

Ella and the Friendly Alien

A young girl with curly brown hair, wearing a purple space suit, stands on a wooden platform in her backyard at night. She is looking with wide eyes at a small, glowing blue UFO with a ladder extended, which is emitting a soft blue light. The UFO is on a grassy lawn with small flowers. In the background, there is a wooden fence and a house with lit windows. The sky is dark blue with stars, a crescent moon, and a planet with rings. A text box with a gold border is positioned in the upper right, containing the text: "One night, Ella saw a tiny spaceship land in her backyard."

One night, Ella saw a tiny spaceship land in her backyard.

Out popped a glowing green alien named Zipp.

“Hello, Earth Friend!” he said
with a smile.

Hello, Earth
Friend!

Ella blinked — she had never met
someone like him.

Hello, Earth
Friend!

Zipp didn't know how to use
Earth gadgets.

Ella taught him how to take selfies and video call.

Zipp taught her to send stars in bottles.

They laughed and learned from each other.

“Different means special,” said
Ella.

**Different
means special.**

They waved goodbye under a sky full of shared stars. THE END.
