

# Mia Mia the Cat and the Lost Tablet 🐾

Mia the Cat found a shiny tablet  
under a park bench.

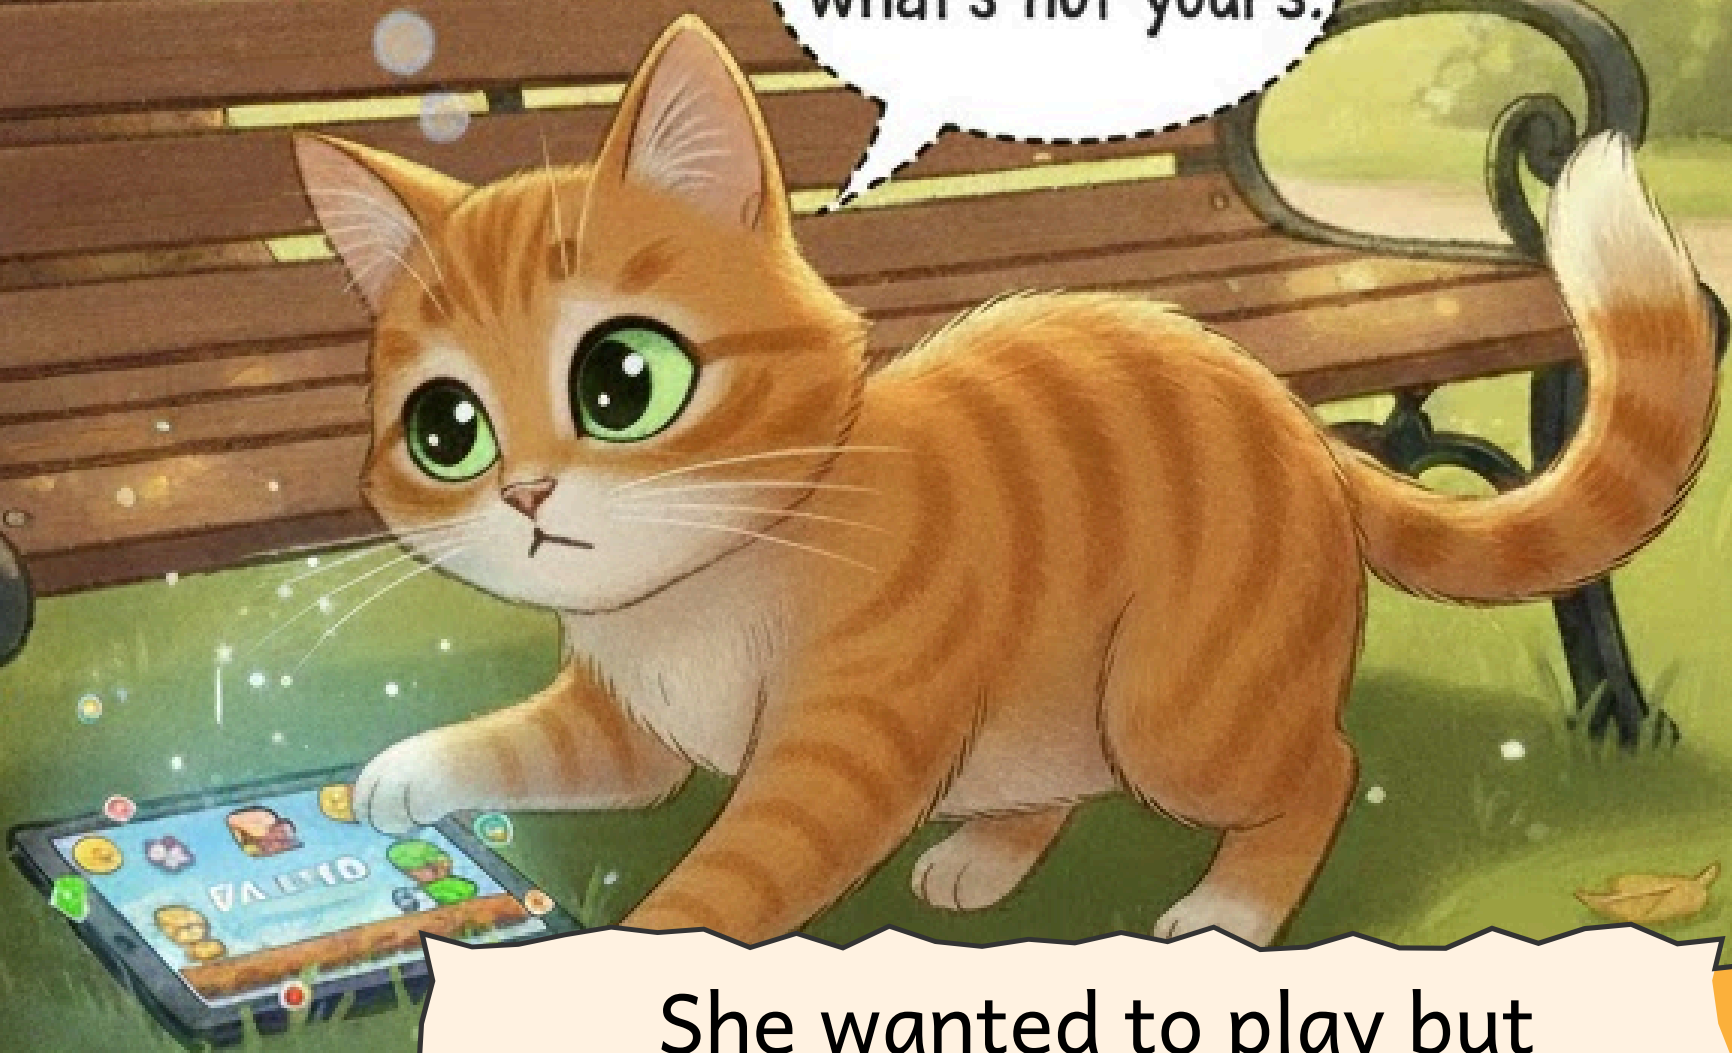

It had stickers and a game  
paused on the screen.

Always return what's not yours.

She wanted to play but remembered her teacher's rule.

Mia took it to the Lost and Found box.

A puppy ran in, crying, “Has anyone seen my tablet?”

Mia handed it to him with a smile.

**Thank you  
for being honest.**

**“Thank you for being honest,” said  
the park ranger.**

Mia felt proud and happy  
inside.

Doing the right thing always  
feels best. THE END.
