

SPONSORSHIP PROPOSAL

ANGELS OF EPILEPSY

A 501(c)(3) Charity & Advocacy Atlanta, GA

angelsofepilepsy.org

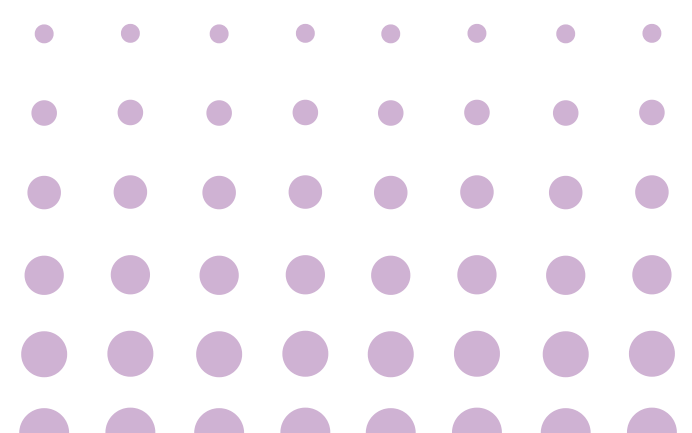

ABOUT US...

Angels of Epilepsy was founded in 2008 as a Georgia-based nonprofit organization dedicated to serving individuals impacted by epilepsy. What began as a local effort has grown into a broader mission, extending support to survivors and families across multiple states and even internationally.

Our mission is to meet the diverse needs of the epilepsy community by providing essential resources such as medical ID accessories, transportation assistance, prescription support, hospital gift bags, lodging assistance, and more. Throughout the year, we also host health seminars, workshops, and community events that offer valuable education, resources, and seizure first-aid training.

Through our continued dedication, Angels of Epilepsy has made a meaningful impact and has been honored with various awards and recognitions for our service to the community.

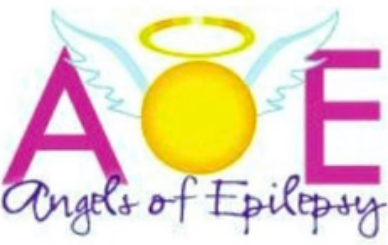

OUR FOUNDER'S STORY...

Natalie Y. Beavers is an epilepsy survivor, advocate, and dedicated mentor within the epilepsy community. After living with epilepsy for more than four decades, undergoing brain surgeries, and connecting with countless others facing similar challenges, she was inspired to establish an organization that supports survivors and their families throughout their journey. She travels across multiple states to speak, advocate, and provide mentorship, empowering others within the epilepsy community. Natalie is also the creator of *The Seizure Diary*, published in 2013, and has received numerous awards and recognitions for her impactful work. One of her primary goals is to inspire more individuals to become active advocates and voices within the epilepsy community.

OUR INITIATIVES

Seizure Safety & Medical ID

Promotes safety and emergency awareness through medical identification accessories, such as seizure-alert necklaces and bracelets. This initiative helps ensure first responders and bystanders can quickly recognize and respond during a seizure.

Prescription Assistance

Provides financial assistance to help individuals maintain access to essential seizure medications when cost becomes a barrier. Gift card support ranges from \$25-\$100, depending on available funding.

Transportation Assistance

Supports safe transportation to medical appointments and pharmacies through **Uber or Lyft vouchers**, especially for individuals who are unable to drive due to seizure restrictions.

AOE Relief + Support Packages

Offers short-term relief during periods of hardship by providing food assistance and essential household items to individuals and families affected by epilepsy.

AOE ANNUAL HEALTH FAIR & SEMINAR

Our Annual Health Fair & Seminar is scheduled for July 18, 2026. It brings together the epilepsy community and the public for a day of connection, education, and support. Attendees can access valuable information and resources, participate in caregiver sessions and engaging panel discussions, enjoy special guest appearances, and take part in raffle prizes, back-to-school giveaways, and much more.

HAPPY 18TH ANNIVERSARY TO

Celebrate with us on November 7, 2026 in Atlanta, GA! This event will showcase the importance of epilepsy, inviting survivors, caregivers, advocates, and supporters. We are happy to commemorate the work we have done since our beginning in 2008, and cannot wait to continue the journey of providing, supporting, and advocating for our epilepsy community.

EVENT SCHEDULE

Performance of Different Scenarios

Volunteers will be enacting a few scenarios concerning how epilepsy can affect different relationships. One scenario deals with two parents dealing with a child diagnosed with epilepsy. Another scenario executes a look into being in a relationship with an epileptic survivor.

Guest Speakers

We will have some exciting speakers that have been personally affected by epilepsy. This can range from singers to individuals with normal 9-5 jobs. Anybody can be diagnosed with epilepsy!

Award Ceremony

We will celebrate individuals who have made a difference within the epilepsy community. These epilepsy advocates have inspired great change and recognition to the topic of epilepsy.

Open Q&A

Guests will be able to ask questions and create dialogue with one another. All topics concerning epilepsy will be discussed. This is a judgement free zone!

OUR SPONSOR LEVELS

Your dedication to us have not only made a profound impact but have also brought hope and comfort to countless lives. With your invaluable contribution, we can continue our efforts in helping individuals and families living with epilepsy...
