*Pinocchio just got his first talking tablet!
It could answer questions, play songs, and even tell jokes.
“Wow! This is amazing!” said Pinocchio.*

*The tablet showed a list of toys and games.
Pinocchio clicked "BUY" without asking his teacher.
"Oh no!" said the Blue Fairy. "Did you read the reviews
first?"*

*The toy arrived the next day. It looked shiny and fun!
But when Pinocchio played, it broke right away.
“Oh dear,” sighed Pinocchio. “I should’ve read the reviews.”*

*Pinocchio wanted to help other kids.
He opened the app and wrote:
“The toy looks nice but breaks easily. Be careful!”*

The Blue Fairy smiled. "I'm proud of you!" she said. Pinocchio's nose didn't grow – it even looked smaller! "That's what truth does," said the Fairy. "It makes you shine!"

The app showed Pinocchio's review with ★★☆☆
Other kids thanked him for being honest.
He smiled and said, "Honesty gets five stars from me!"

*Pinocchio shared his story at preschool.
His friends learned how to write kind reviews too.
Everyone shouted, "Honest reviews only!"*

*Pinocchio's tablet said, "New message!"
It was from the Blue Fairy:
"You've earned your Digital Honesty Badge!"*
