Day 2 is the reconstruction. The old programming has been excavated. Today, you install the new operating system: the Creative Mind, the Burning Desire, the Professional Identity, and the power of Compounding. Complete each exercise as directed during the event.

SECTION 01

Creative Mind Audit

The **Competitive Mind** operates from scarcity, fear, and comparison. The **Creative Mind** operates from abundance, creation, and certainty. Honestly assess: in the past 30 days, which mind have you been operating from?

COMPETITIVE MIND BEHAVIOR <i>(What I actually did)</i>	CREATIVE MIND ALTERNATIVE <i>(What I would have done from abundance)</i>

2.	2.
3.	3.
4.	4.

“Desperation repels wealth. Certainty attracts it.”

STEP 2: What You Give in Return
