

**What if you could earn
an extra R30,000 per month?**

**A turnkey digital business
model engineered for
100% margin profitability.**

Trusted by over 7,500 individuals in South Africa and 58,000 globally, the Legacy Builder program enables everyday people to generate dollar-based income through a refined, fully automated digital system – requiring as little as two focused hours per day, seamlessly integrated around work and family life.

What could an additional R30,000 per month make possible for your family?

A refined digital business model with no traditional overheads, no product creation, and no inventory management.

Fully established and thoughtfully designed, the system operates seamlessly in the background – allowing you to retain full profit while following a proven, time-efficient framework.

-
- **More time.**
 - **More freedom.**
 - **Less pressure.**
 - **Less stress.**
 - **A life built around what truly matters.**

**Just 2
work
hours
a day.**

Ideal for:

- **Beginners** ready to step confidently into the online business world
- **Entrepreneurs** desiring additional, sustainable income streams
- **Busy professionals** seeking balance between work, life, and financial growth
- **Rural and farming families** building income beyond geographical limits
- **Retirees** prioritising security and quality of life
- **Students** embracing location-free earning opportunities

A single \$300 transaction can generate approximately R5,000 in profit. Directly deposited into your account.

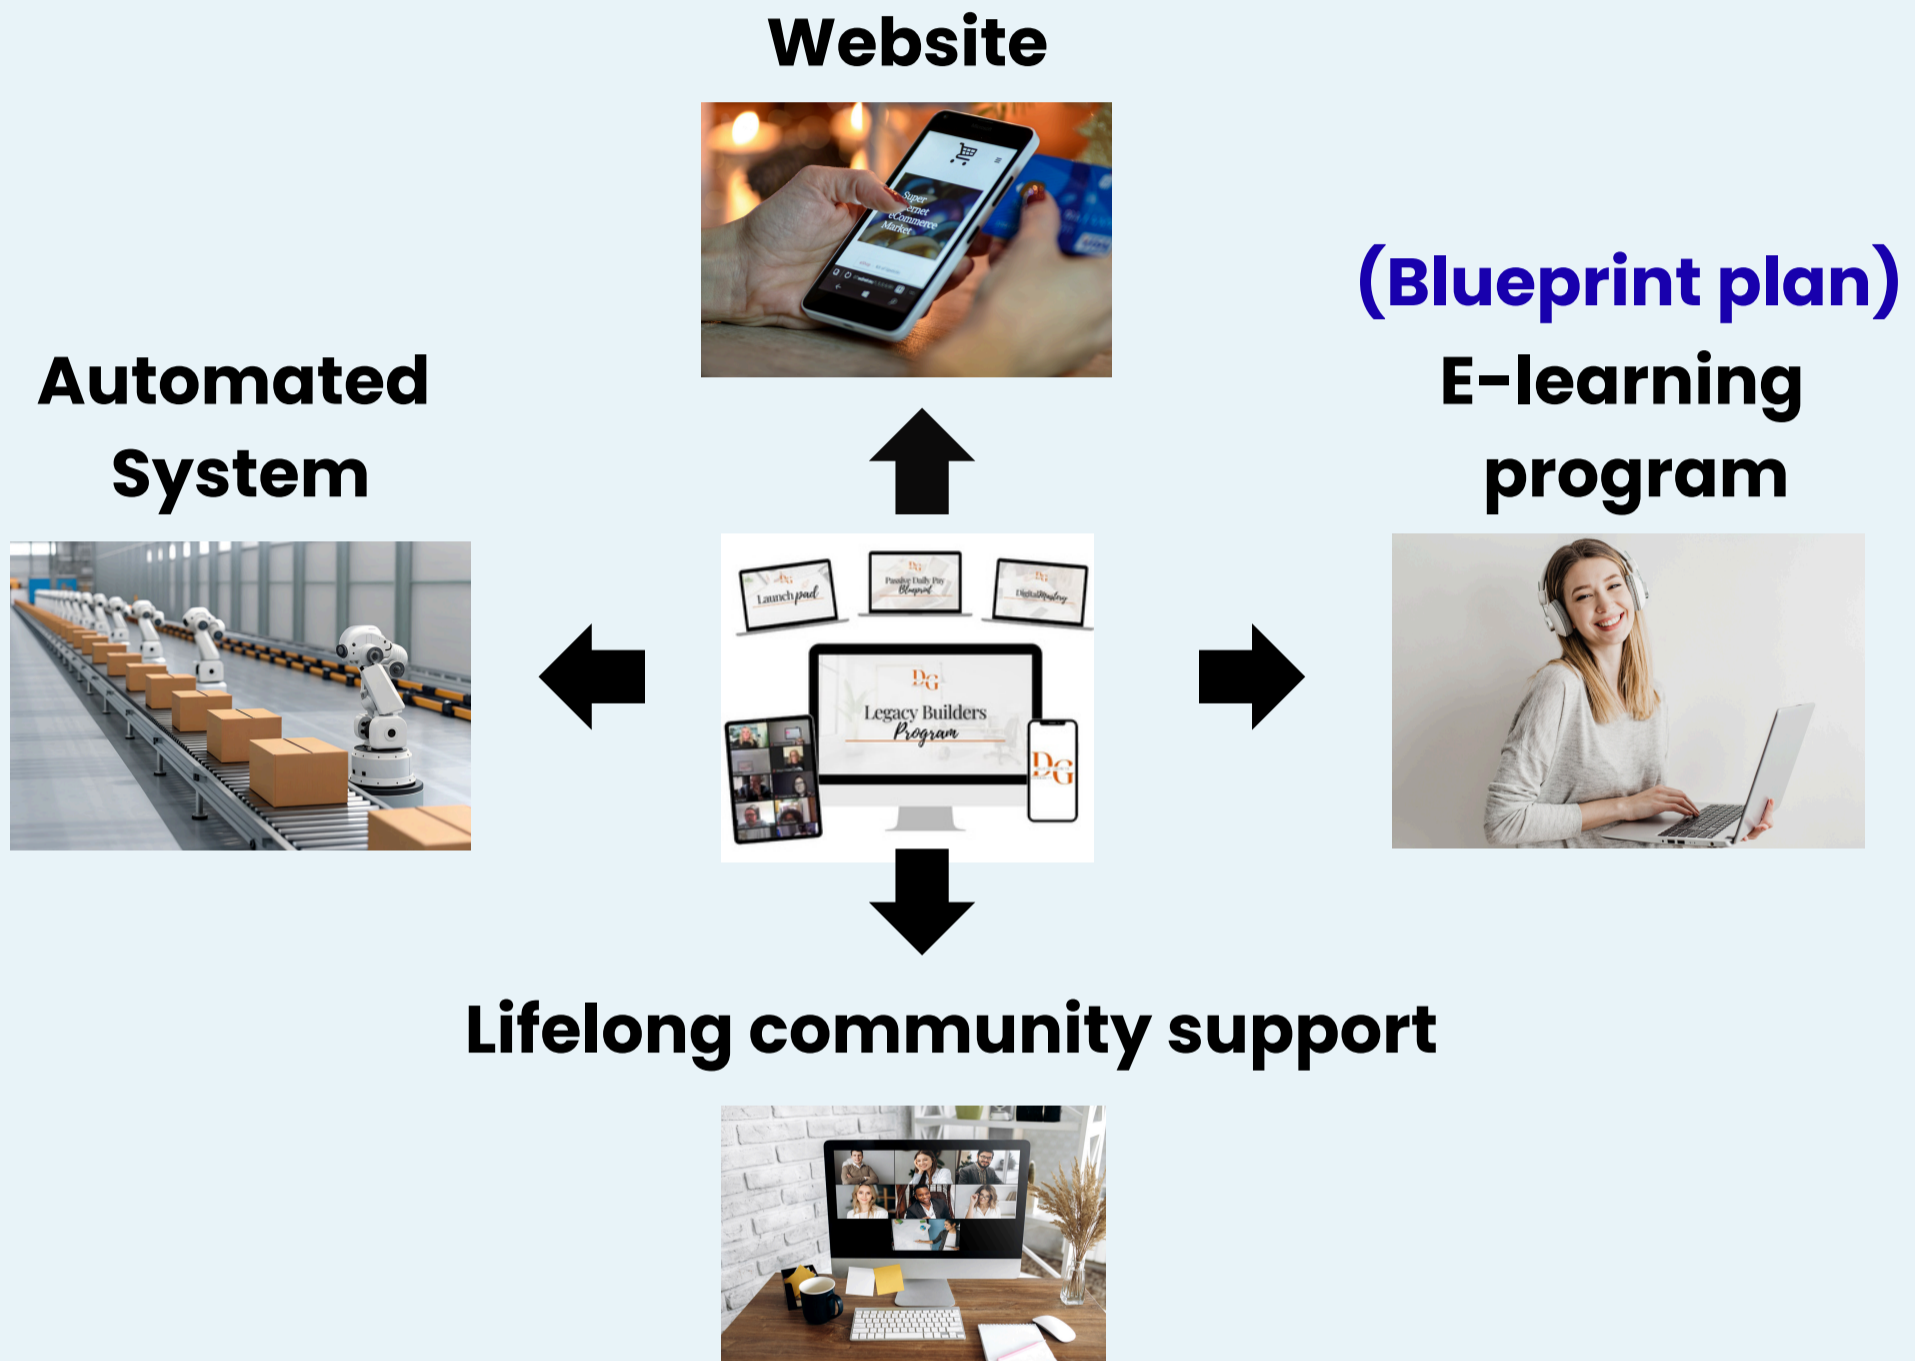

R30 000 = 6 x \$300 offers

An **attraction-based** digital marketing model – no cold outreach, no chasing, no pressure. Simply **leverage** refined online strategies that draw clients to you naturally.

R60 000 = 4 x \$900 offers

Explore **six** refined **income streams** designed to generate sustainable earnings from **anywhere**. Your phone becomes your office, while the **automated system** works continuously in the background.

What's required to begin creating your own income stream?
