Dumbo lived in a bright,
smart zoo full of lights and
sounds.

ZOO

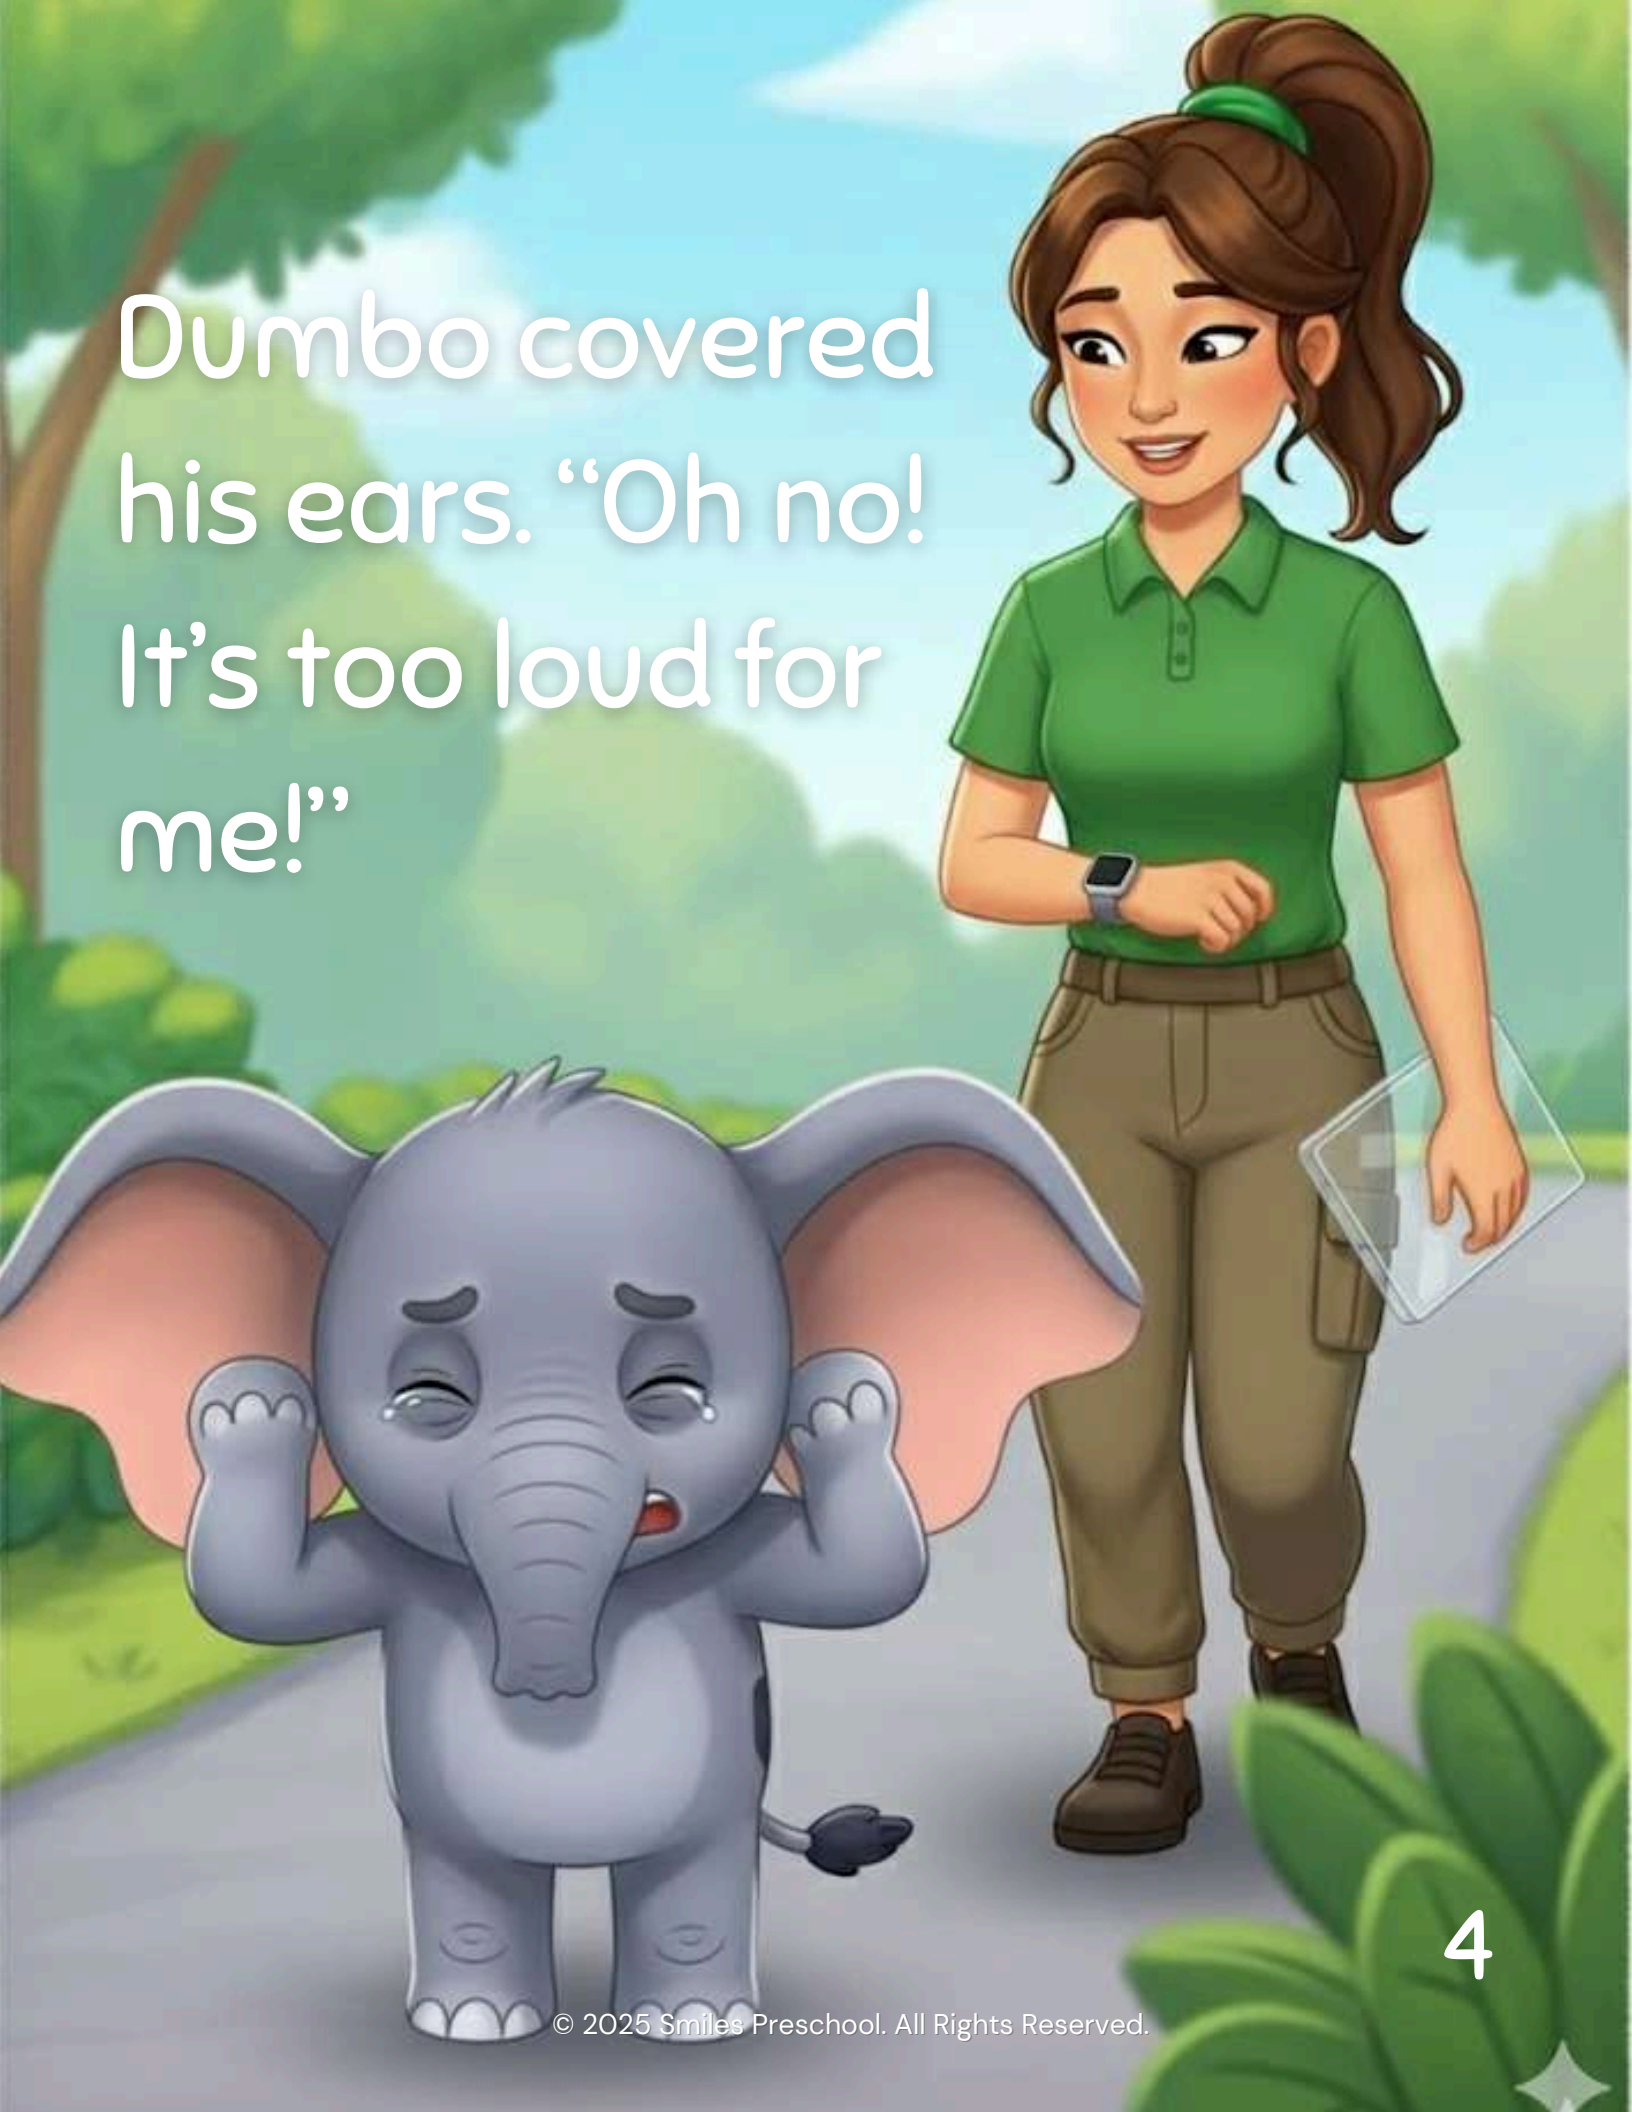

He loved the animals, but sometimes the zoo was too noisy.

The monkeys laughed.
The parrots sang. The
lions roared loudly!

Dumbo covered his ears. “Oh no! It’s too loud for me!”

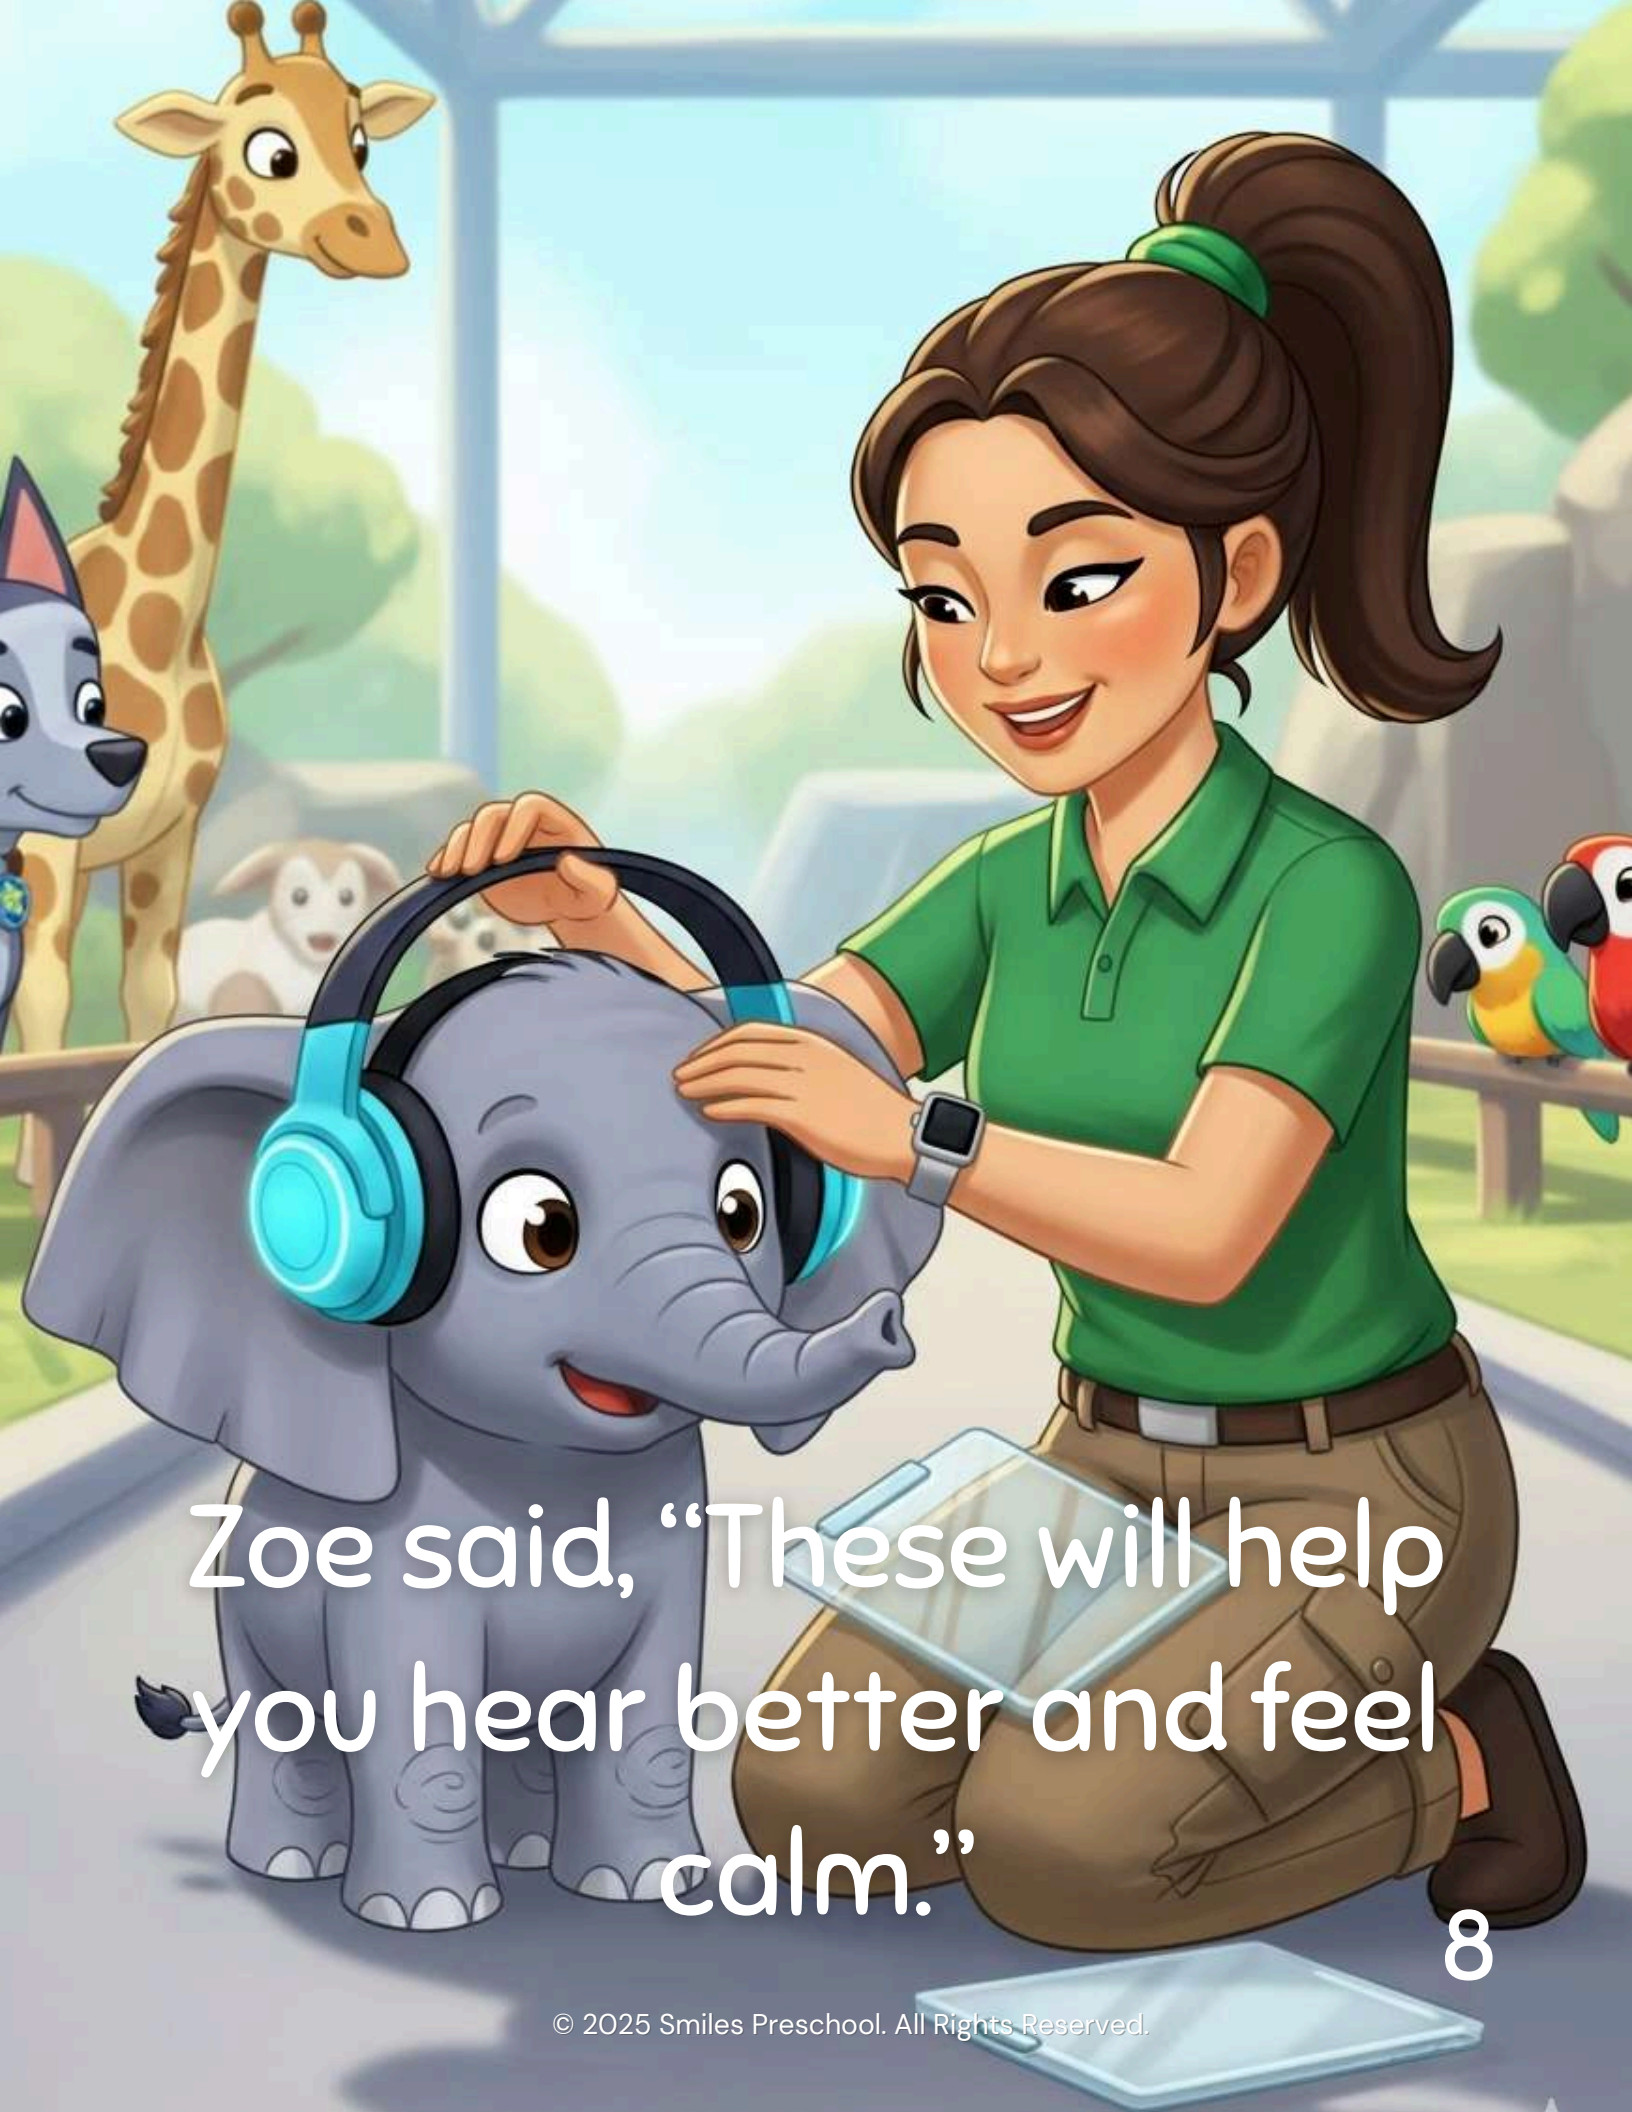

Mama Elephant
hugged him.
“Your ears are
special, my
dear.”

Zookeeper Zoe
came with a
box. "I have
something for
you!"

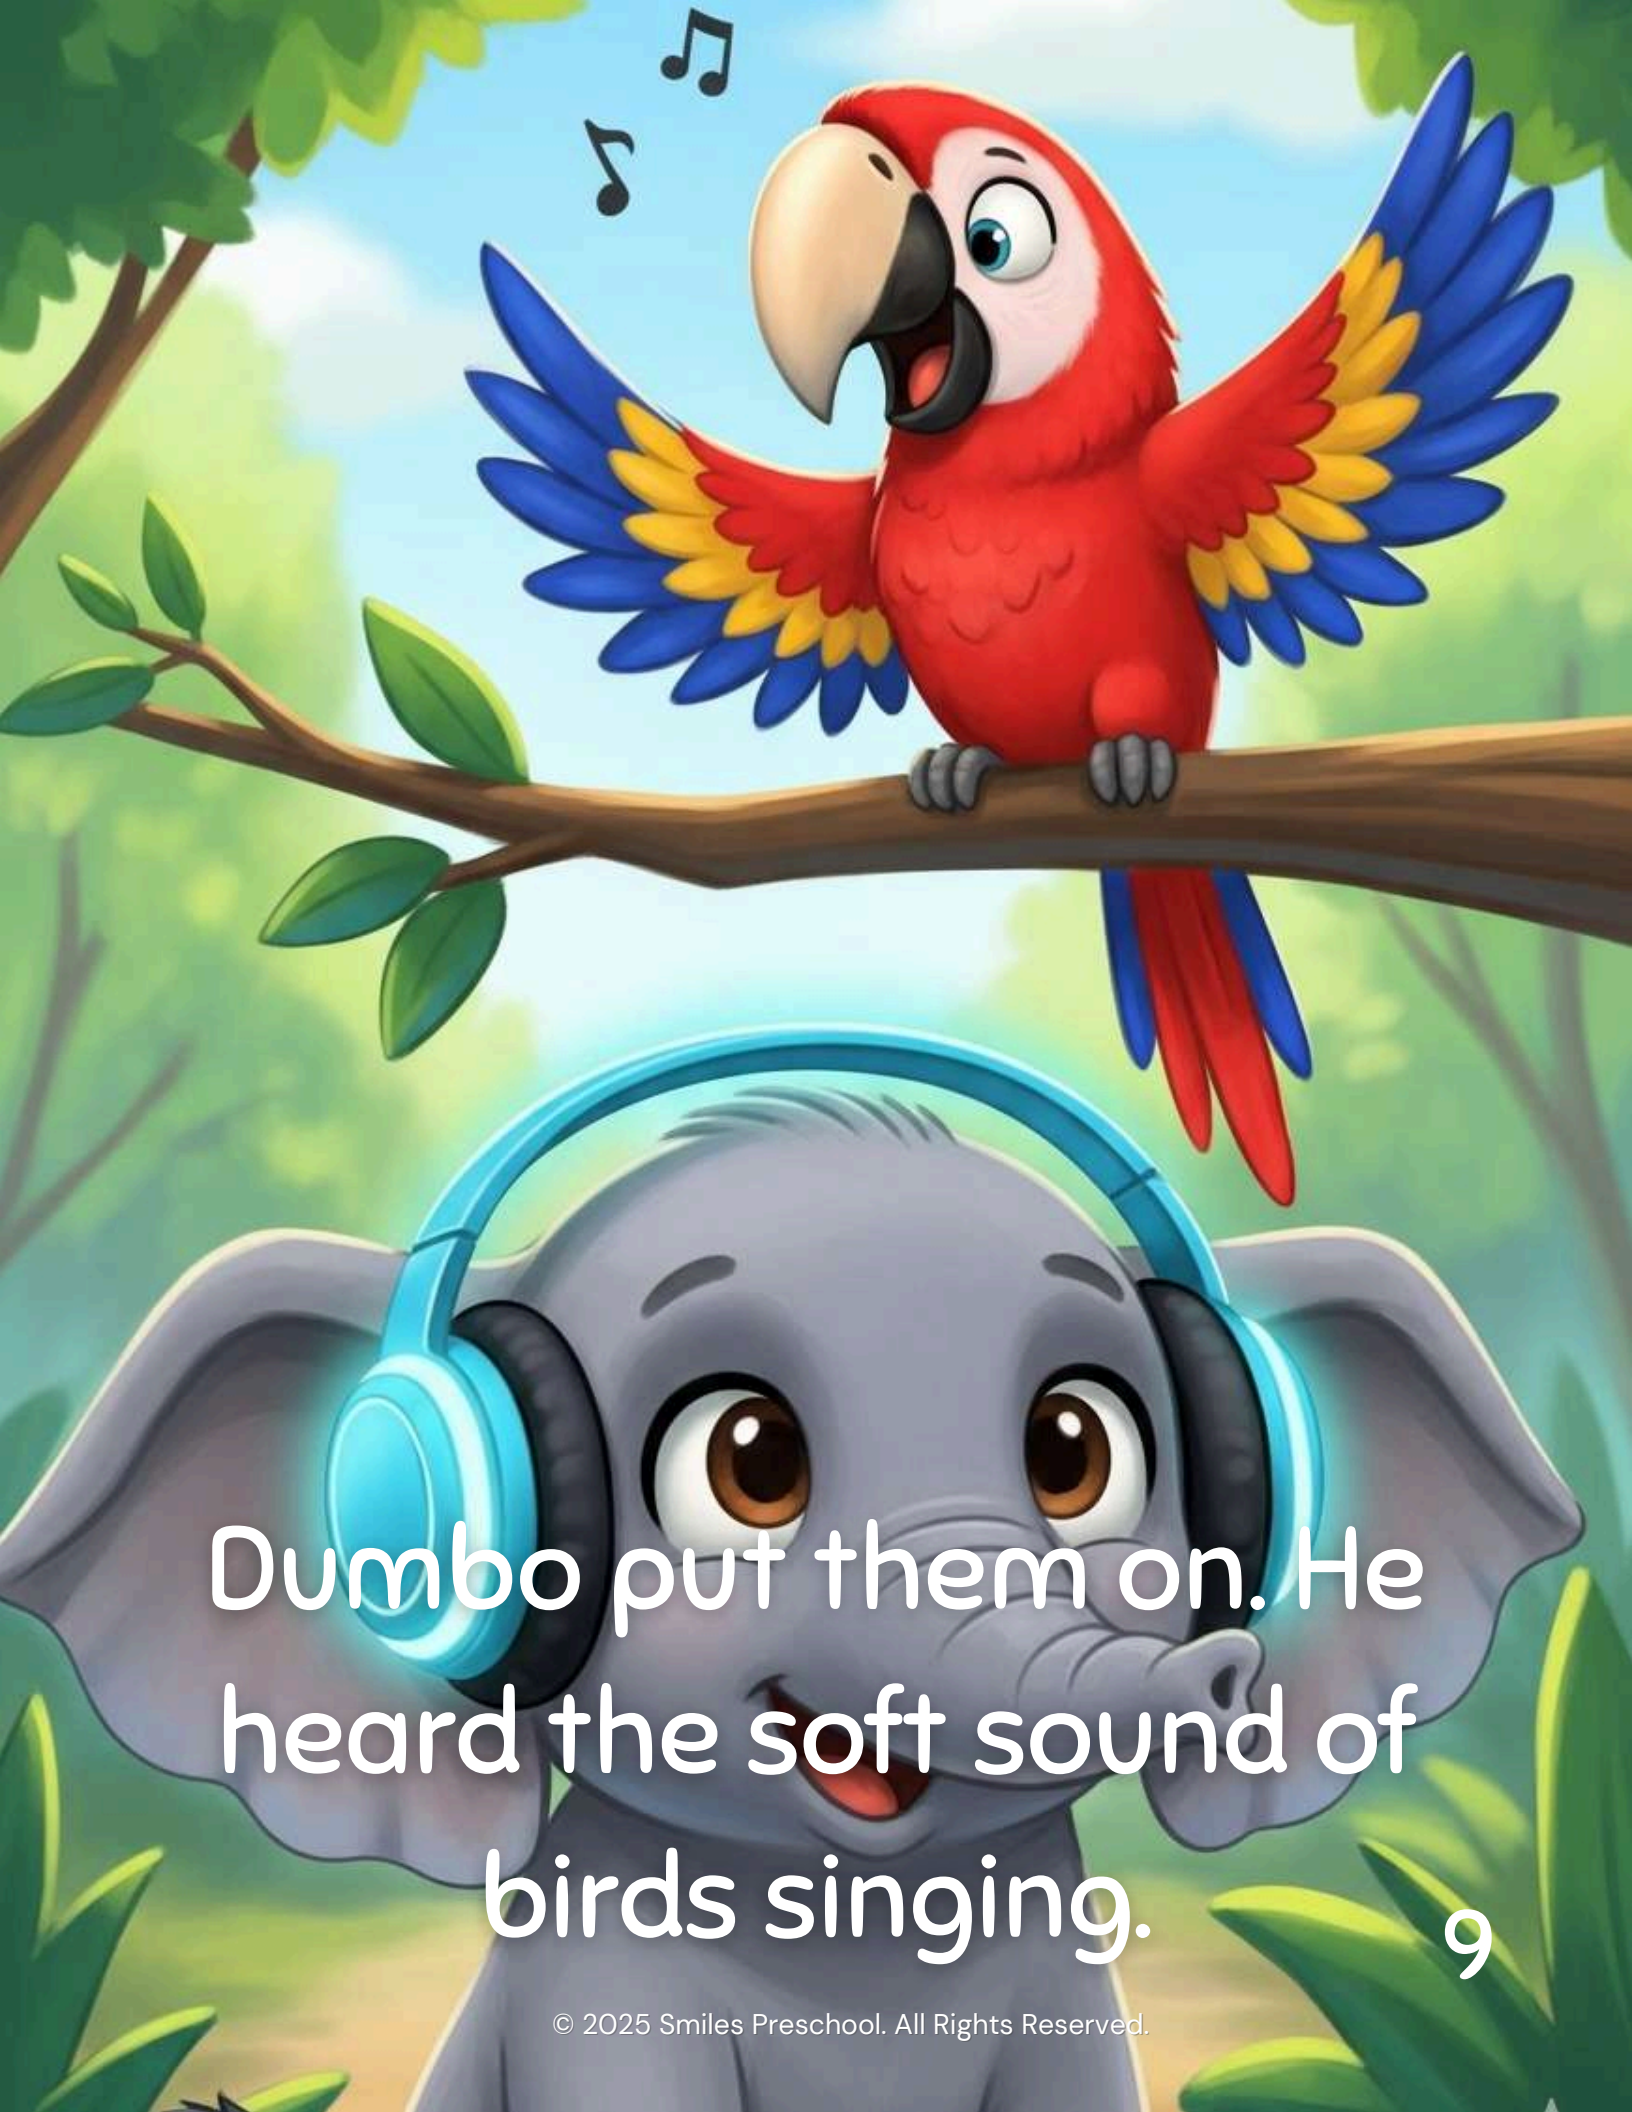

Inside were shiny, glowing
smart headphones just for
Dumbo.

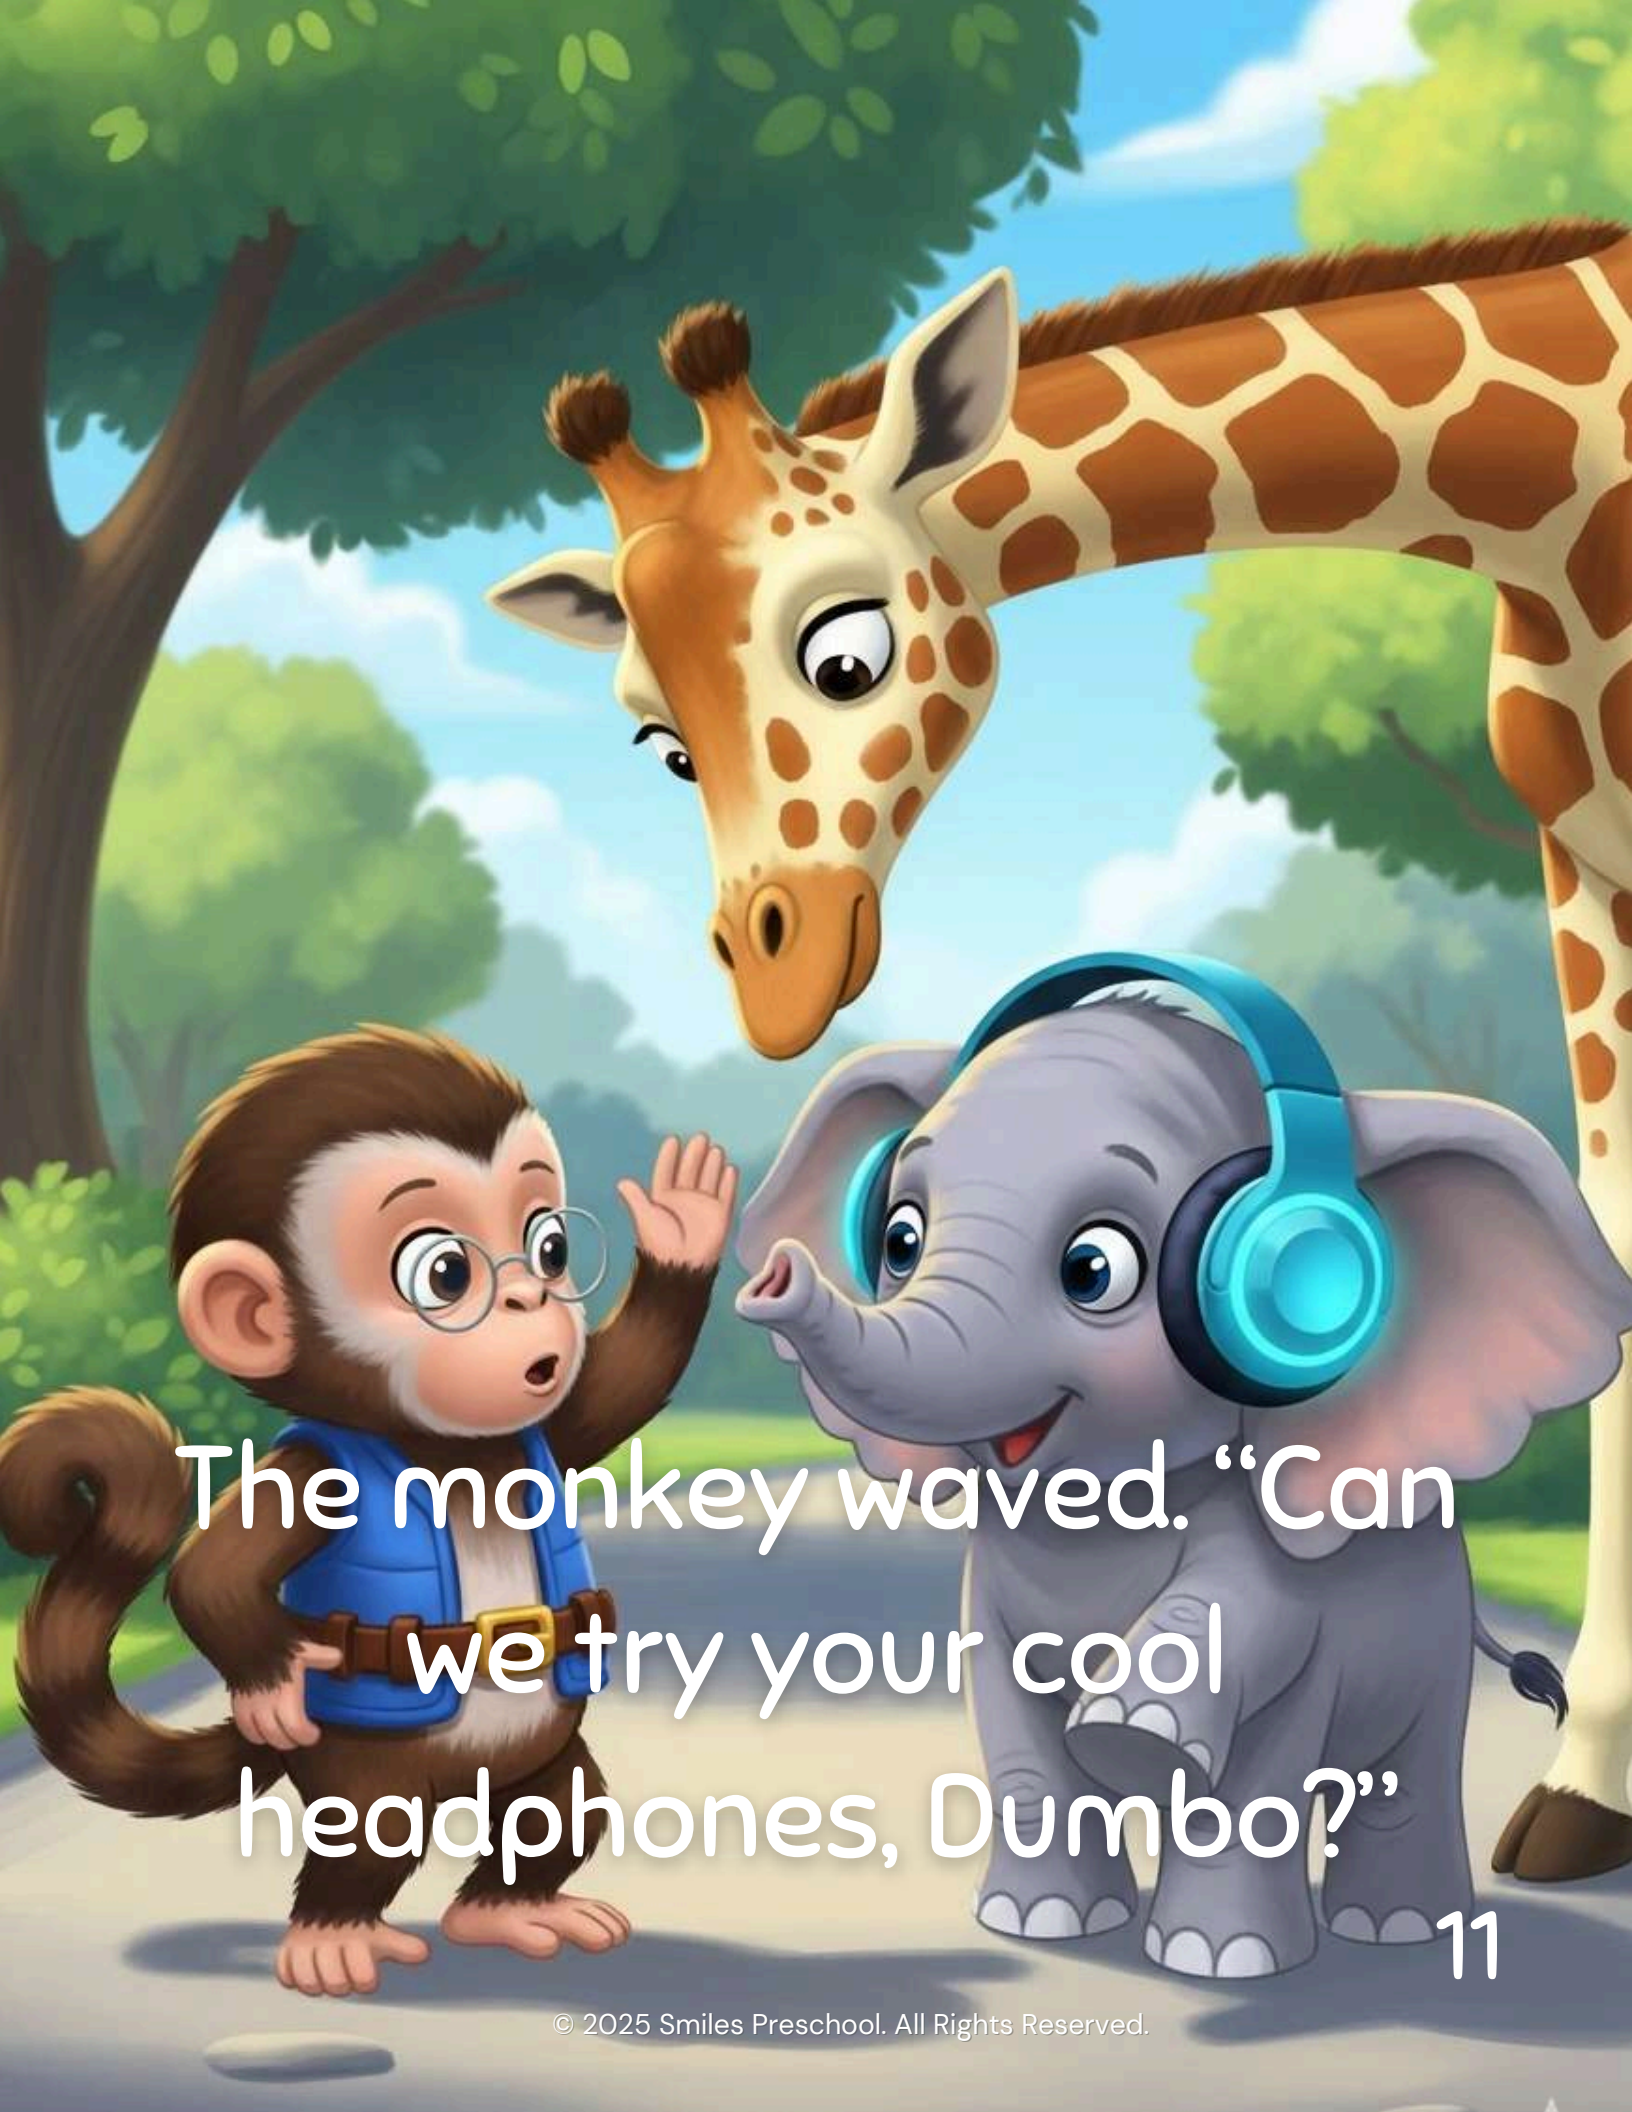

Zoe said, "These will help you hear better and feel calm."

Dumbo put them on. He
heard the soft sound of
birds singing.

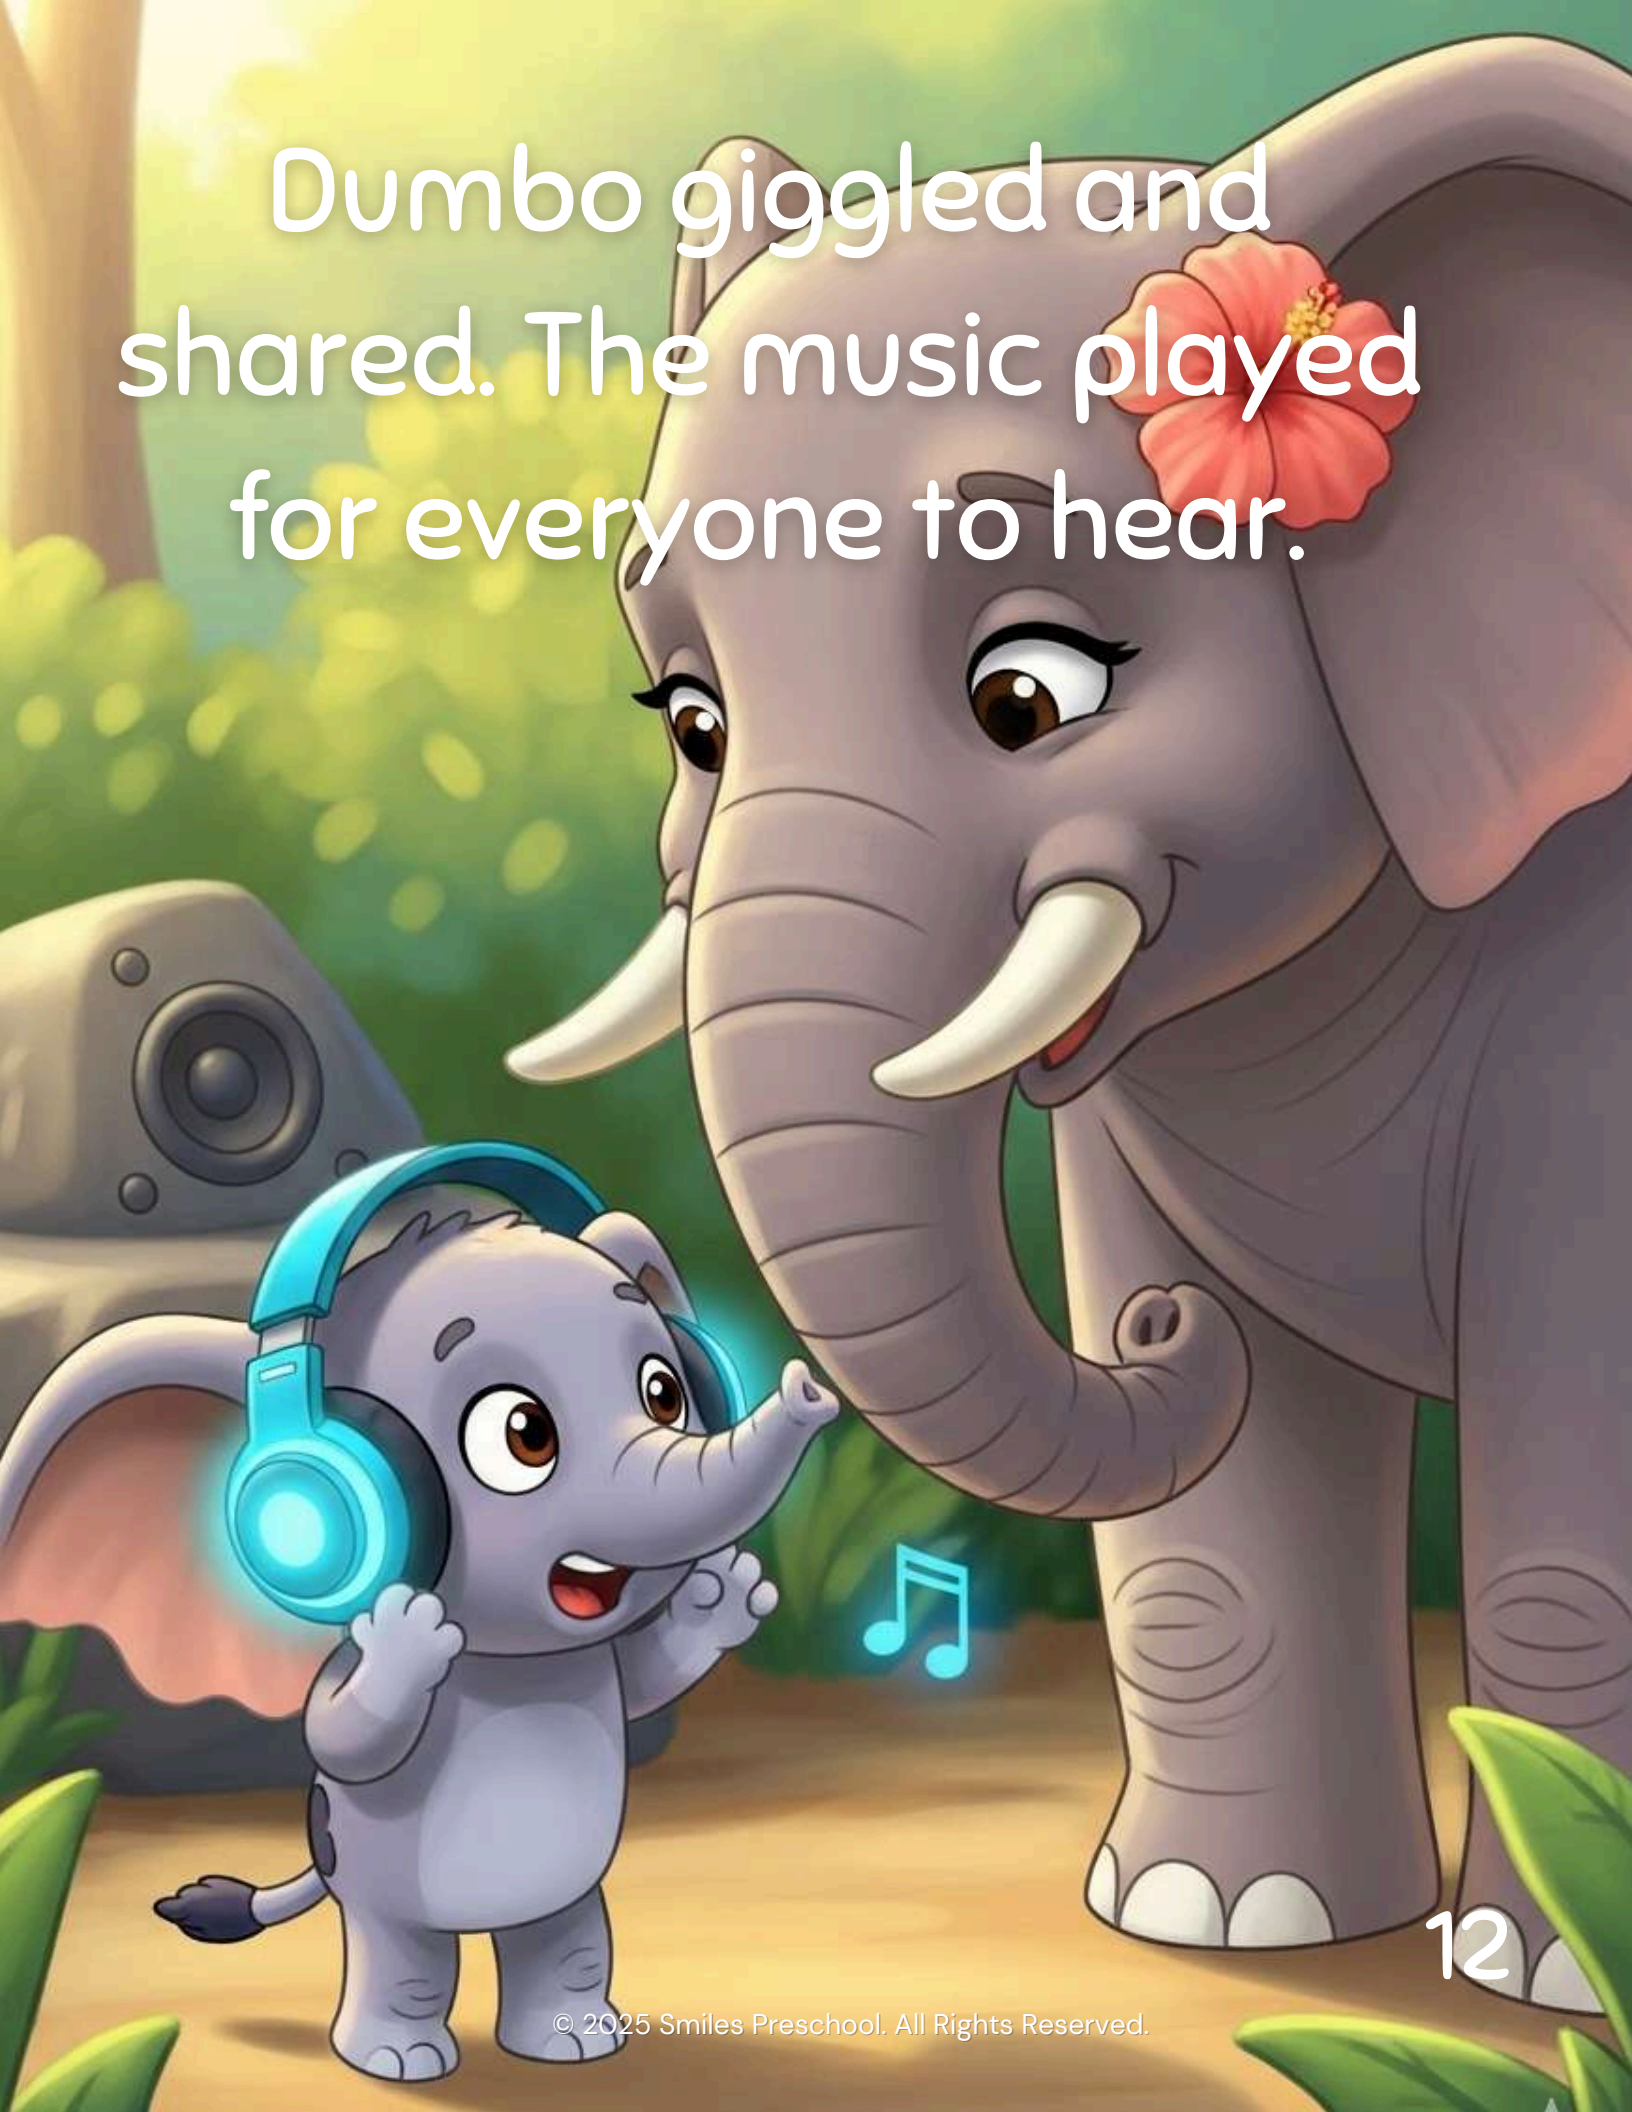

He smiled. "Wow! The zoo sounds beautiful again!"

The monkey waved. “Can we try your cool headphones, Dumbo?”

Dumbo giggled and shared. The music played for everyone to hear.

They danced
together – monkey,
giraffe, parrot, and
Dumbo too!

A vibrant illustration of a woman named Zoe, a zookeeper, smiling warmly. She has brown hair in a high ponytail with a green scrunchie and is wearing a green polo shirt and brown cargo pants. She is holding a tablet in her left hand. The background shows a zoo enclosure with a purple railing and a sunset sky. Several animals are visible: two giraffes, two hippos, and two colorful parrots. The scene is lit with soft, warm light from the setting or rising sun.

Zoe smiled. "Technology helps us, but kindness helps more."

Mama Elephant said, "You
hear with your ears and
your heart."

Dumbo laughed. “Every
sound is special when we
share it!”

Reflection

Why did Dumbo need smart headphones?

How did the headphones help him?

What did Dumbo learn about sharing and kindness?
