# Word of the Year Scripture Guide

## HOW TO USE THIS SCRIPTURE GUIDE

The Scriptures included in this guide are provided to help you anchor your Word of the Year in God's truth. They are meant to serve as starting points—Scriptural touchstones that help align your heart, thoughts, and intentions with the Word you have chosen for this season. Each Scripture listed is not presented in its entirety. These verses are excerpts selected to highlight themes connected to each Word.

For deeper understanding, context, and spiritual growth, I strongly encourage you to read the full passage in your Bible, reflect on it prayerfully, and allow the Holy Spirit to speak personally to you through God's Word. This guide is not meant to replace Scripture, but to point you back to it.

As you use this resource, ask yourself: How does this Scripture illuminate my Word? What is God inviting me to notice, change, or strengthen? How does this passage shape the way I live out my Word daily? Allow Scripture to deepen your discernment, bring correction where needed, and affirm where God is already at work in you.

Thank you for trusting me to walk alongside you in this process. My prayer is that this guide helps you draw closer to God, grow in wisdom, and live with greater intention as you steward your Word throughout the year. May Scripture not only inform you—but transform you. Remember, God is faithful in every season. As you seek Him, He will guide you, strengthen you, and meet you exactly where you are.

With love and faith, Sequita
