

ALBIE AND FRIENDS AMAZING HALLOWEEN

Albie the Alligator loved
Halloween

He was excited to wear his
new astronaut costume.

"A is for Albie! A is for Astronaut!" he said proudly

His best friends, Abby the Ant and Alan the Armadillo, came to play.

"Let's go trick-or-treating!" Albie said
Abby smiled, but Alan looked a little
scared.

"The spooky sounds make me nervous,"
Alan said

Albie nodded and said, "It's okay to
feel scared sometimes."

"We can hold hands and be brave together!"

Alan took a deep breath and smiled.

The friends walked to the first house with bright orange lights.

"Trick or Treat!" they all shouted with giggles.

A kind and generous Ape gave them
apples and stickers.

"A is for apple! A is for
AMAZING!" said Albie

They laughed and shared their treats under a big autumn tree.

Albie noticed Alan still holding his hand.

“See? We were brave and kind!”
Albie said

"and we had so much fun together," Abby said

Albie grinned, Halloween starts with H, but my favorite letter is still A!"

They all cheered, "A is for awesome friends!"
