**TNT-A (The Nail Tech - Advanced ) Package**

# Advanced

## TNT-A (The Nail Tech – Advanced ) Package

The TNT-A package is your ultimate starting point to build a thriving career as a professional nail technician. This course includes everything you need to learn about natural nail care and extension creation, excluding pedicure treatments. It's designed for beginners who want a solid foundation in advanced nail techniques.

### Who is this course for?

The Advanced Package) is perfect for:

- Beginners starting their nail career.
- Those focused on natural nails and extensions (not pedicures).
- Aspiring professionals wanting modern sculpting techniques (Acryl Gel/Poly Gel).
- Students seeking flexible schedules and ABT-accredited certification to work professionally.

If you want to specialize in advanced hand nail treatments and grow your skills, this course is for you!

---

### Entry requirements:

Minimum age 18

## What Will You Learn?

Our course is designed to equip you with the skills and knowledge to succeed:

### 1. **Manicure Fundamentals**

- Learn essential skills that form the foundation of all nail techniques.

### 2. **Combined Dry Manicure with Gel Polish Application**

- Includes BIAB application for added durability and nail repair.

### 3. **E-File Training**

- Includes extra support for an online e-file course.

### 4. **Business and Marketing Skills** (Online)

- Learn strategies to build and grow your nail business.

### 5. **Health & Safety** (Online)

- Best practices to ensure safe and professional service.

### 6. **Anatomy, Physiology, Contra-actions, & Contra-indications** (Online).

### 7. **First Aid Basics** (Online).

### 8. **Sculpting Acryl Gel / Poly Gel Techniques**

Note: Nail art training is not included and is offered separately for an additional fee.

---

## Why Choose This Package?

Our course is led by experienced educator Barbara Preil-Kovacs:

***"Many nail technicians prefer to focus on natural nail care and sculpting, without pursuing pedicures. This package is perfect for those who want to master advanced techniques for hands and build a solid career in the nail industry."***

Courses are conducted in English or Hungarian. For group sessions, all participants must agree on the language of instruction.

---

## Additional Benefits

This package includes exclusive extras to help you succeed:

- Business tips for starting and marketing your nail business.
- Guidance on pricing, advertising, and promoting your services.
- Learn how to photograph your work to attract clients.
- Planner tools to help you become a successful nail technician.

Save money and gain extra knowledge by choosing this comprehensive package!

---

## What's Included Post-Course?

- Special discounts with partnered retailers.
  - Three months of follow-up support to ask questions and receive feedback on your work.
- 

## Certification

Upon successful completion, you'll receive ABT-accredited certificates:

- Manicure Certificate
- Combined Dry Manicure & Modern Gel Polish Certificate
- E-file Certificate
- Sculpting Acryl Gel/Poly Gel Certificate

These certificates allow you to gain insurance and start working as a professional.

## Payment & Booking Policies

- Deposits are non-refundable if cancellations occur, however we are flexible to reschedule, if you reschedule more than 14 days before the course begins
  - The remaining fees must be paid on the training date with prior approval.
  - If you paid the full course fee in advance, the costs are refundable if you cancel more than 14 days before the course begins (please be aware the deposit part of the payment is non-refundable and transaction fees may apply).
- 

## Next Steps

To secure your spot:

1. Contact us via email, WhatsApp, Instagram, or Facebook.
2. Arrange your course dates.
3. Pay your deposit.
4. Sign the Student Contract
5. Start the online part of the training

Once booked, you'll receive online training materials to prepare before the practical sessions.
