

# TINA the TURTLE'S TIME CAPSULE

Tina loved saving little treasures like shells and photos.

Her teacher said, "Let's make a time capsule!"

Tina added her favorite  
friendship bracelet.

Her friends added drawings,  
dreams, and tiny toys.

They buried it under the old oak tree.

Years later, they dug it up together.

The bracelet still shone  
brightly in sunlight.

“Look how far we’ve come!”  
said Tina proudly.

They promised to keep  
making good memories.

Time may pass, but  
friendship stays. THE END.
