

Leo and the Magic Juice Box

Leo had a rainbow juice
box that sparkled
magically.

His friends watched,
thirsty and amazed.

He thought for a moment, then smiled.

Let's all
have a sip!

“Let's all have a sip!” he
said.

The juice box never ran out!

Everyone's cups filled
with giggles and color.

The teacher said,
“Sharing makes the
world magical.”

Leo learned happiness
grows when you give.

The juice tasted even
sweeter than before!

Their laughter made the
playground shine
brighter. THE END.
