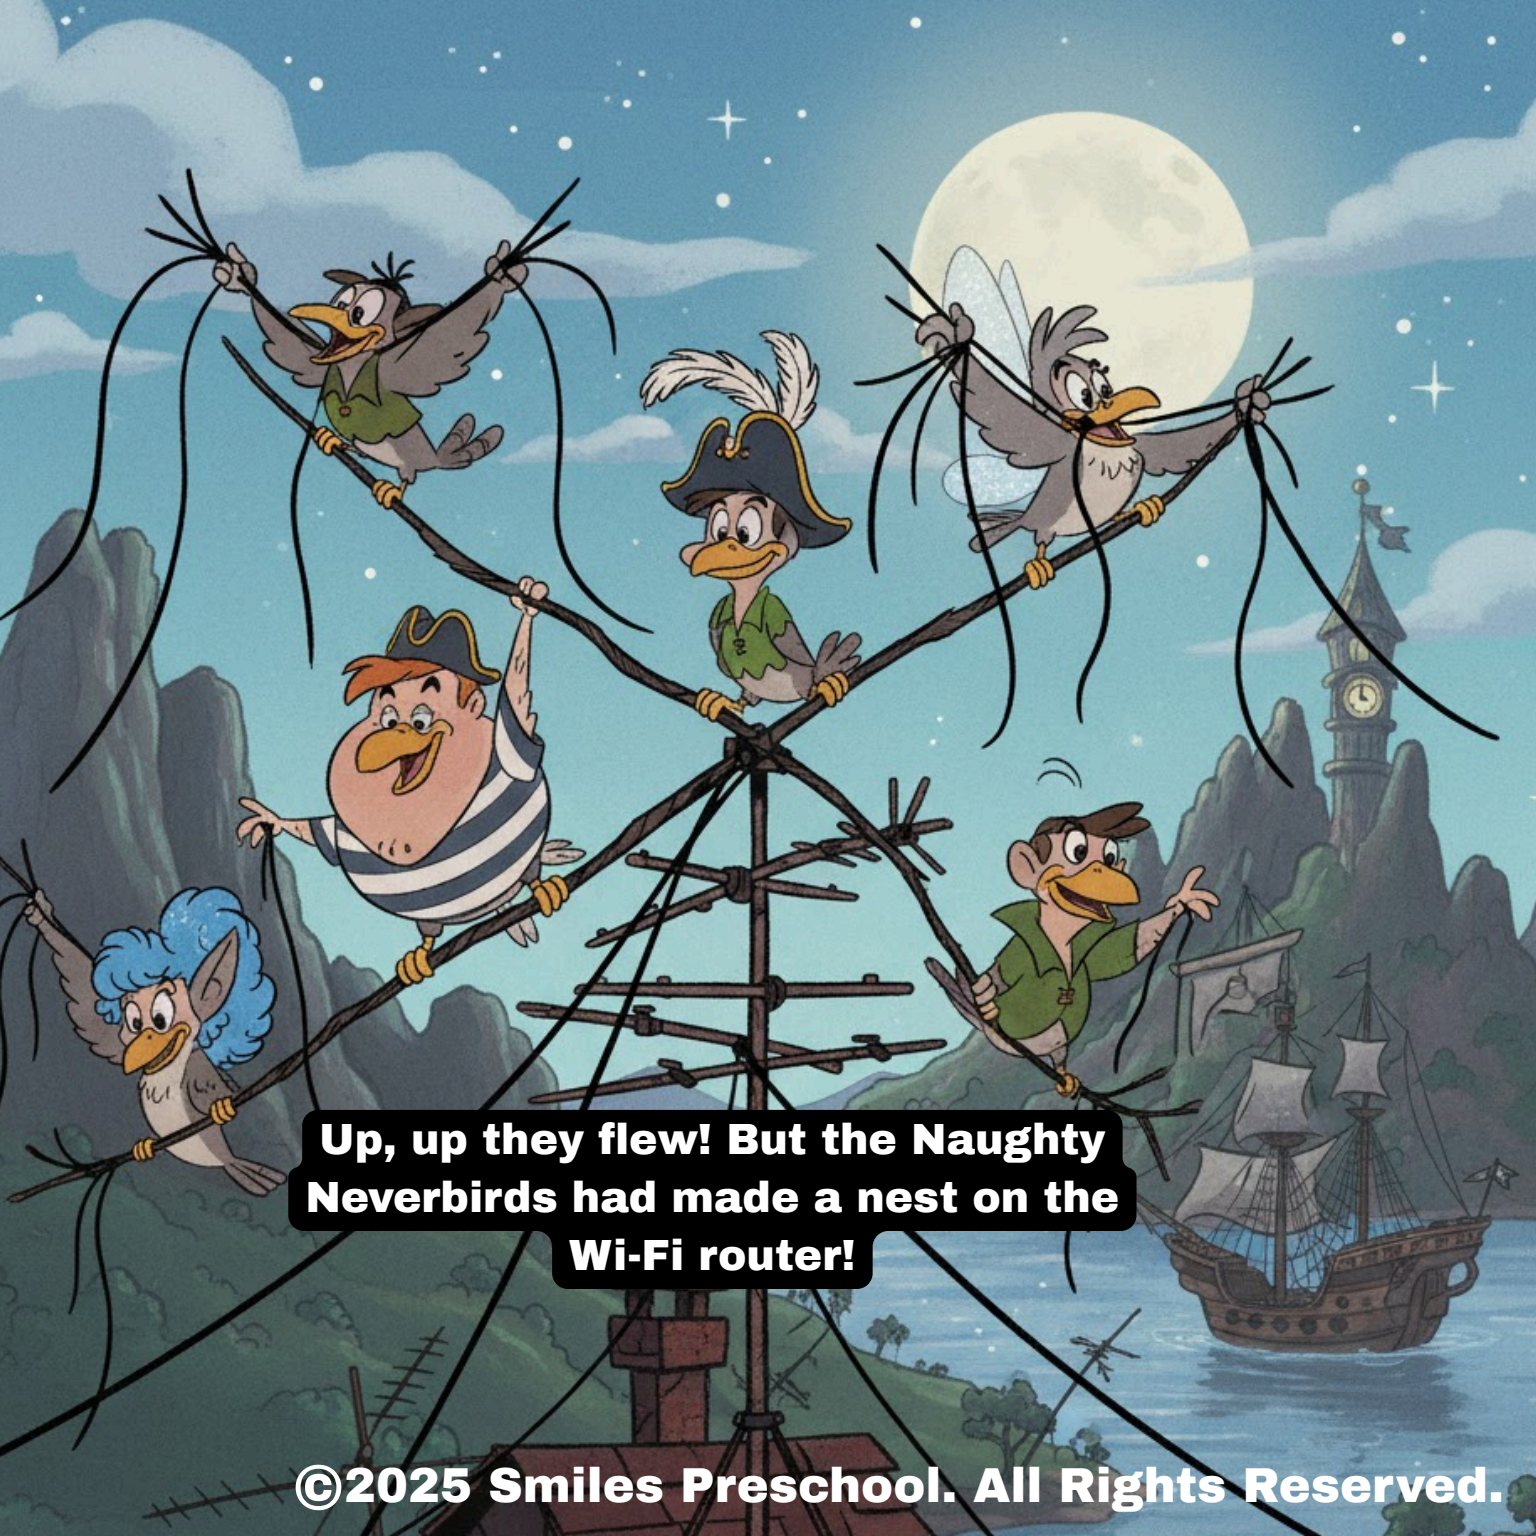

**Smee said, "Maybe the signal  
blew away in the wind,  
Captain!"**

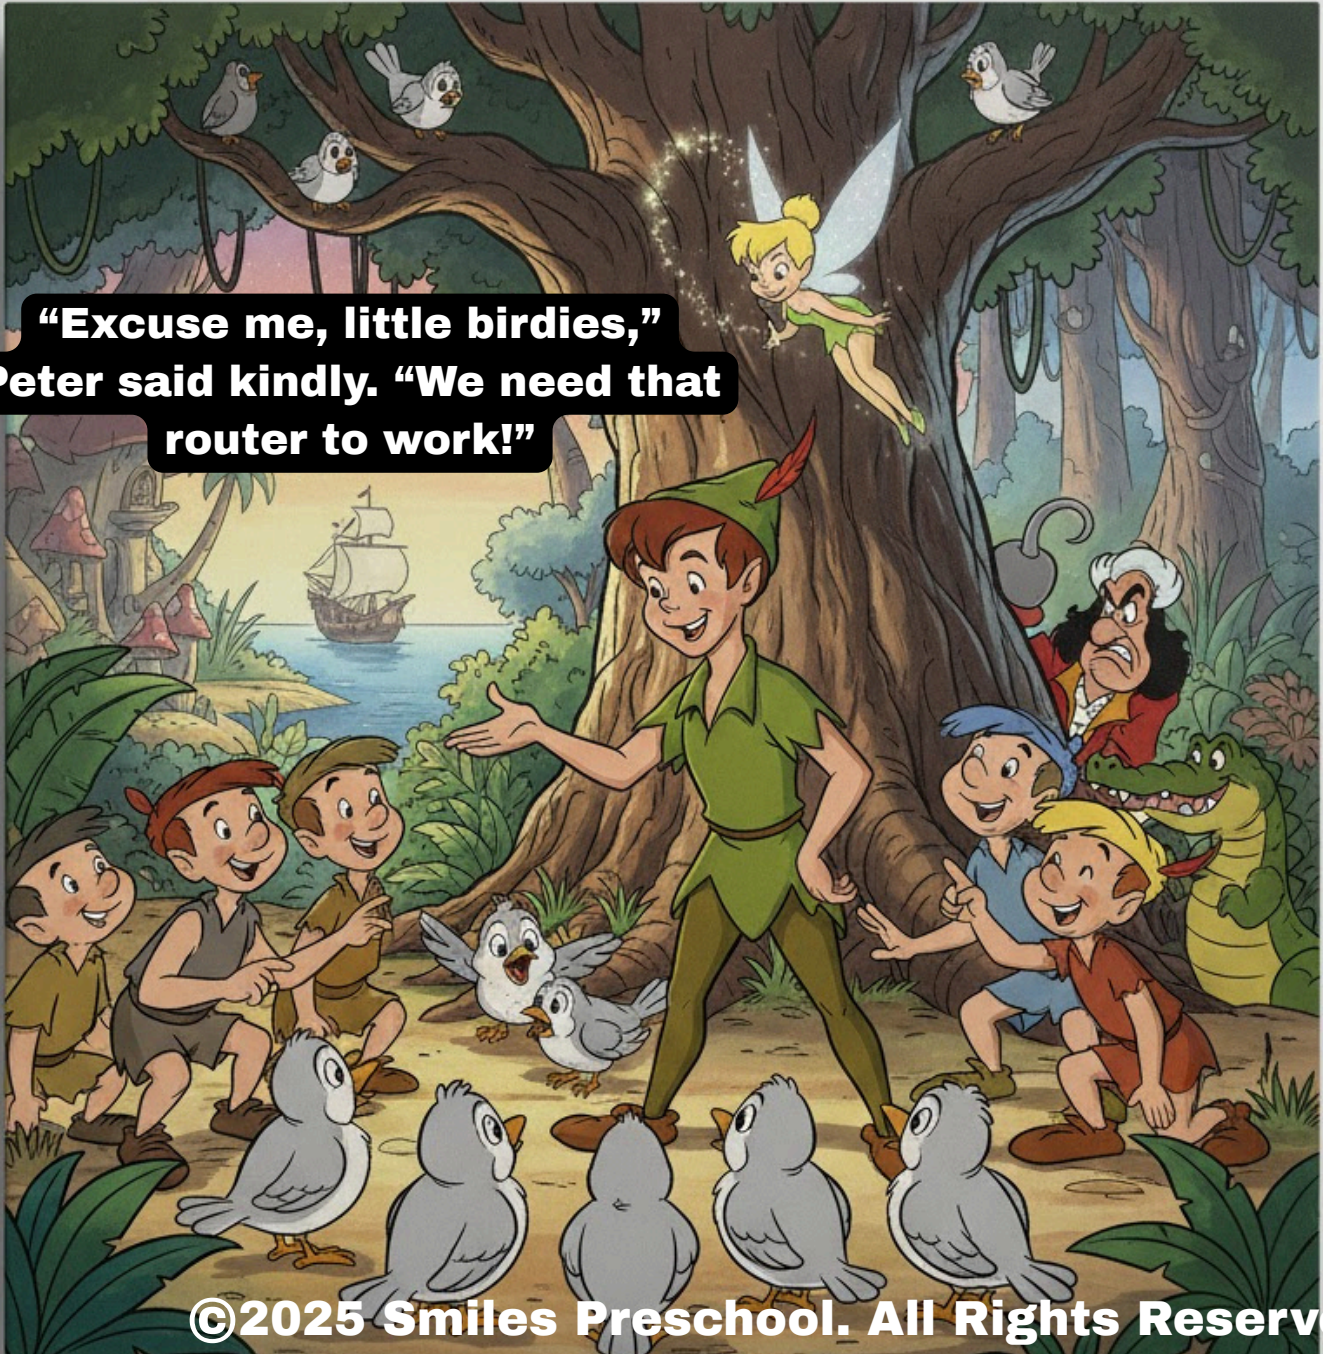

**Peter spotted something blinking on top of a cloud tower. "That's it!"**

**Up, up they flew! But the Naughty Neverbirds had made a nest on the Wi-Fi router!**

**“Excuse me, little birdies,”  
Peter said kindly. “We need that  
router to work!”**

**The birds chirped, "It makes our eggs warm!"**

**Tinkerbell whispered, "Let's build them a new nest!"**

**They placed the nest nearby,  
with a tiny “Wi-Fi friendly”  
sign.**

**Once the router was free, Tink sprinkled some fairy dust on it.**

A vibrant illustration of Peter Pan and the Lost Boys in Neverland. Peter Pan is jumping joyfully in the center, arms outstretched, with a large blue Wi-Fi signal icon above his head. The Lost Boys are running and dancing around a campfire on a beach. Tinker Bell is flying in the sky. In the background, there's a pirate ship, a crocodile, and palm trees under a starry night sky with a crescent moon. Several smaller Wi-Fi signal icons are scattered around the scene, indicating restored connectivity.

**“Signal restored!” shouted Peter. Devices all over Neverland pinged back to life.**

**Captain Hook danced to his pirate tunes again. “Yo-ho-ho, connection strong!”**

**But Peter smiled, "Let's play  
real games too!"**

**They had cloud races, fairy tag, and giggle contests.**

**When night came, Peter said,  
“Imagination is the best signal  
of all!”**

**Tinkerbell winked. "And this one never disconnects!"**
