What AI Can and Cannot Do

A Practical Executive Guide

Learn where AI accelerates productivity—and where leadership, judgment, and human conversation still matter most.

AI STRENGTHS

ANALYZE INFORMATION
Process large amounts of data quickly and identify patterns.

SUMMARIZE DOCUMENTS
Create clear summaries of reports, emails, and meeting notes.

GENERATE IDEAS
Offer creative options and alternative perspectives.

PREPARE FOR CONVERSATIONS
Draft talking points, anticipate questions, and role-play scenarios.

HUMAN LEADERSHIP

BUILD TRUST
Trust is earned through consistency, empathy, and human connection.

READ EMOTIONS
Humans feel and perceive nuance, tone, and intention in real time.

EXERCISE LEADERSHIP JUDGMENT
Wisdom, experience, and ethical decisions come from human judgment.

REPLACE MEANINGFUL CONVERSATIONS
Deep relationships, accountability, and breakthrough moments happen through real conversations.
