Ava is soft and fluffy  
**ALPACA**

her favorite color is  
**RED!**

She has a happy smile and  
**FOUR LEGS!**

and she wears  
**RED RIBBON**  
on her neck!

“How pretty!”  
Ava said

One day, Ava saw  
**RED ROSES**  
by the fence.

She sniffed the  
rose and smiled.

“These  
**RED ROSES**  
smell so good!”

While walking, Ava found

**A RED APPLE**

under the tree.

“Yum!” said Ava.

“My favorite color  
and snack!”

Her friend, Alex the Armadillo, came to say hello.

“Wow, Ava! I like your **RED RIBBON!**”  
Alex said

“Thank you!” said Ava proudly.

A vibrant, cartoon-style illustration of a scene. On the left, a large tree with a thick brown trunk and lush green foliage is laden with several bright red apples. A red butterfly with black spots is perched on one of the apples. In the center, a white sheep with a pink bow around its neck and a blue patterned blanket on its back is lying in a field of green grass. To the right of the sheep, an armadillo is walking towards the left, with a red butterfly flying just above its head. The sky is a light blue color, and several other butterflies in various colors (red, orange, pink) are scattered throughout the scene. The overall style is bright and cheerful, suitable for a children's educational or storybook page.

They both watched  
**RED BUTTERFLIES**  
flying around.

Ava felt so happy and  
twirled in the grass.

“Red is the color of **LOVE,**”

Ava said

Alex clapped his tiny  
paws and agreed.

The sun began to set, painting the sky red and orange.

“What a beautiful **RED DAY!**” Ava said.
