was all alone in a big spaceship.

She looked out the window and saw

AMAZING stars!

**“Adventure is
awesome!”**

said Andy

“But I want to go home.”

Andy pressed a big red
ALARM button

**“All aboard!
time to land!”** she said.

**The spaceship went
around and

ah

**it made a soft sound
aaaaaaaah!**

**at last, Astronaut Andy
landed safely on Earth.**

**Andy saw
an apple
tree and
some ants
walking by**

**“Wow! Those are
real apples and
ants! I miss this!”
Andy said**

**She gave her mom a big
ARM hug.
Andy said, "I love you,
Mom."**

She waved at the airplane flying above while eating an apple.
and said, "I am finally home!"
