

Dani's December Doll

**One December morning, Dani woke up and ran to the
Decorated christmas tree
under the tree she saw a big box with a Dazzling red
bow**

She opened it and shouted,

A doll!

the doll had blue jumper and red hair

Thank you, Daddy! Thank you Mommy! Dani said with a big smile

Dani is delighted and deeply thankful to her parents

That day, Dani decided to show her doll to her dog, Dexter

Look, Dexter! This is my new doll. I will name her Daisy!

Later, Dani took her doll outside. She placed the doll in a dollhouse by the door.

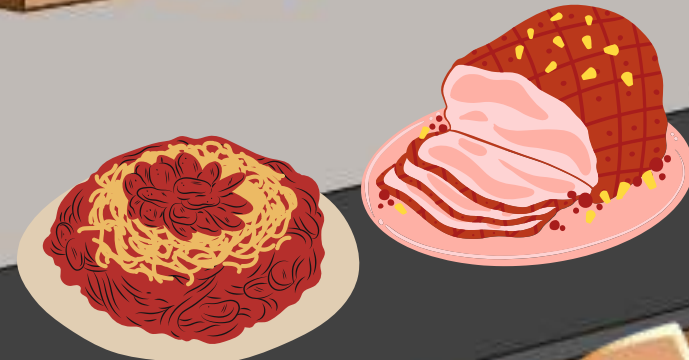

She decorated the dollhouse with drawings she made herself

They play outside for the whole day.

Her doll was so dear to her heart.

At dinner, Dani told her family,

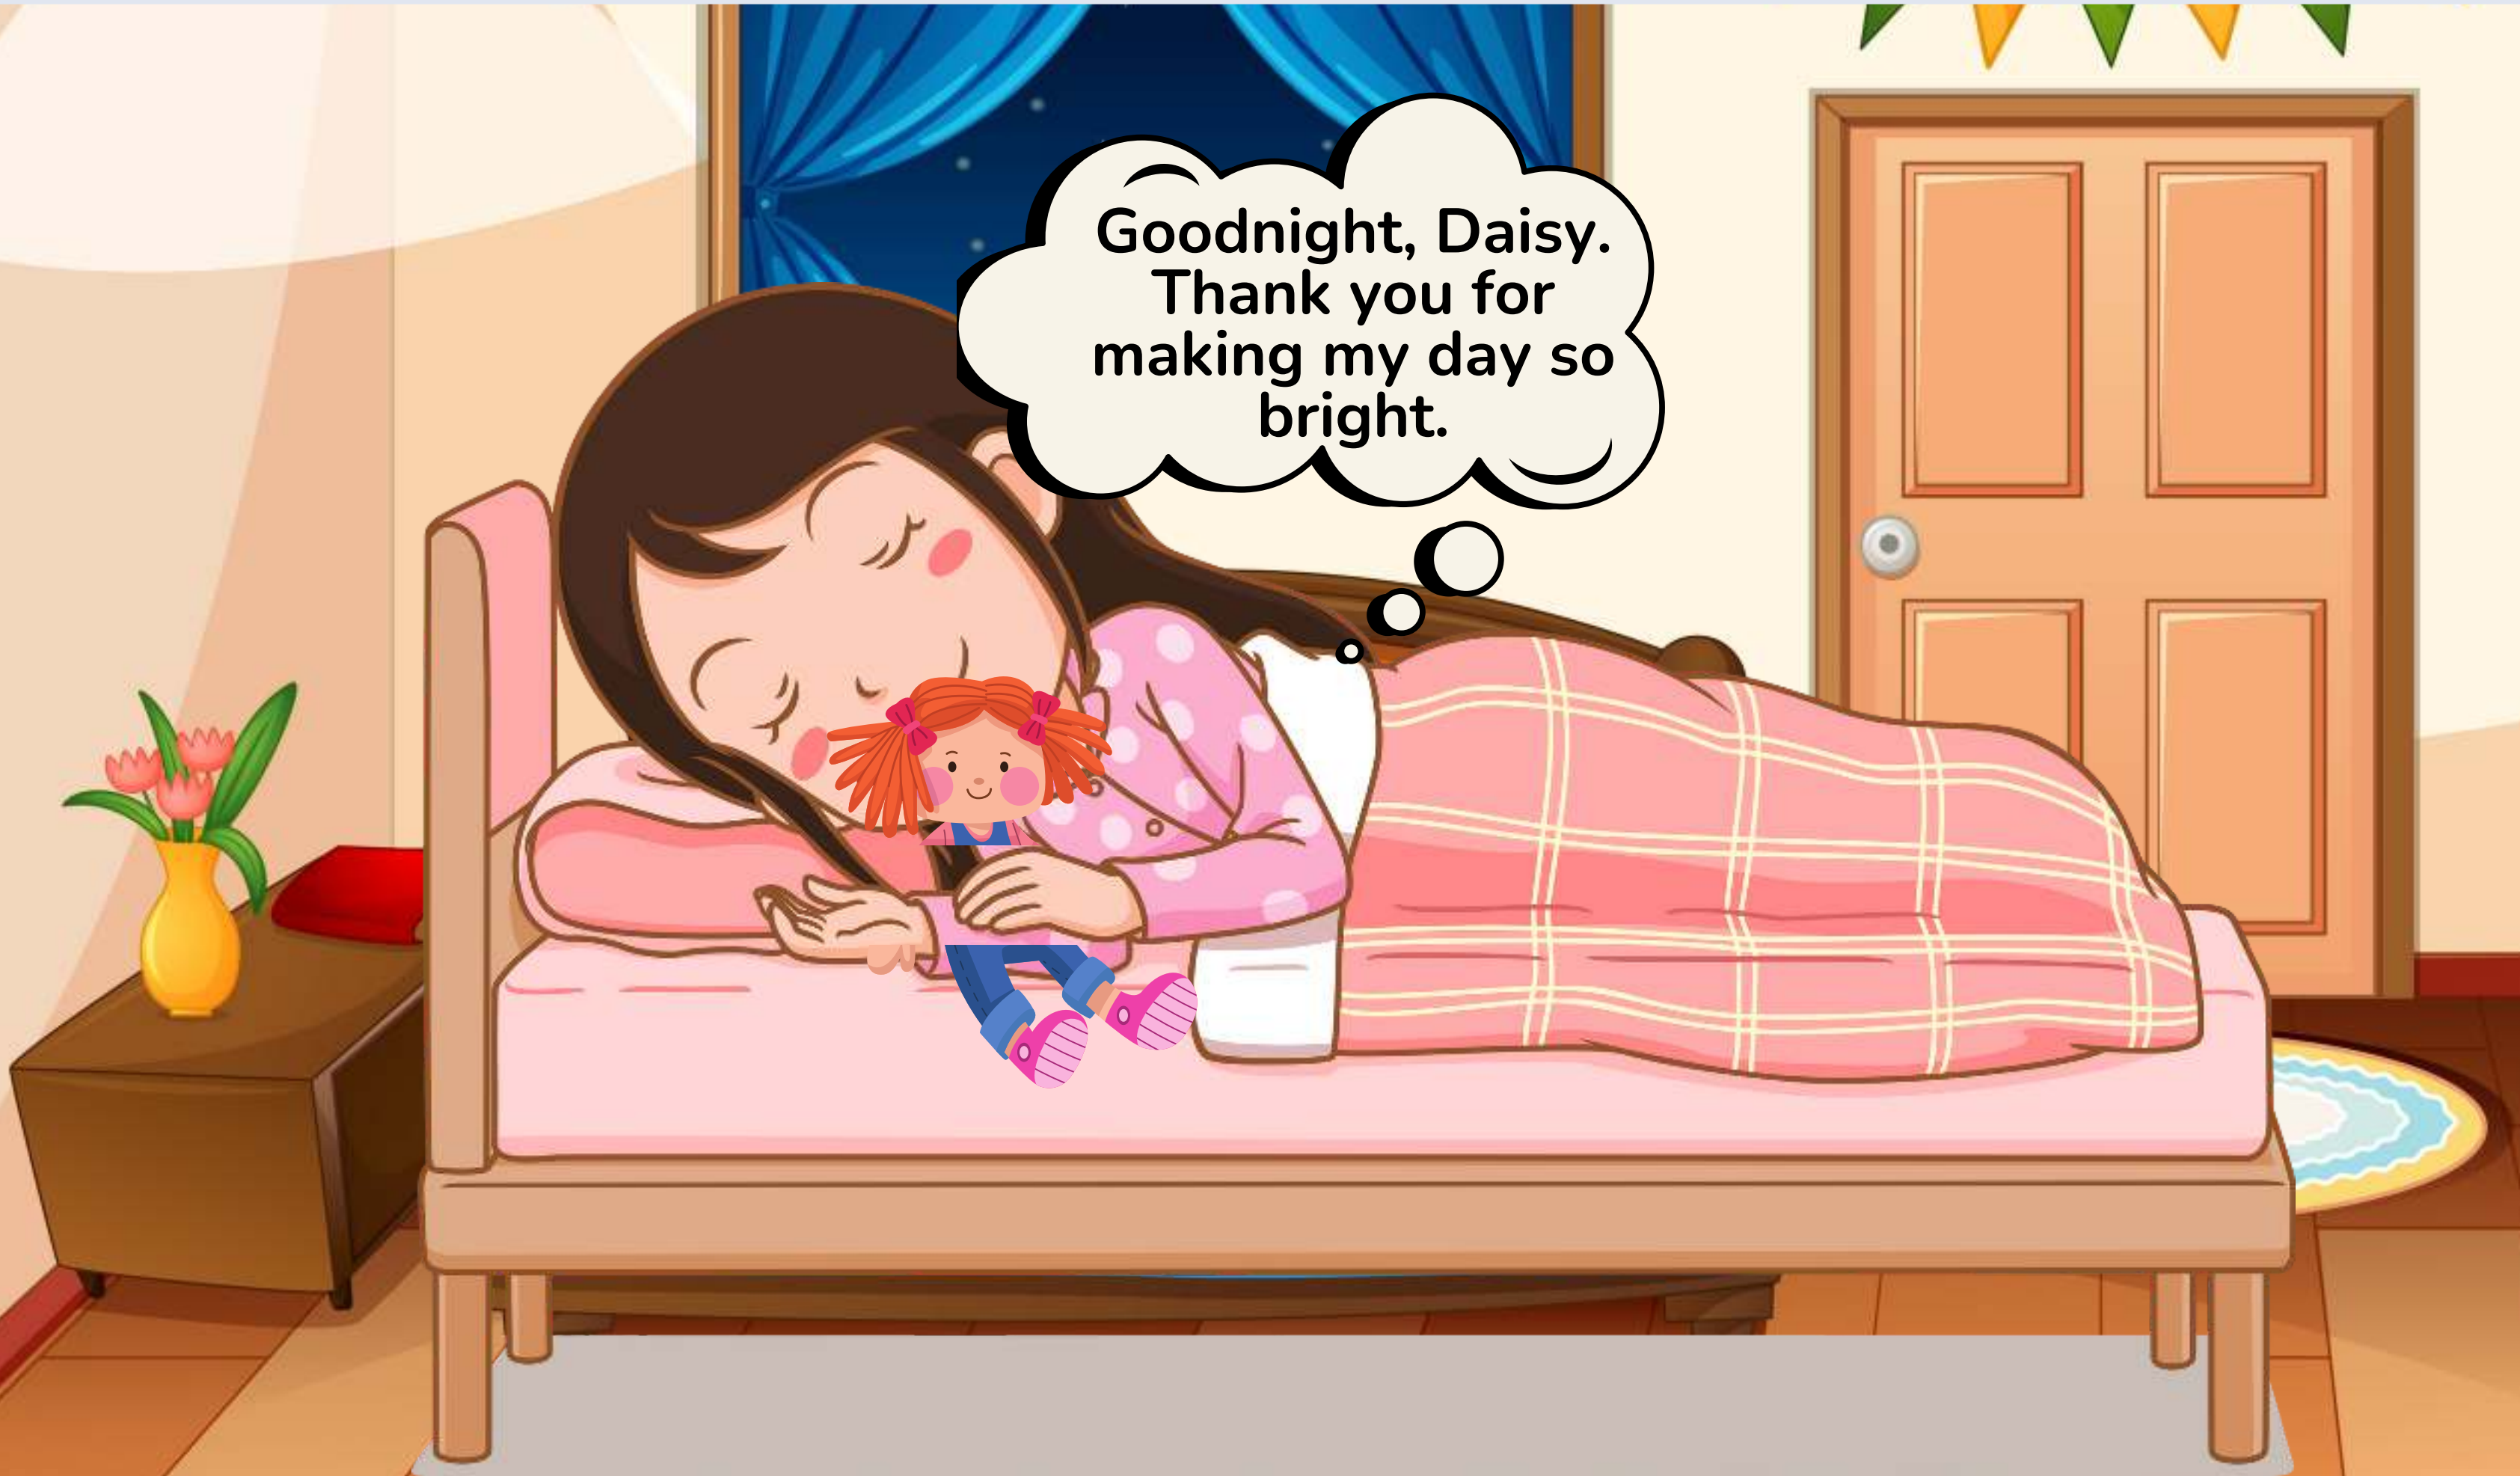

Thank you Daddy and Mommy to make my dream come true! I will take care of my doll every day!

Her Daddy smile and said, "When we appreciate our gifts, they bring us even more joy."

That night, Dani tucked her doll into bed and whispered,

Goodnight, Daisy.
Thank you for
making my day so
bright.
