

# Sophie and the Giggling Shoes

**It was a sunny morning.  
Sophie looked at her new shoes –  
bright blue with yellow stars.**

**“They’re called Giggly Steps!” said Mom. “They  
laugh when you walk!”  
Sophie giggled. “That’s silly! Shoes don’t  
laugh!”**

But when Sophie stood up and  
took one tiny step...  
Hee-hee! Ha-ha! Tee-hee!  
went her shoes!

**Sophie froze. "Did... did my shoes just  
giggle?"  
Her shoes wiggled their laces and  
giggled again!**

**“Okay,” said Sophie, grinning. “Let’s see what you can do!”**  
**She stomped – the shoes snorted with laughter!**

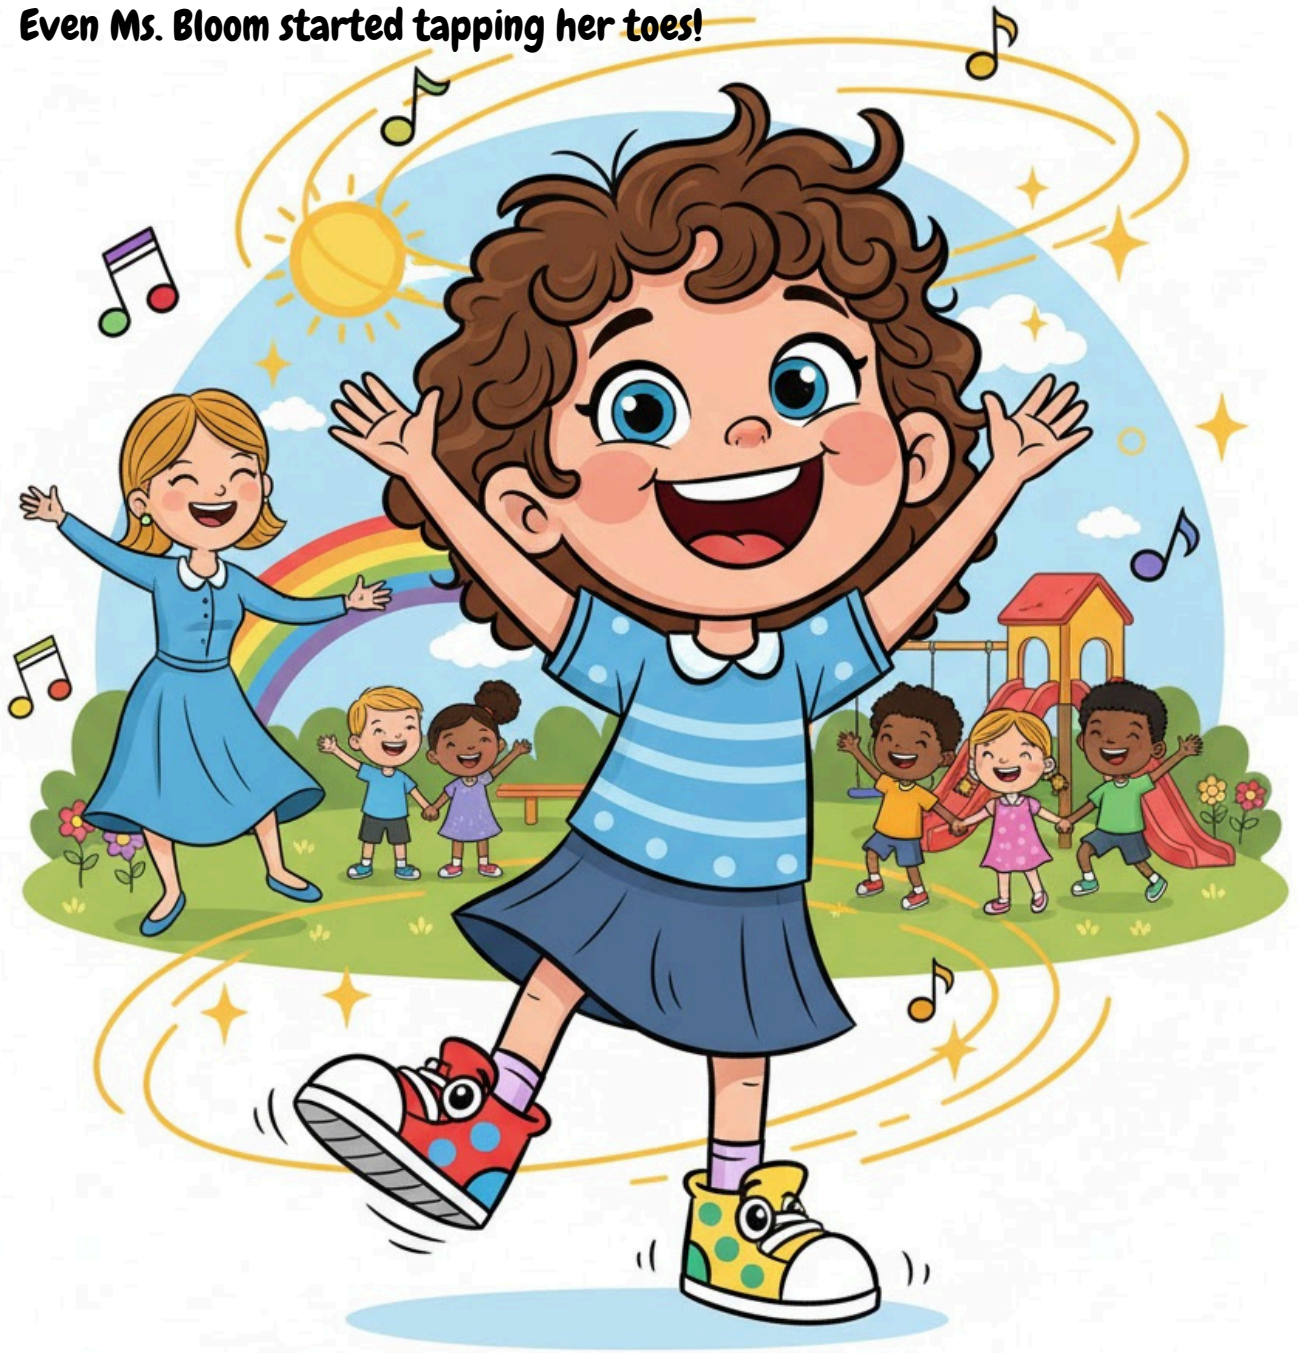

At preschool, her friends ran to see.  
“Whoa! Your shoes are laughing!” shouted Max.

**"They giggle when I move!" said Sophie proudly.  
"Let's dance!"**

**The whole classroom filled with laughter and music.  
Even Ms. Bloom started tapping her toes!**

**But soon, the shoes giggled so hard they bounced away!  
“Hey! Come back!” Sophie laughed.**

Ha!

Ha Ha!

Out on the playground, the shoes  
jumped on the slide –  
Whee! Tee-hee! they squealed!

HA  
HA HA!

HA!

They leapt onto the swings and started to swing themselves! Sophie clapped. "You're the silliest shoes ever!"

Then came a big gust of wind – WHOOSH!  
One shoe rolled across the grass!

Sophie ran after it. "Don't worry! I'll catch you!"

The shoe wobbled, giggled, and stopped just in time.

**“Phew!” said Sophie. “Even funny shoes need to rest sometimes.”**

**The shoes sighed happily – hee-hee...**

At nap time, Sophie tucked them  
beside her mat.  
“Sleep well, giggly ones,” she  
whispered.

When she woke up, they were quiet – for now.  
Ms. Bloom smiled. “I think your shoes had a  
busy morning!”

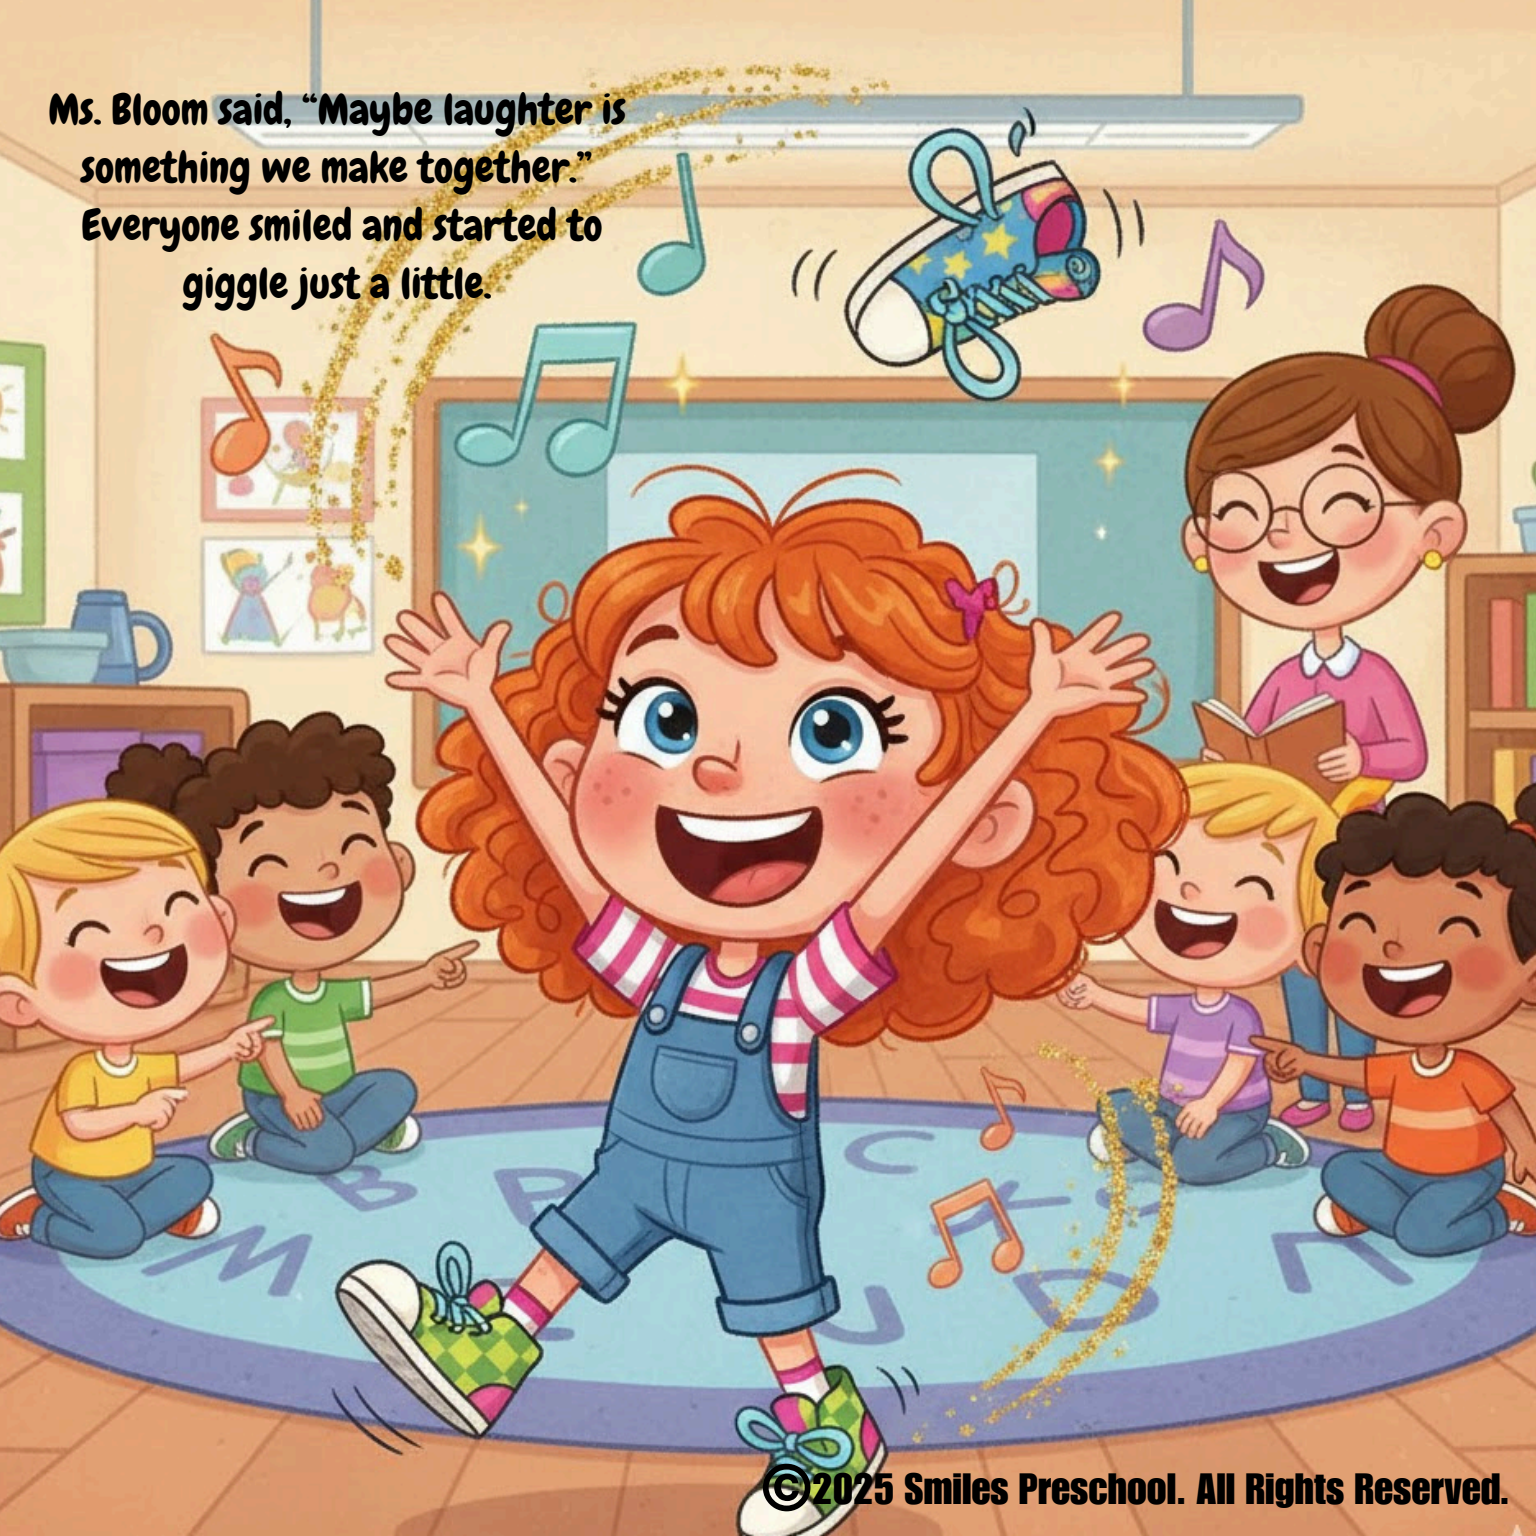

At circle time, Sophie shared her story.  
"My shoes love to laugh, but they also love to move!"

Max said, "I wish my backpack could giggle!"  
Luna added, "Or my hat!"

Ms. Bloom said, "Maybe laughter is something we make together."  
Everyone smiled and started to giggle just a little.

The shoes twitched – and then burst into laughter again!  
HA-HA! TEE-HEE-HEE!

# HAPPY CLASSROOM ADVENTURES!

Soon, everyone was giggling so hard  
their tummies hurt!  
Even the goldfish seemed to smile.

**At the end of the day, Sophie whispered,  
“Thank you for making everyone laugh.”**

Her shoes wiggled softly – just one little “hee-hee.”  
It sounded like “You’re welcome.”

**On the way home, Sophie  
walked slowly,  
listening to every soft giggle  
beneath her feet.**

Join Sophie and her silly, giggly shoes in a story about laughter,  
movement, and finding joy in every step.
