

Ellie's Big Hug Day

**Ellie woke up smiling.
Today was Hug Day at
school!**

**She put on her pink heart
dress.
It made her feel happy
inside.**

**Her mom gave her a big
morning hug.
"Have a wonderful day!"
said Mom.**

**Colorful balloons floated in
the classroom.
Everyone was excited for
Hug Day!**

**Miss Daisy clapped her hands.
"Let's start with happy hugs!"
she said.**

**Ellie saw her best friend,
Max.**

**They gave each other a
gentle hug.**

**Then Ellie saw shy Mia alone.
Mia was hugging her stuffed
bunny.**

**Ellie walked over and smiled kindly.
"Can I give you a hug?" she asked.**

**Mia nodded and hugged Ellie
softly.
Her smile grew bright and
wide.**

**The whole class began sharing
hugs.
Everyone was laughing
together.**

**Ellie hugged her teacher
next.**

**"Thank you for teaching us
love!" she said.**

**They went outside to the
playground.
The sun was shining warm
and bright.**

**Ellie hugged her friends by
the slide.
They laughed and hugged
her back.**

**She saw a little boy crying
softly.
His red balloon floated
away.**

**Ellie gave him a gentle hug.
“Don't worry, it's okay,”
she said.**

The boy smiled and wiped his
tears.

"Thank you for the hug," he
said.

**Ellie felt warm inside her
heart.
Hugs made everyone feel
better.**

**When school ended,
Ellie waved goodbye.
"Happy Hug Day!" she
shouted.**

**On her walk home, Ellie saw
a puppy.
It was stuck behind a
fence.**

**She helped open the gate
carefully.
The puppy wagged its tail in
thanks.**

The puppy licked her cheek.
"That's your hug!" Ellie
laughed.

**At home, her mom asked,
"How was Hug Day?"
Ellie's eyes sparkled with
joy.**

**She hugged her mom very
tight.
"I shared lots of hugs
today!" she said.**

**Her dad came home and
opened his arms.
Ellie ran straight into his
hug.**

**That night, Ellie hugged her
teddy bear.
Her heart felt warm and
cozy.**

**She whispered,
"I love Hug Day."
Then she closed her sleepy
eyes.**

**In her dreams, she saw her
friends again.
They were all hugging under
the stars.**

**She saw Mia, Max, and the
puppy too.
Everyone smiled and laughed
together.**

The stars whispered softly to Ellie. "Hugs make the world bright," they said.

**Ellie smiled in her sleep.
Her heart was full of
love.**

**Hugs make friends feel safe.
They bring happy hearts
together.**

**Hugs help sad faces
smile.
They make worries go
away.**

**Hugs say,
"I care about you."
They speak without
words.**

**Hugs can be big or
small.
All of them are
special.**

**A hug is like
sunshine. It warms
you up inside.**

**A hug is like a song.
It makes your heart
dance.**

**A hug can fix a
frown.
It turns it upside
down.**

**A hug can share
kindness.
It's love you can feel.**

**A hug can travel
far.
It lives in your
heart.**

**Hugs make the world
soft.
They fill it with care.**

**Hugs help us belong.
They remind us we're
loved.**

**Every hug is a
gift.
It costs nothing at
all.**

**Hugs make friends
closer.
They make days
brighter.**

**Ellie learned to hug
kindly.
She spread smiles all
around.**

**She hugged with love each
day.
Even small hugs felt big.**

**She dreamed of
hugging everyone.
The stars twinkled
yes!**

**The moon smiled at
Ellie.
It sent her a gentle
glow.**

**Ellie whispered, "Thank
you, hugs."
Her heart shined
bright.**

**The world slept
peacefully.
Love filled the night
air.**

**"Happy Hug Day every day,"
Ellie said,
And she hugged her dreams
tight.**
