About Us

At Green Leaves Academic Wellness Centre, we believe that every child has unique abilities, unlimited potential, and deserves the opportunity to flourish in an environment where they feel safe, valued, and understood.

We are a specialised learning centre dedicated to supporting children with diverse learning needs, including Autism Spectrum Disorder (ASD), ADHD, Down syndrome, Apraxia, Cerebral Palsy, developmental delays, and other neurodiverse challenges.

Our children are at the heart of everything we do.

We recognise that no two children are the same, which is why we embrace each learner's individual strengths, celebrate their uniqueness, and tailor our approach to help them reach their full potential. We believe that progress should never be measured against others, but against each child's own journey.

Our foundation is built on structure, consistency, discipline, kindness, respect, and compassion. Within this nurturing environment, our learners are encouraged to grow in confidence, develop independence, and discover what they are capable of achieving.

At Green Leaves, education extends far beyond the classroom. We work hand in hand with families, therapists, and our wider community because we know that every child succeeds best when surrounded by a team that believes in them.

We are committed to going the extra mile for every learner. Whether celebrating a child's first spoken word, a new life skill, an academic milestone, or a personal breakthrough, we celebrate every achievement—big or small—with genuine joy and pride.

Every success story inspires us to continue learning, growing, and improving alongside our learners. They teach us just as much as we teach them.

Green Leaves Academic Wellness Centre is more than a tutoring centre.

It is a place where children are accepted without judgment, encouraged without limits, and empowered to become the very best version of themselves.

Because every child deserves the opportunity to learn, to grow, to belong, and to thrive.

Growing together. Learning together. Celebrating every milestone.

Rise and Thrive
