☥ HerAwaken Exclusive Guided Rituals ☥

For HerAwaken Listeners — Mariah De Aurum (@MariahKCG)

Hello HerAwaken friends! Thank you for joining me here. Below you will find a bundle of guided rituals that are not publicly available — these were put together just for HerAwaken listeners! We will go on journeys to heal our bloodlines, our energy field and then learn a quick method of alchemizing our energy fields. Feel free to use these as often as you need. Enjoy!

This guided ritual takes you on a journey to Earth's core to heal your maternal and paternal bloodlines.
