Ben was a small red balloon who loved to float high in the sky.

He wanted to go far, far away
to see the whole wide world.

As Ben floated higher, he saw his friends waving from the ground.

Ben felt proud but also a little bit lonely up so high.

Suddenly, the wind blew too strongly,
and Ben wobbled and shook.

He wished he had stayed closer to his friends who cared for him.

A kind bird swooped down and helped guide Ben safely lower.

Back on the ground, Ben's friends cheered and hugged him.

Ben learned that exploring is fun, but
being safe with friends is better.

From then on, Ben floated happily, never
too far from those he loved.

THE END.
