WOMEN IN STEM Moments Coloring Book

MykidColors.com

This coloring book was created so children can meet the trailblazing women who changed science, technology, engineering, and math — and so parents and teachers can hand them something that feels true, inspiring, and worth keeping.

These women were real. Their work was real. And your child deserves to color their stories.

-Louisa.

Illustrator credits

Illustrations in this book were created by:

- Isyaku Abubakar Madaki (15 pages)

All illustrations are human-drawn and created with intention.

Coloring Pages

1. Katherine Johnson - NASA Mathematician
2. Dorothy Vaughan - Computer Programmer
3. Mary Jackson - NASA Aerospace Engineer
4. Mae Jemison - Astronaut & Doctor
5. Marie Van Brittan Brown - Inventor
6. Shirley Ann Jackson - Physicist
7. Gladys West - Mathematician
8. Chien-Shiung Wu - Nuclear Physicist
9. Patricia Bath - Medical Inventor
10. Kizzmekia Corbett - Immunologist
11. Rebecca Lee Crumpler - Physician
12. Annie Easley - Computer Scientist
13. Ellen Ochoa - Astronaut & Engineer
14. Aprille Ericsson - Aerospace Engineer
15. Yvonne Brill - Rocket Scientist

SHE HELPED ASTRONAUTS GET SAFELY TO SPACE.

KATHERINE JOHNSON

NASA Mathematician

MyKidColors.com

SHE TAUGHT COMPUTERS HOW TO SOLVE PROBLEMS..

DOROTHY VAUGHAN

Computer Programmer

MyKidColors.com

SHE WAS NASA'S FIRST BLACK WOMAN ENGINEER.

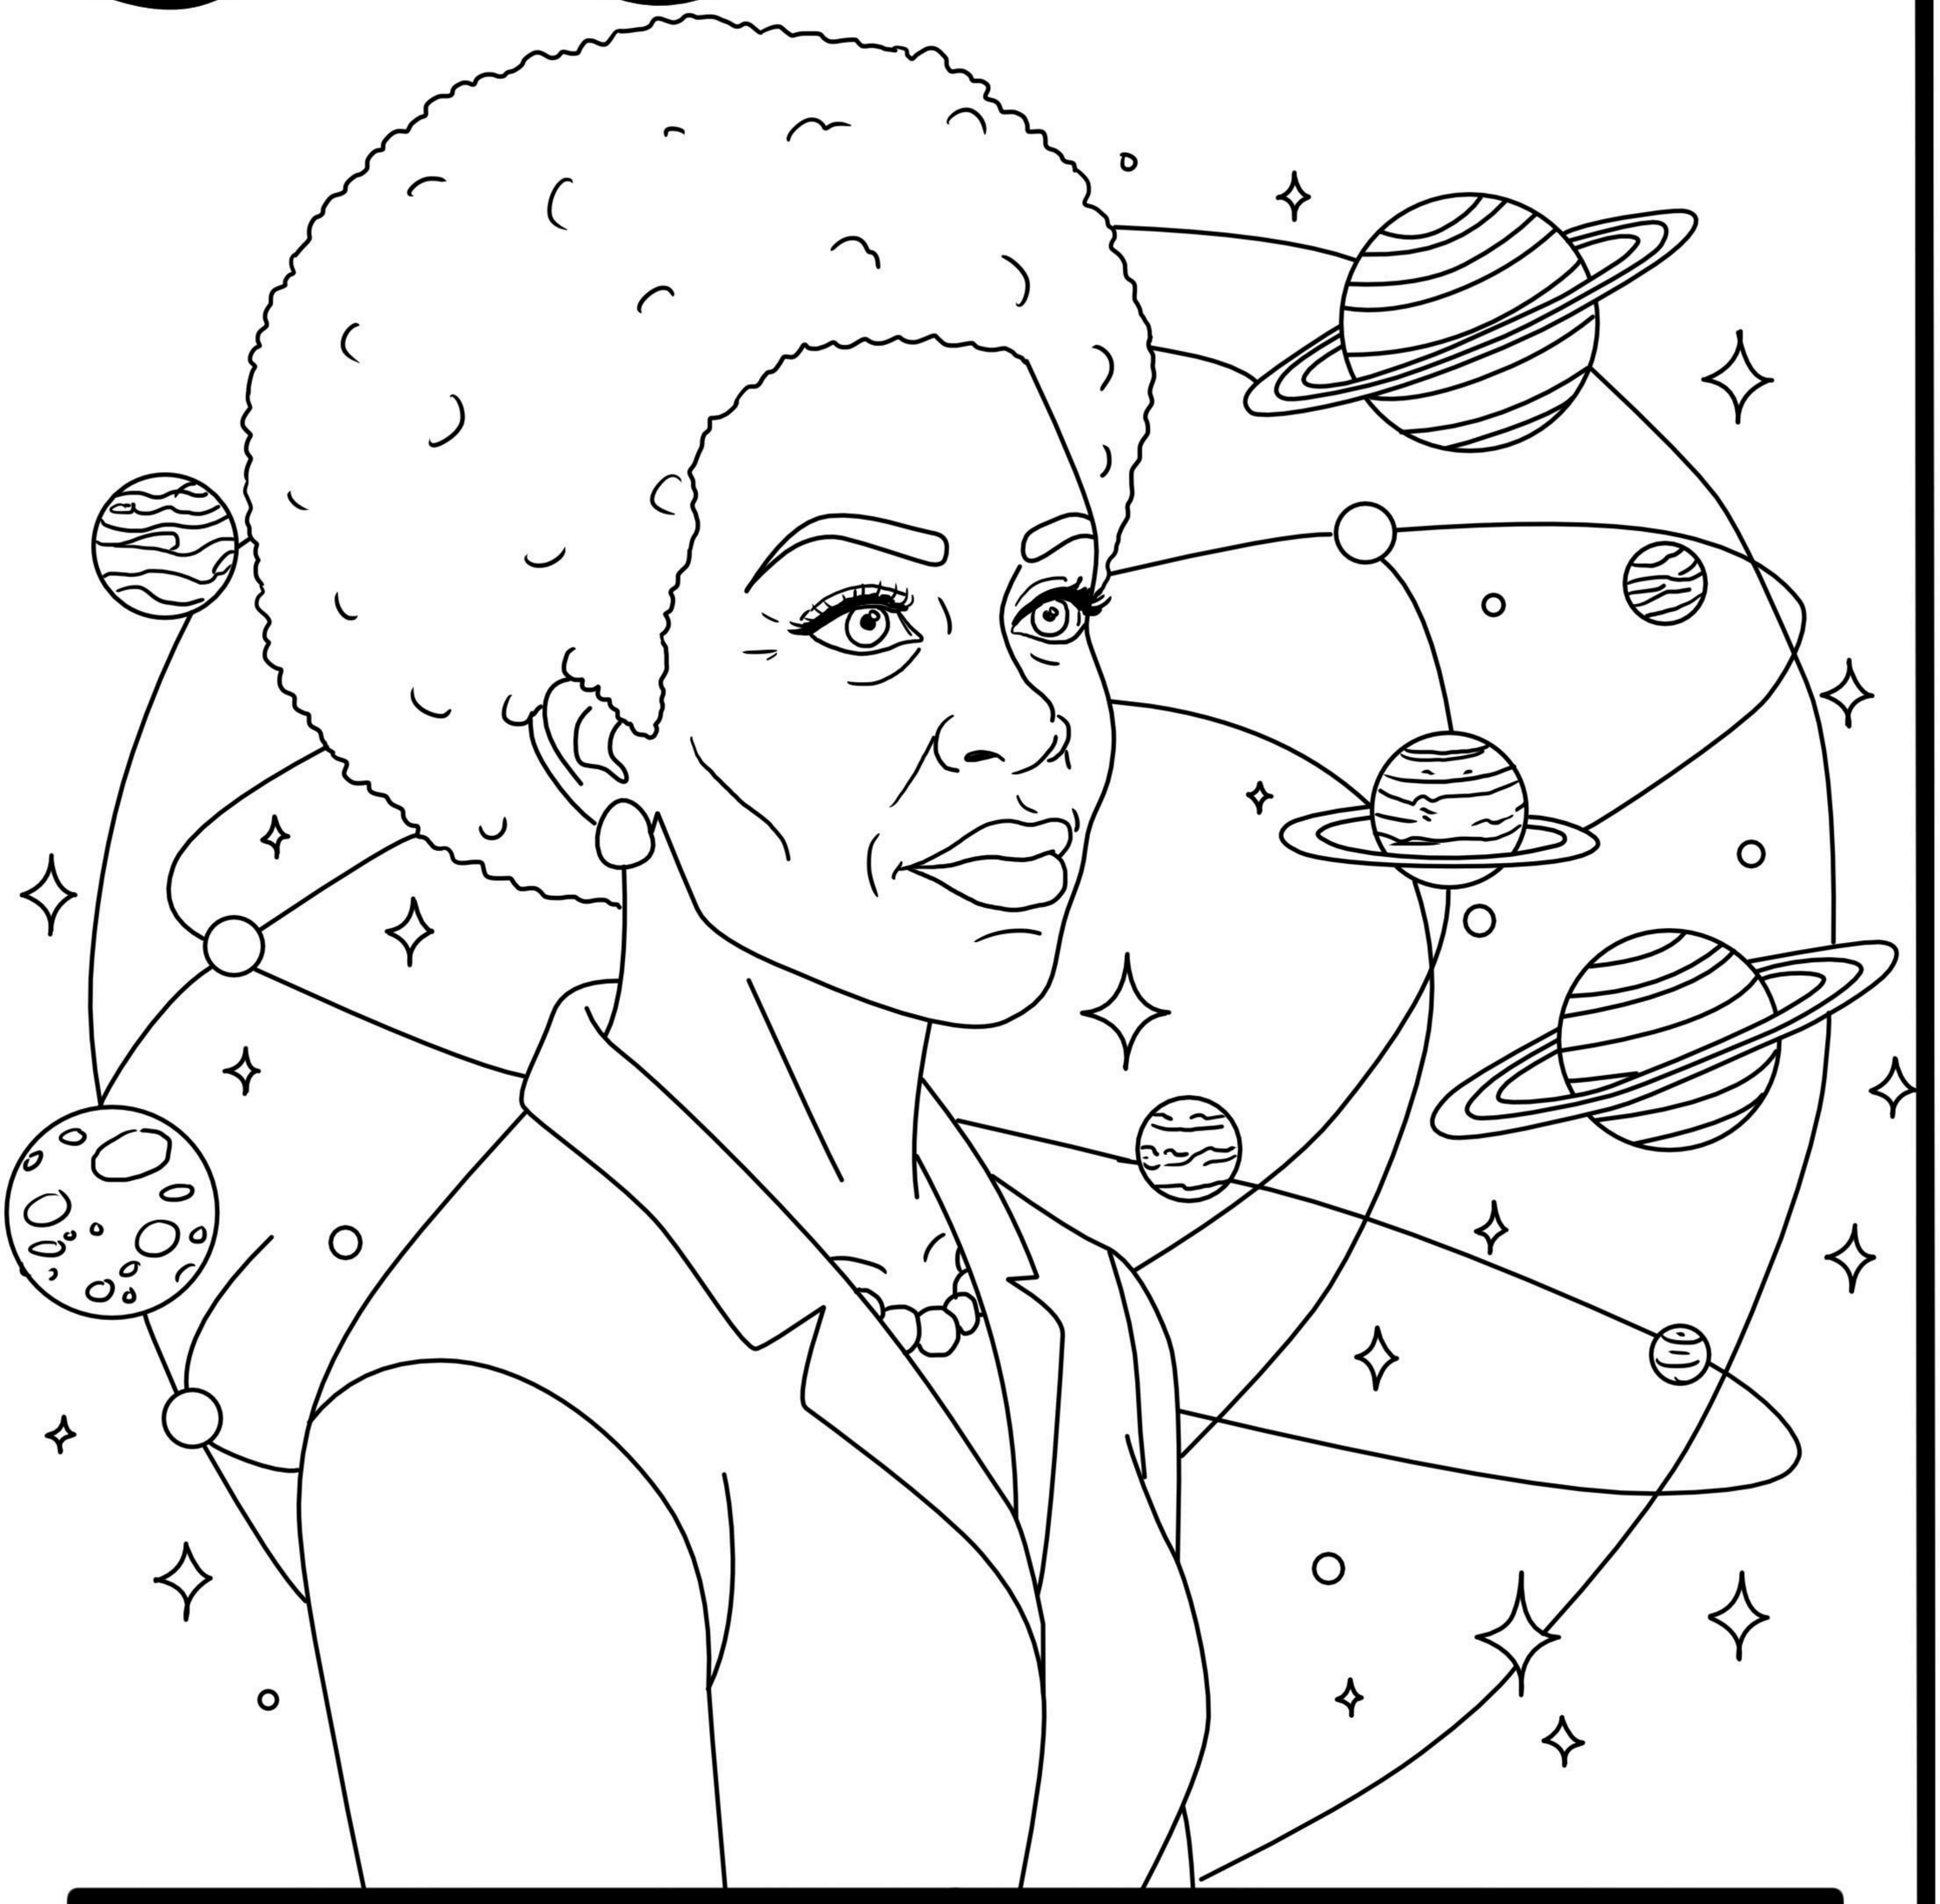

MARY JACKSON

NASA Aerospace Engineer

MyKidColors.com

SHE SHOWED KIDS THEY CAN REACH SPACE TOO.

MAE JEMISON

Astronaut & Doctor

MyKidColors.com

SHE INVENTED A HOME SECURITY SYSTEM.

MARIE VAN BRITTAN BROWN

Inventor

MyKidColors.com

HER SCIENCE CHANGED HOW WE COMMUNICATE.

SHIRLEY ANN JACKSON

Physicist

MyKidColors.com

HER NUMBERS MAP THE WORLD.

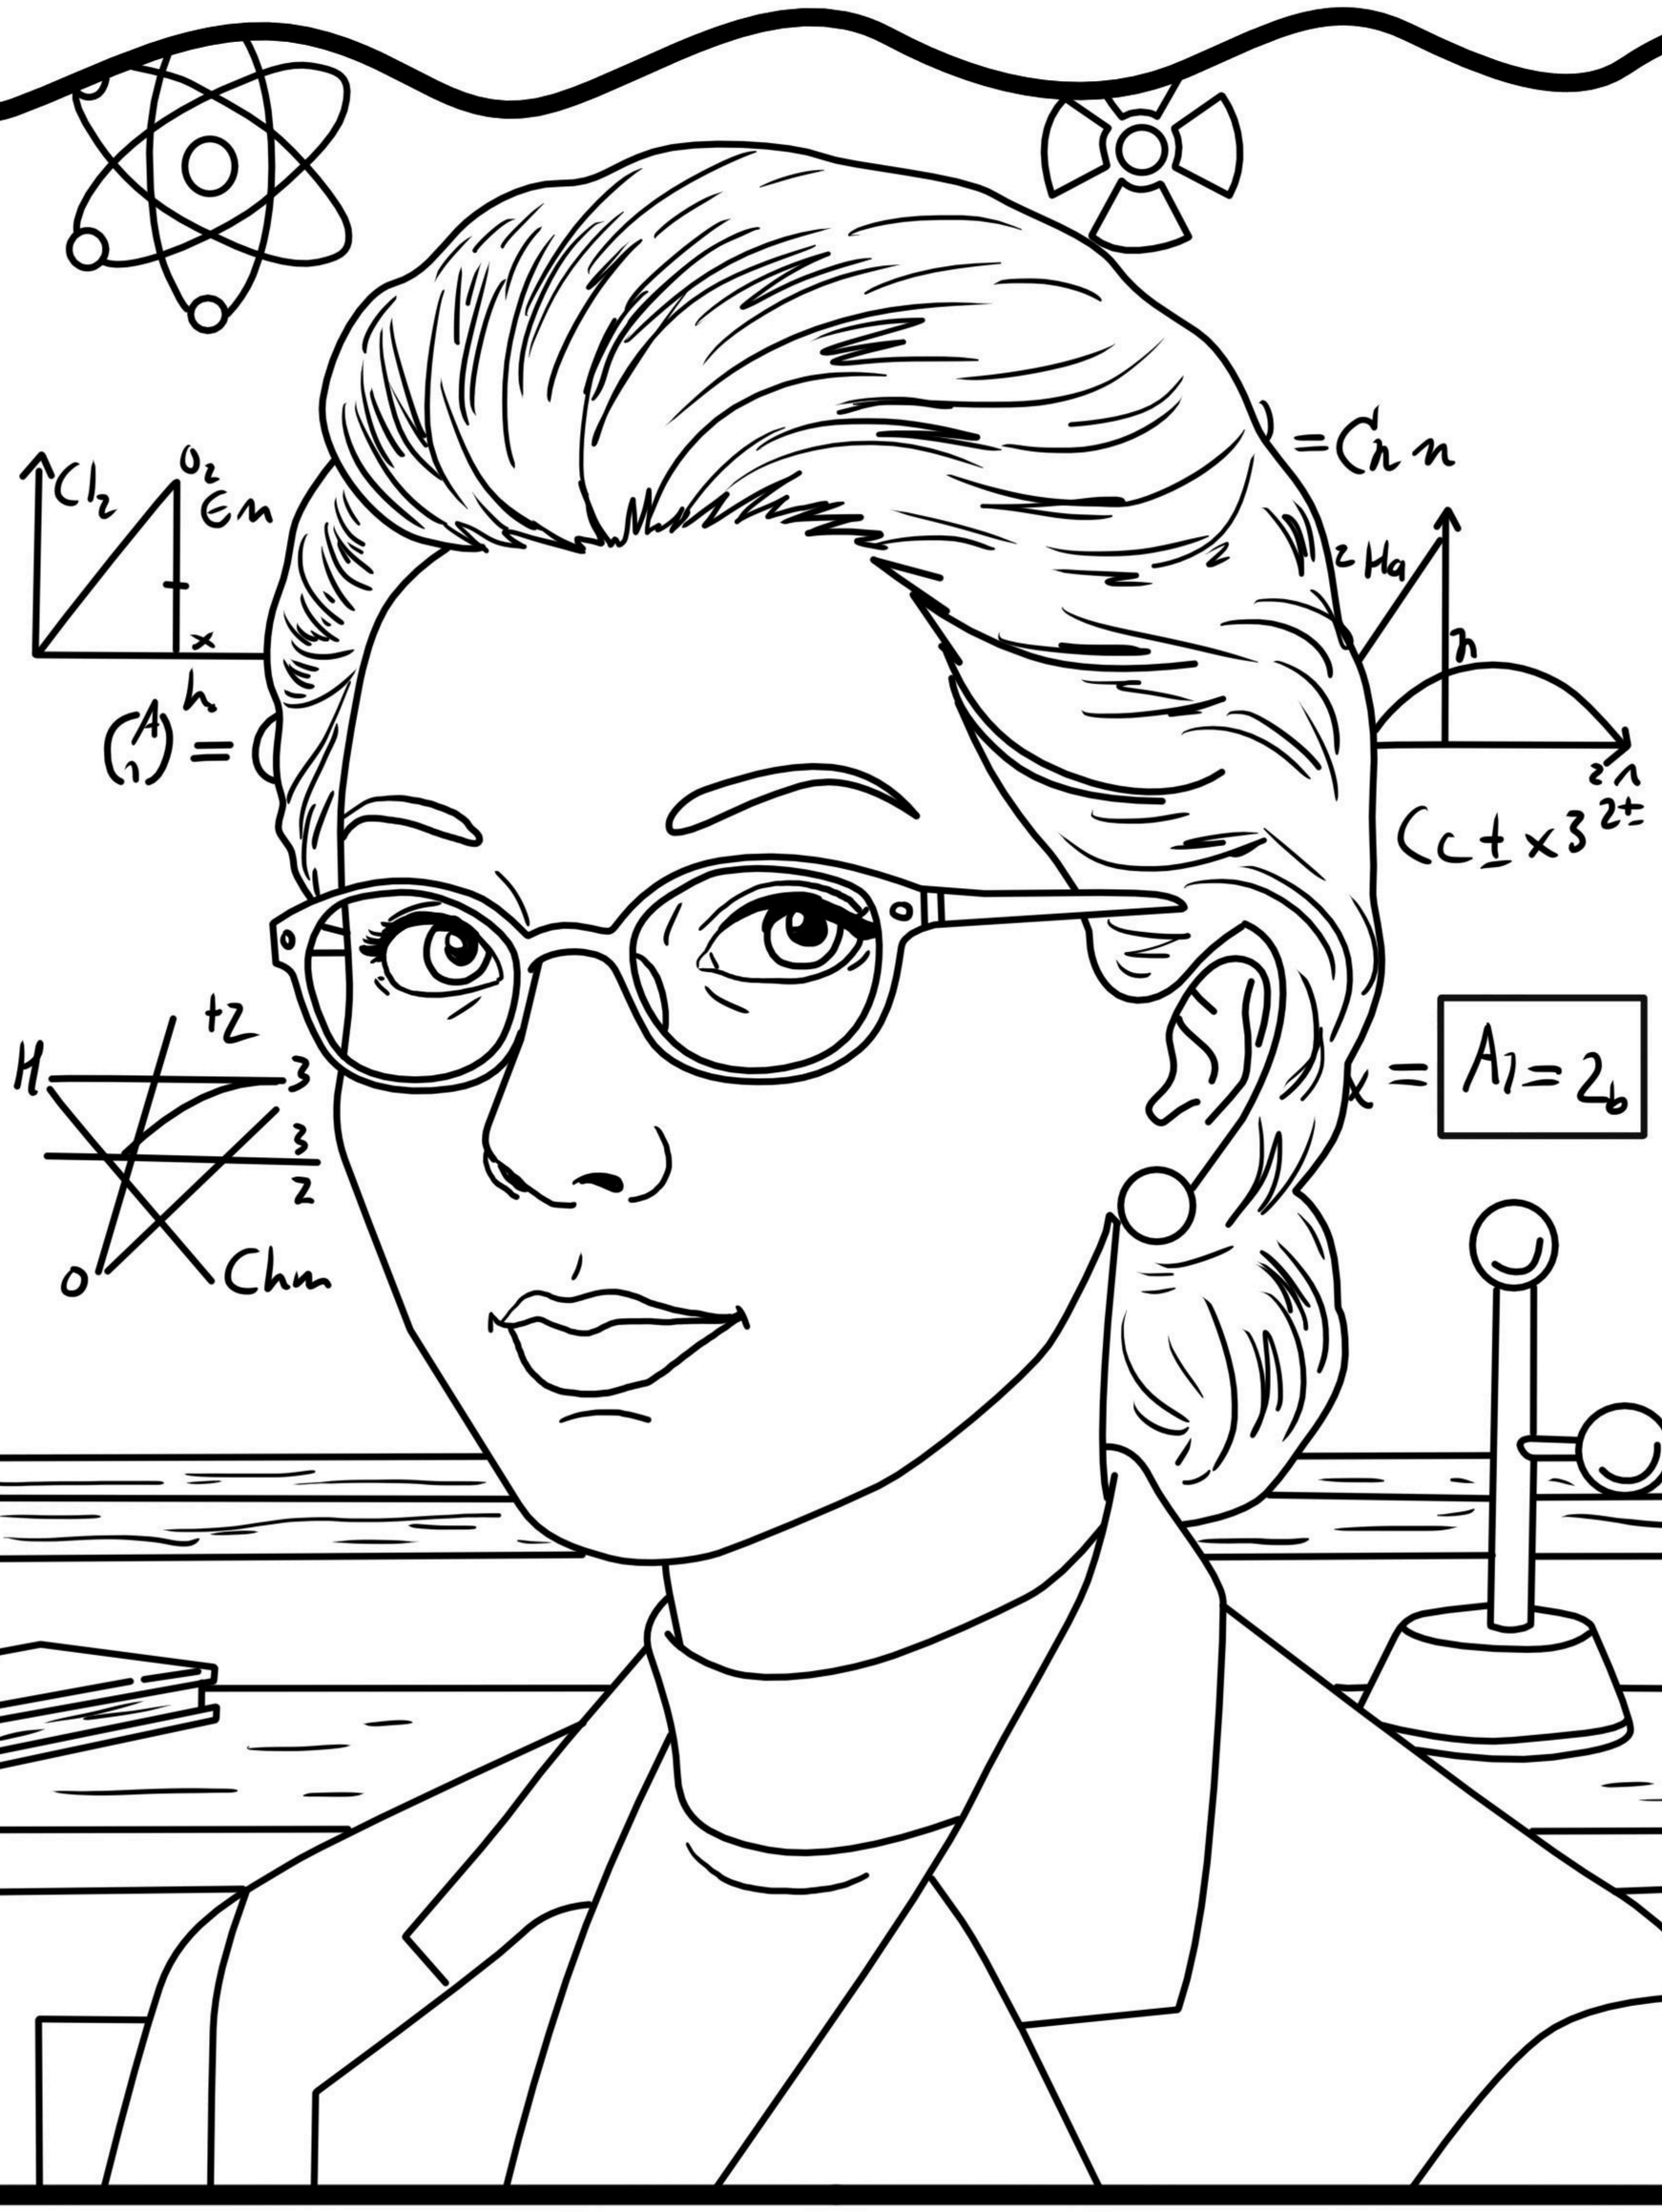

GLADYS WEST

Mathematician

MyKidColors.com

SHE PROVED NEW IDEAS COULD BE TRUE.

CHIEN-SHIUNG WU

Nuclear Physicist

MyKidColors.com

SHE INVENTED TOOLS TO HELP PEOPLE SEE.

PATRICIA BATH

Medical Inventor

MyKidColors.com

SHE HELPED CREATE LIFE-SAVING VACCINES.

KIZZMEKIA CORBETT

Immunologist

MyKidColors.com

SHE WAS THE FIRST BLACK WOMAN DOCTOR.

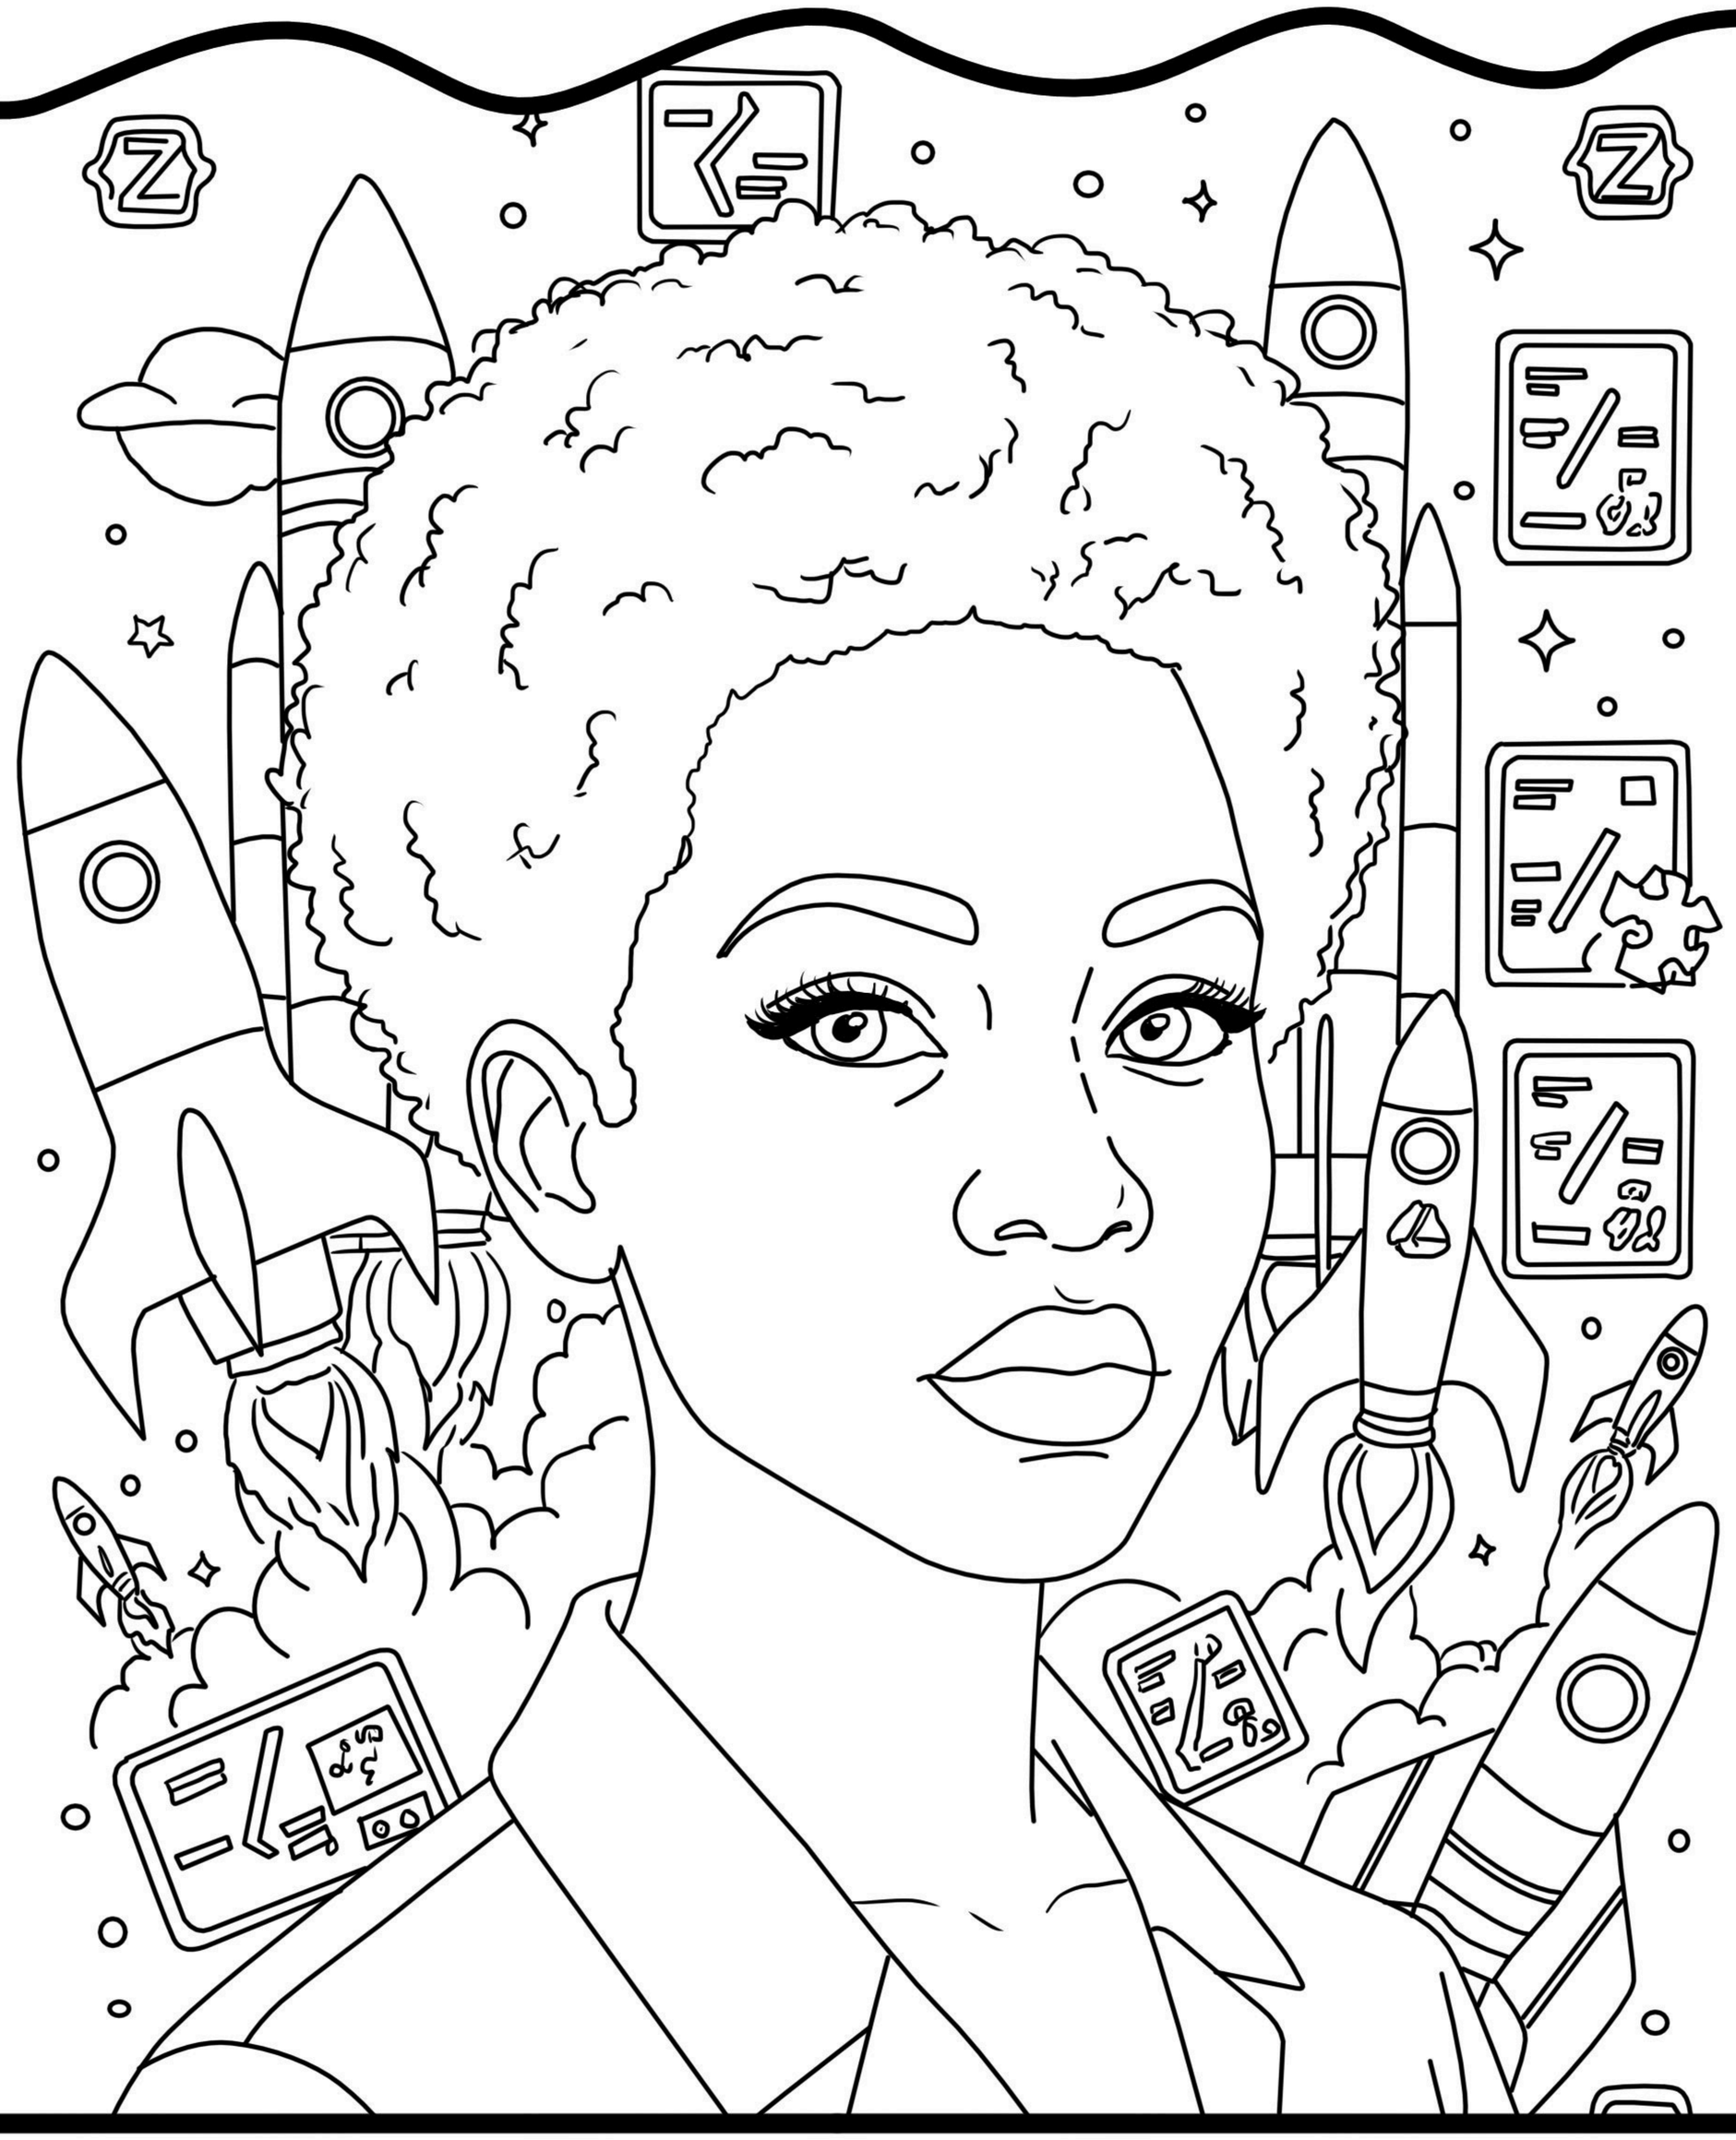

REBECCA LEE CRUMPLER

Physician

MyKidColors.com

HER CODE POWERED SPACE MISSIONS.

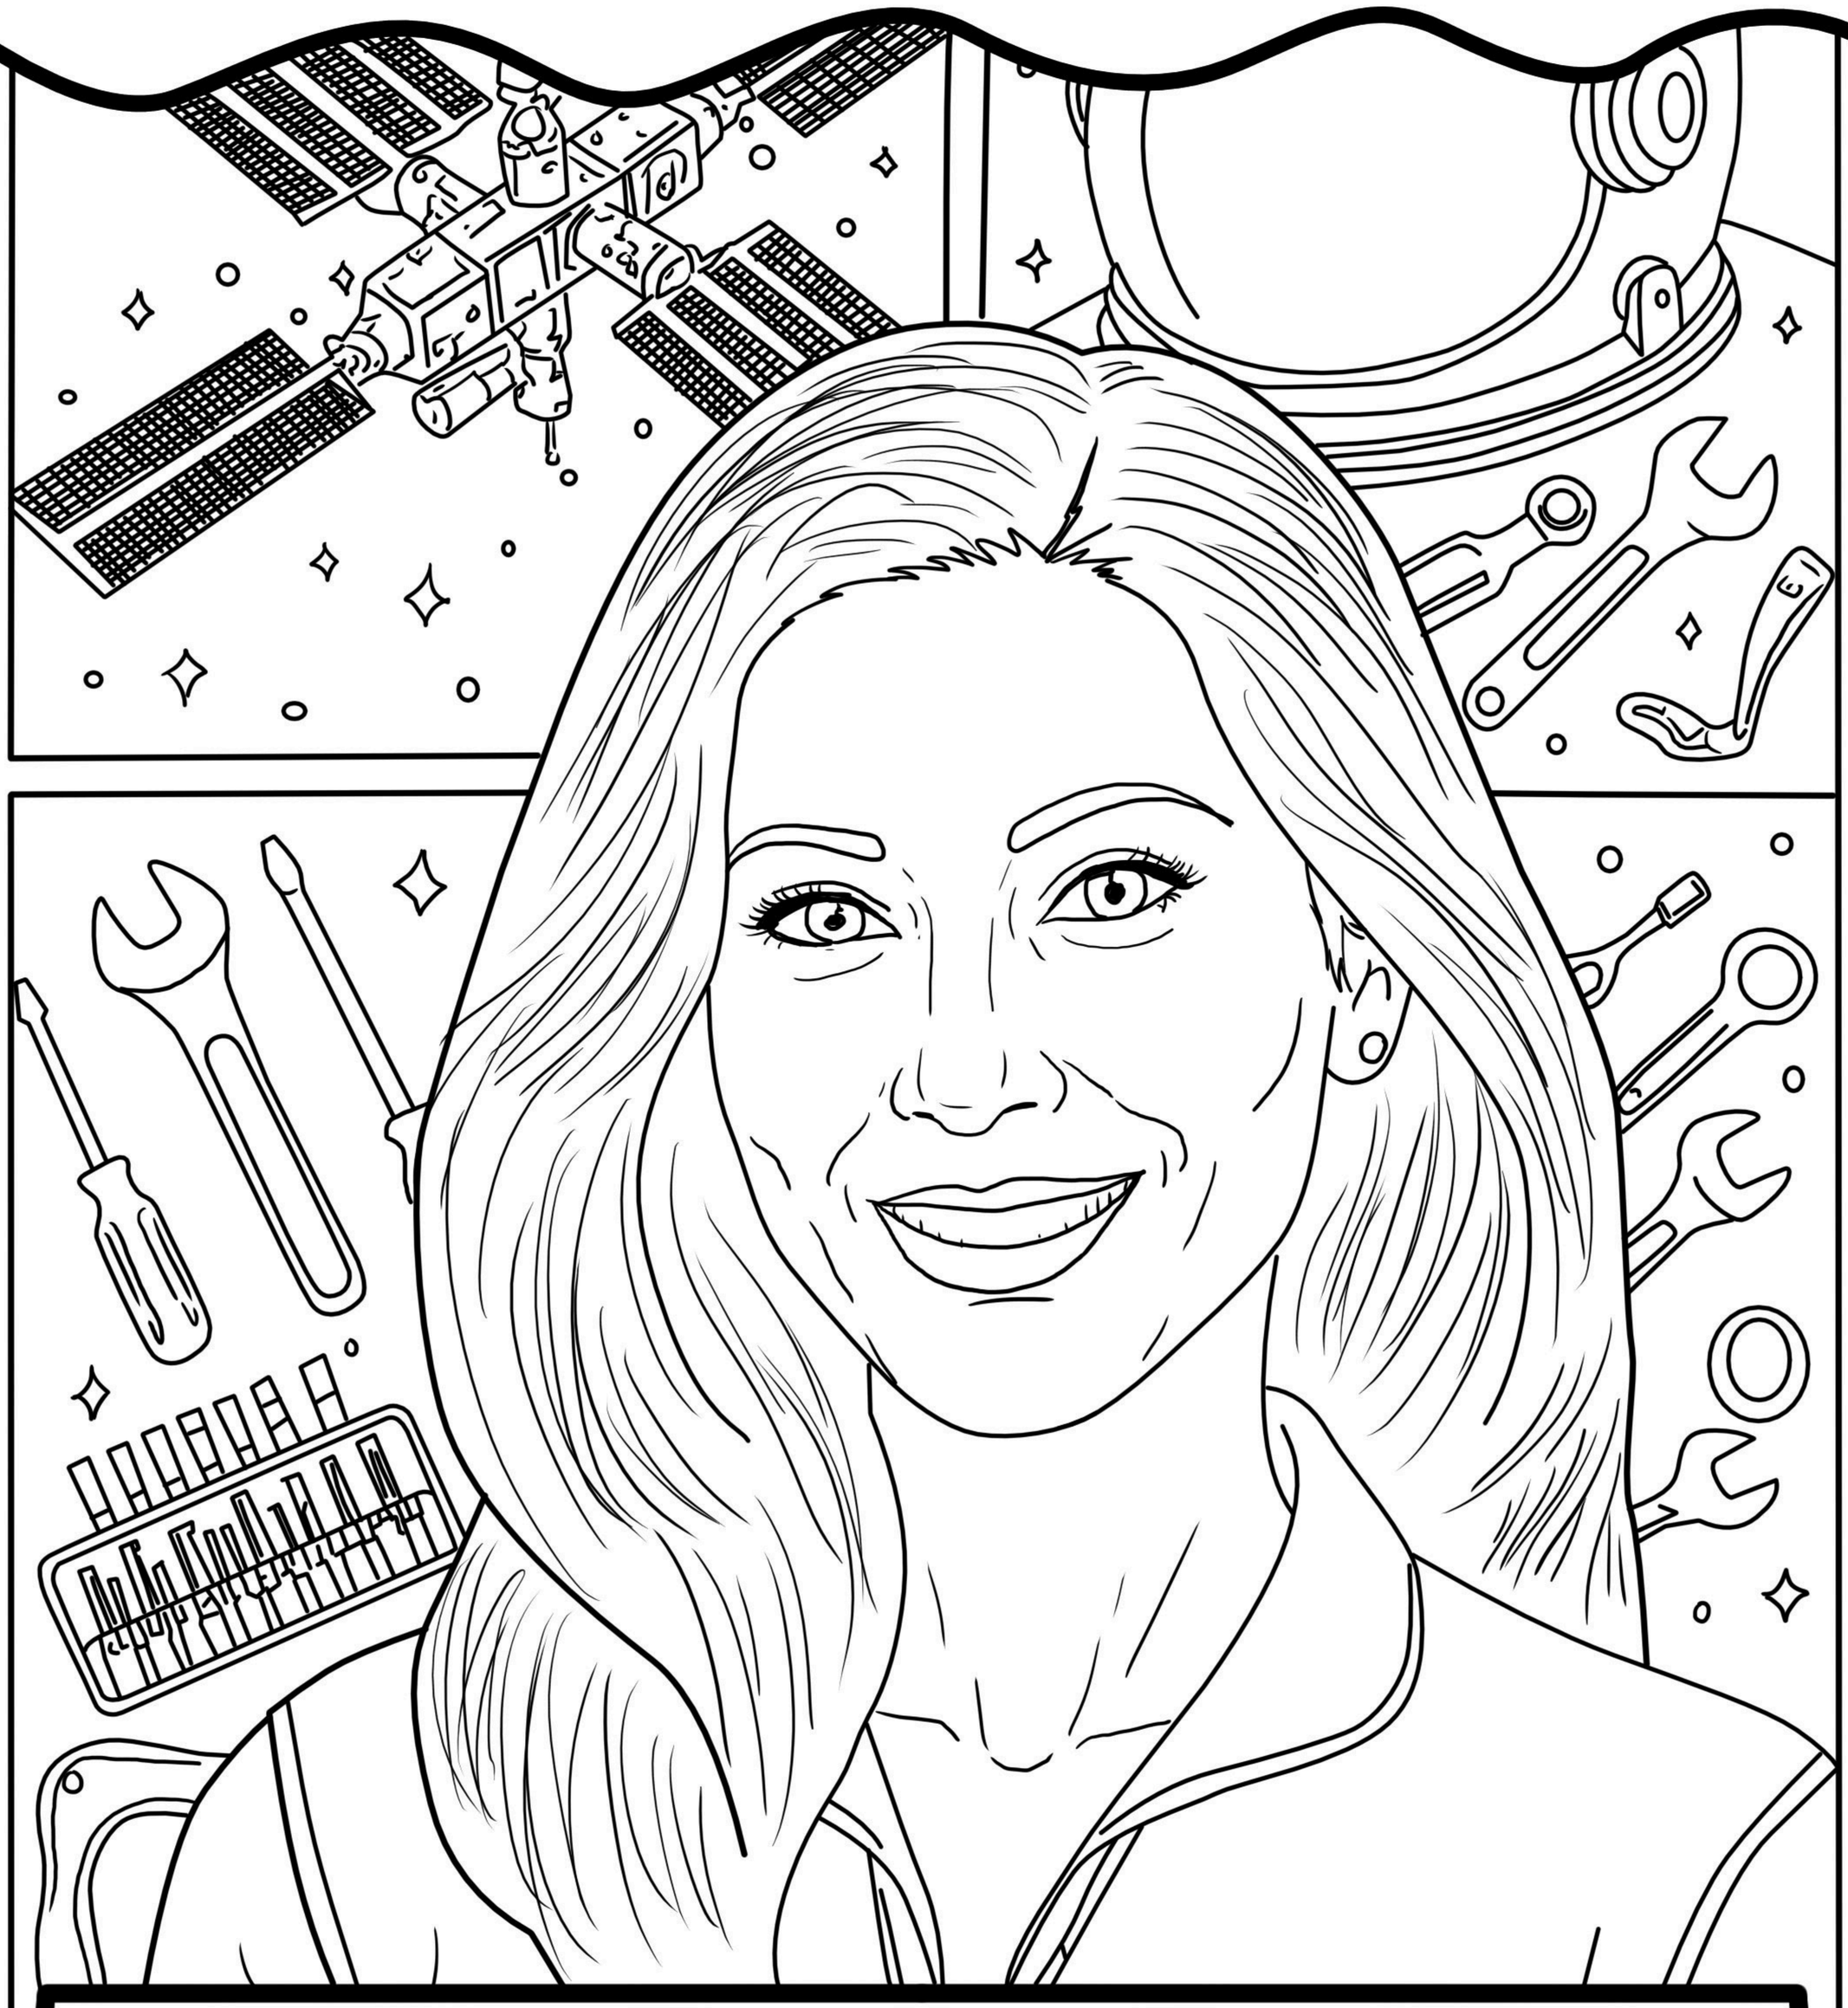

ANNIE EASLEY

Computer Scientist

MyKidColors.com

SHE EXPLORED BEYOND EARTH.

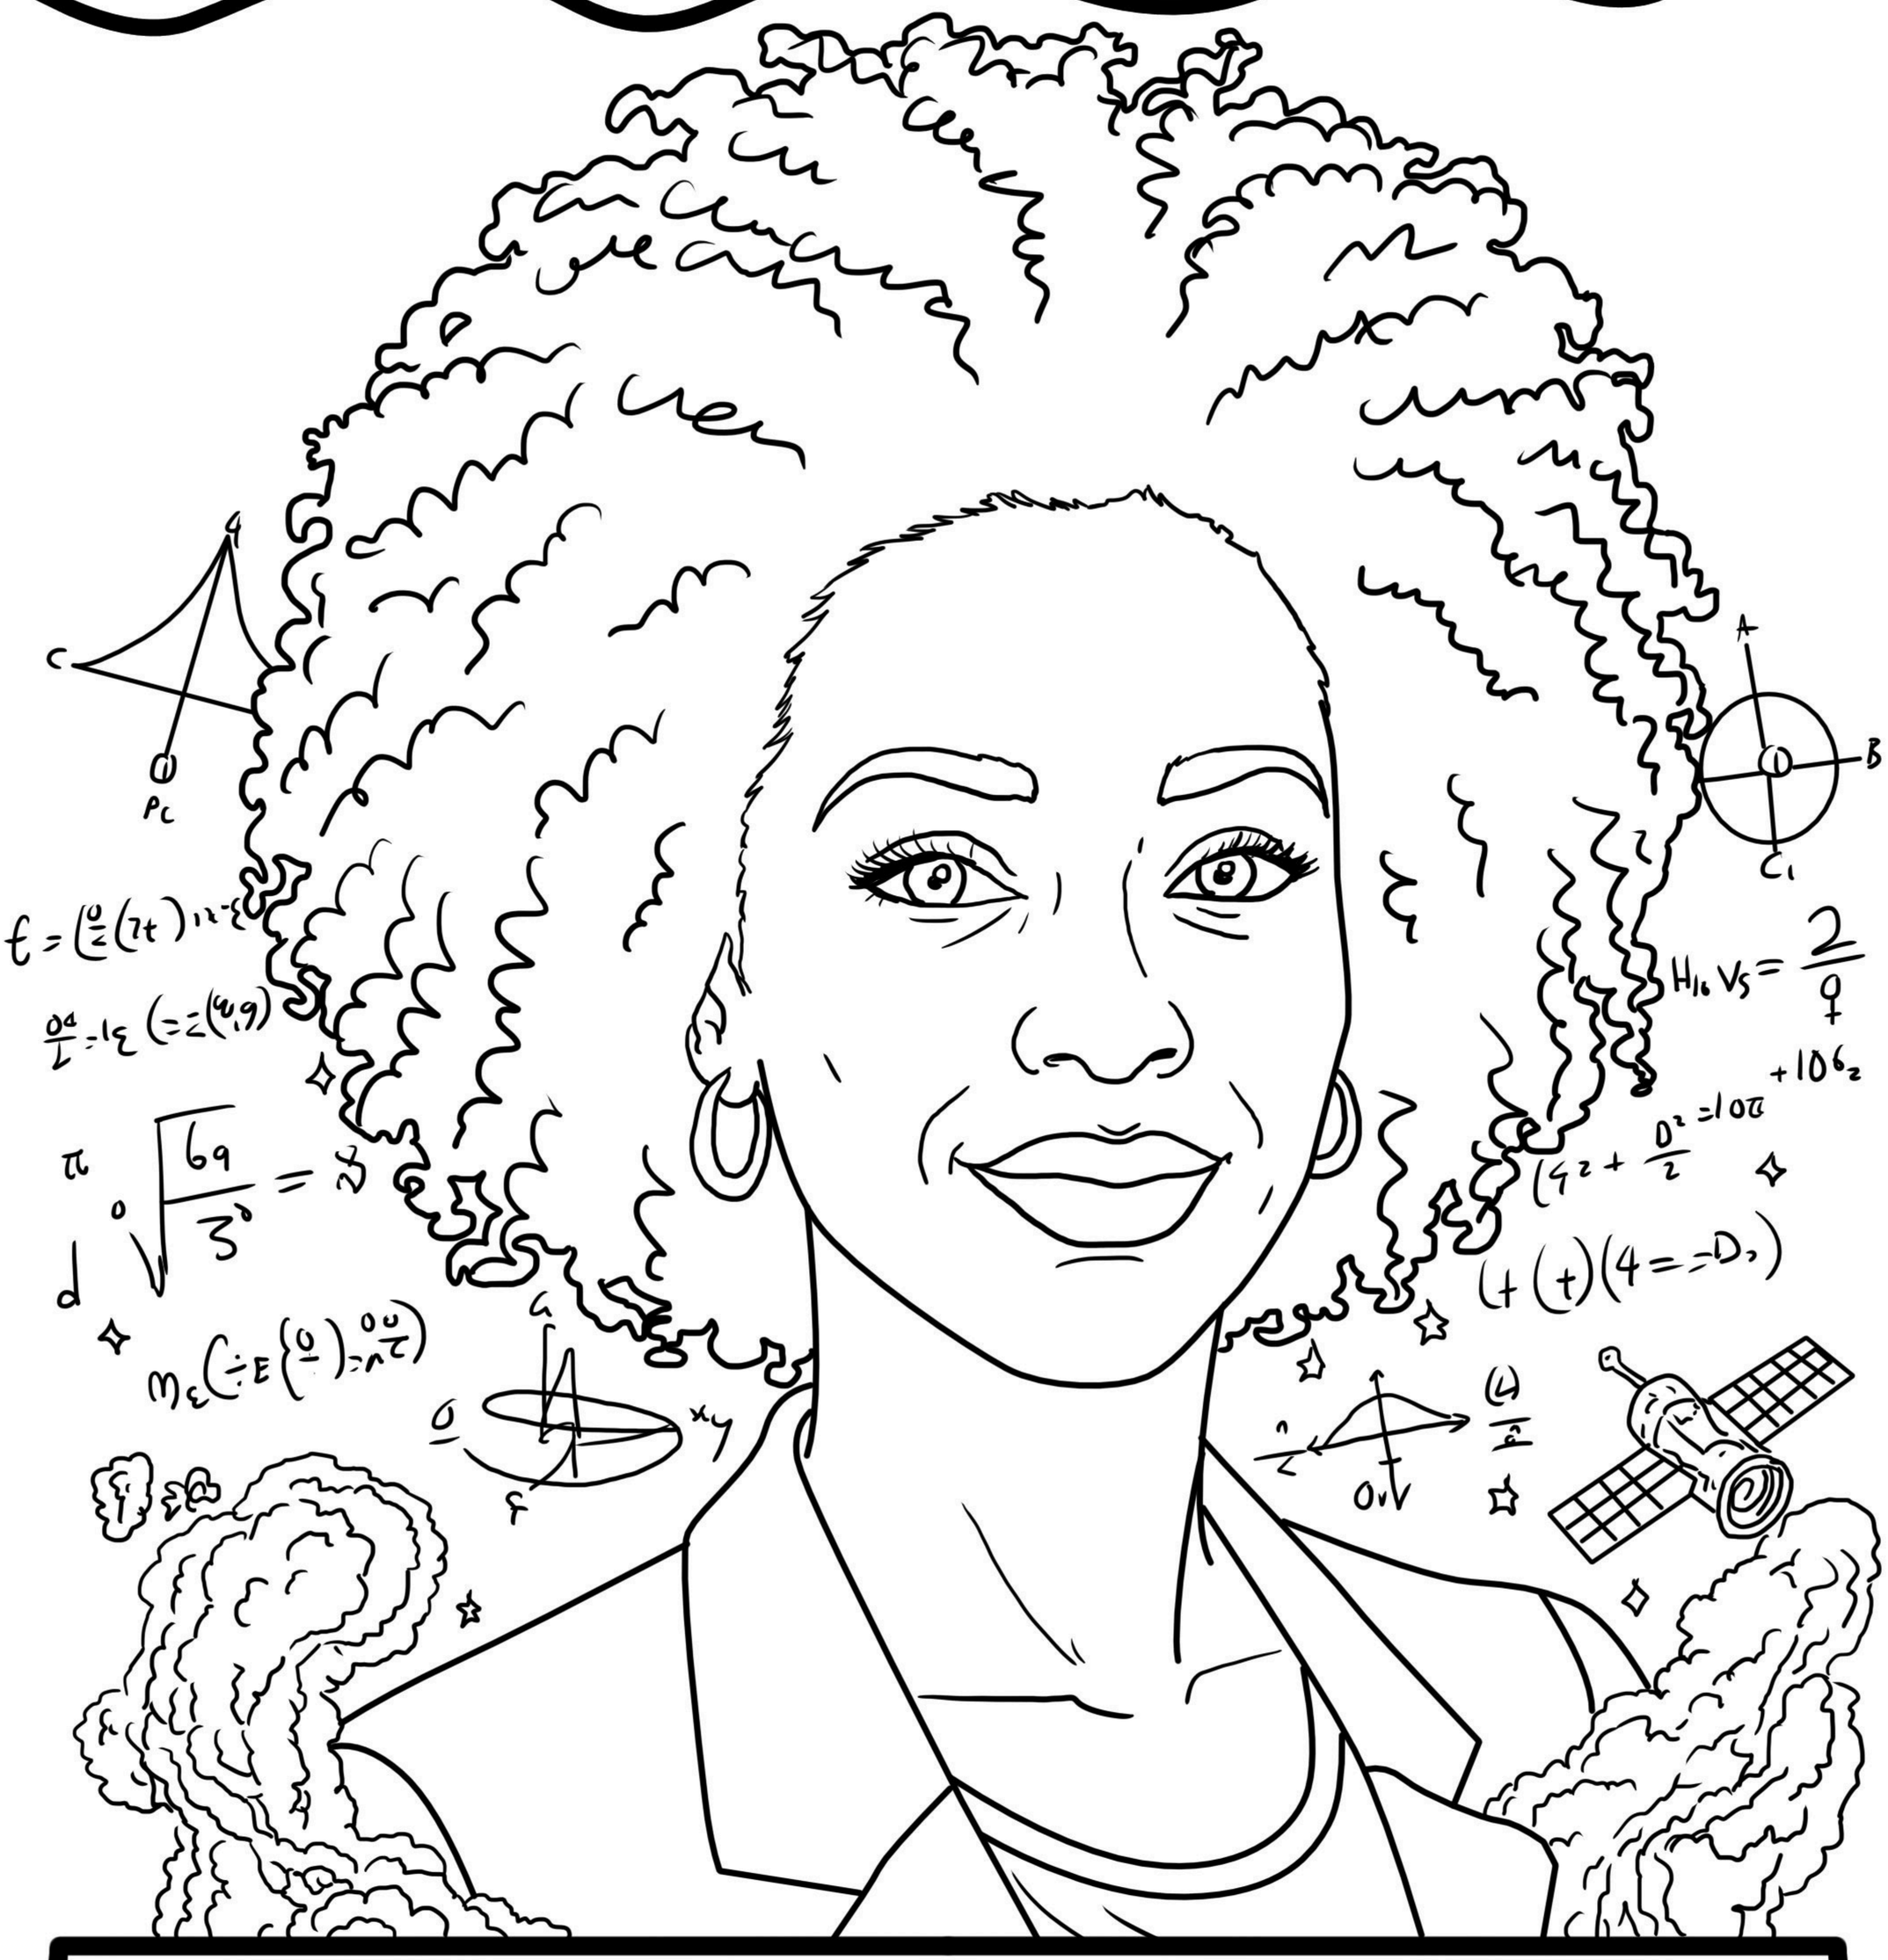

ELLEN OCHOA

Astronaut & Engineer

MyKidColors.com

SHE HELPED DESIGN SPACE MISSIONS.

APRILLE ERICSSON

Aerospace Enginee

MyKidColors.com

SHE SOLVED PROBLEMS IN SPACE TRAVEL

YVONNE BRILL

Rocket Scientist

MyKidColors.com
