

# BEST FRIENDS BONDING

**This book belongs to:**

**Hello!**

**How are you? I made a  
list of things we can do.**

**On a good day,  
we can go out and...**

walk in the park,

**sit in the shade,**

**and stroll in our favorite spot.**

**Depending on  
the weather,  
we can...**

cool down with a  
splash of water,

stretch to make  
snow angels,

hike on a hill,

or just hang out  
and eat snacks.

**If we have to stay in,  
we'll take turns to visit  
and we can...**

put on a play,

# listen to music,

or sing our favorite songs!

# We can work on crafts

try new tastes,

or just find something  
to celebrate.

Maybe we'll have  
a sleepover, too.

**We can end the day  
with warm milk and  
a bubble bath.**

**Then, say good  
night...**

and snooze at last!
